274. TRAFFIC DISCIPLINE (NEET ROADS).

The attention of all drivers is drawn to the potential danger of bad skidding conditions on the roads of this theatre during wet weather.

The necessity of observing the utmost care at all times is stressed.

275. MEDICAL - INFECTIVE HEPATITIS (JAUNDICE).

There has recently been a noticeable increase in this disease which may be the forerunner of a serious epidemic. The cause of the disease is as yet unknown but it is thought to be a virus infection which is spread by nose and throat "droplets", for instance, on drinking cups, glasses and so forth, and possibly through the agency of flies.

Overcrowding in billets, poor ventilation during sleeping hours, chill, physical strain and any conditions liable to lower resistance are predisposing factors.

The following preventive measures therefore will be strictly complied with by all concerned :-

- (i) Glasses, in all messes etc., will after each time of use, be dipped and well rinsed in a strong solution of Water Sterilizing Powder. (One teaspoonful of WSP to a bucket of water), and thereafter washed in drinking water. The WSP solution will be replaced with fresh solution every hour of use.
- (ii) All mugs and cups, and other food utensils will be washed and sterilized by the 3-container method.
- (iii) Cookhouses, messes and food services generally will maintain the highest hygienic standards at all times.
- (iv) Every effort will be made to exterminate flies.
- (v) C.Rs. dining at the Vaccard Restaurant will use their own messing utensils, and keep them scrupulously clean and sterilized after use.

NOTE: Those responsible for all messes can draw supplies of "WSP" from the Q.M. Stores.

DISCIPLINE

The u/m orders re the ORs' billets are republished for strict compliance of all concerned:-

Locking of Rooms (From reveille till "lights out")

Owing to several cases of petty thieving in the ORs' billets, all rooms of the Hotels Vaccari and Genova will be locked before leaving for duty, or when a room is left unattended. The last man to leave his room will lock the door and hand in the key to the duty policeman who will replace it on the key rack.

From "lights out" till reveille.

It is essential that keys of all bedrooms in the Genova and Vaccari Hotels are left hanging on the hooks provided outside the door at night-time, when the occupants are asleep. In the cases where keys are not provided, the door may be closed but not locked on the inside. This is to facilitate an easier roll call at night, and if it is impossible to open the door the occupants either have to get up out of bed and open it, or be booked absent.

543. DISCIPLINE (GENERAL)

The following are extracts from a letter on "General Discipline" received from RAAC, and the importance of bearing in mind all points mentioned is emphasized to all ORs of this Detachment:-

(a) Absentees

The number of absentees picked up in Rome Area during the last few weeks has been considerable. The co-operation of all ranks is necessary to ensure that Rome shall not become such a hot-bed of desertion-prime as have other cities. Before giving lifts to service personnel, it is the duty of all ranks to satisfy themselves as to their bona-fides.

(b) Theft of Vehicles

The loss of W.D. and requisitioned vehicles in the future will be even more severely dealt with.

(c) Unauthorized Lifts to Civilians

This has resulted in known enemy agents quite easily getting about the country, and so more easily securing valuable information. Civilians may only be transported when in possession of an authority signed by an officer.

(d) Thefts from Vehicles

It is emphasized that when anyone besides the Dvr is travelling in a truck, that person shall always be in the back of the vehicle to safeguard its contents.

(e) Thefts from Quarters

ORs are reminded not to leave odd articles of clothing and personal belongings, etc., about. Prevention is better than cure.

(f) Dress, Saluting, Bearing

It is particularly desirable that in the Capital City of Italy representatives of the British Army shall set the highest example. There are still too many lapses and the fullest co-operation of all ranks is expected to maintain the high standard of bearing on which the British Army has always prided itself.

(g) Passes

All ORs are reminded that they must be in possession of a pass issued by their unit, authorizing their presence in Rome.

544. PRIZE COMPETITION (RAAC)

Ref DR0 422 dated 29 Sep 44.

Competitors are reminded that entries must be submitted to the British Orderly Room not later than 9 Nov 44 for onward transmission to British Army Education, Rome Area Command.

Winning entries will be published, exhibited or broadcast on British Forces Radio.

GRO 805, S/N 40, dated 6 Oct 44, is republished hereunder for the information and guidance of all concerned:-

GRO 653/44 is cancelled.

1. An "all air" Air Letter service via Ceylon to Australia and New Zealand is now available to all personnel serving in this Command up to the full ration of two Air Letters per man per week.
2. The postage rate is 3d or the equivalent in local currency. British or Empire stamps will be used.

473. MEDICAL (BLOOD DONORS)

DRO No 420 dated 29 Sep 44 is republished for information of all ranks at this Headquarters, and it is hoped that a bigger response will be given to this subject:-

Therefore, volunteers willing to give blood for the treatment of patients in hospitals are urgently required and are requested to report to the British M.I. Room, Headquarters Building, or TELEPHONE 478096. Such volunteers will be notified as a later date where they will be required to attend for the purpose of checking their suitability and Blood Group.

474. DISCIPLINE

(a) Passes. ORs are reminded that their ACC Official Pass must be carried at all times. This is the only official means by which Unit policemen can allow entry into any ACC building or billet.

(b) Pillows. Owing to the persistent stealing of pillows that continues in both the Hotel de Genova & Vaccari, the proprietors have been instructed to withdraw all pillows.

It is regretted that the majority have to suffer in this way, but the difficulty experienced in tracing the culprits makes it impossible to allow them out on issue any longer.

Chief Clerks of Sub-Commissions, Departments, etc., will submit to the British Orderly Room by 1800 hrs Friday, 13 Oct 44, a roll of ORs of their department who desire to take advantage of this, with the dates required, where possible.

Where too many applicants apply for the same period, date of last leave will be the deciding factor. Where no date is submitted, names will be fitted in to fill existing vacancies.

It is pointed out that this leave will be spread over a period of 3 months and owing to the restriction that not more than 5% of the Detachment will be on

The following extracts from GAO 774, S/W 39, dated 29 Sep 44 and appendix thereto, are published for information:-

1. To provide further facilities for the purchase of National Savings Certificates by soldiers, it has been decided that for this purpose remittances may be made for the sum of 15s Od or any multiple of 15s Od from credit balances on pay accounts by means of AF 01727A or AF 01727M if the soldier is serving overseas where the microgram service is available.

4. National Savings Certificates purchased under this scheme will be retained in the custody of the Director of Savings, unless an application is made by the soldier for their disposal otherwise. Such applications should be addressed to the Director, Post Office Savings Department, Savings Certificate Division, Morecambe, Lancs.
5. If for any reason, it is not possible for the paymaster to effect purchase, the soldier will be informed accordingly through his G.O.

NOTE:- Any OR interested in the above scheme may obtain further information by applying to the Orderly Room (Pay NCO, Room 14, Albergo Genova).

- (b) Even if overseas AF B2626 should be completed, because relatives or friends will be able to vote in lieu if appointed proxy.
- (c) IF YOU DON'T COMPLETE AF B2626, YOU WON'T BE ABLE TO VOTE.

365. PHOTOGRAPHY

The following extracts from RAC memorandum ref AG 004.5 dated 14 Sep 44 are published for the information and strict compliance of all concerned:-

1. General

This memorandum concerns photography in the RCEA Area only. Material contained herein is in accordance with existing British and US regulations.

2. Security

Cases are occurring in which military personnel are leaving films to be developed by civilian photographers and are also having portraits made and are then leaving their unit addresses with the request that the photographs be forwarded. This practice is strictly forbidden. The following paragraphs will explain the correct procedure for US & British troops.

3. Processing of Films for British Troops

Listed below are the only authorized photographers in ROME to whom British troops may submit films for developing and printing. Troops may leave films with these photographers, but may give their number, rank and name only. In the event that films will not be ready until after the departure of the person concerned the photographer should be instructed to deliver the films to either British Welfare, RAC, or Town Major, ROME, as the case may be, who will forward them. Their addresses are:-

Welfare (British),

Contents of this paragraph apply equally to British and US troops. As long as unit addresses are not given to portrait photographers, there is no restriction regarding establishments who do this type of work. As explained in previous paragraphs, if the work is not completed before the departure of the individual from ROME, the individual must make arrangements for the finished portrait to be delivered to Red Cross (US), Welfare (British), or Town Major, (British) or some other WD establishment for forwarding purposes.

290. RATIONS (Hospital Out-Patients)

The following is published in conjunction with RAAC HQ No. 129 dated 29 Aug 44:-
General Hospitals are not in a position to and will not supply meals to personnel attending for out-patient treatment or Specialist Examinations.
All GRS attending hospitals as out-patients will ensure that they are in possession of rations.

291. LAUNDRY - GRS

1. Geneva Hotel

All GRS billeted at the above hotel will collect their clean laundry after 1300 hrs Saturday, 2 Sep 44, from the laundry room, 1st floor (next to room 24) at that billet.

All dirty laundry will be handed in at the same place by 0830 hrs Monday, 4 Sep 44.

292. DISCIPLINE

Pillow Cases

The present state of these is far from clean and hygienic. This proves that that the present order of the blanket covering the pillow is not being observed. In view of the difficulty of being able to keep a check in so many rooms the only alternative to make sure that this order is carried out is to stop the use of them.

This will be done if the present neglect continues. If it is too hot to lay on the blanket, use a clean towel to cover the pillow. These must and will be kept cleaner, otherwise removed.

293. MEDICAL

The u/m will parade at 1400 hrs on Saturday, 2 Sep 44, outside the M.I. Room, No. 48, Basement Floor, HQ AGC, with their AB 64 Part I.

Any of the u/m due for inoculations etc., will be treated on this parade. The time of the parade is emphasized as 1400 hrs for all the u/m and NOT repeat NOT between 1400 and 1500 hrs.

222. MESSAGE FROM HIS MAJESTY THE KING.

The following message from H.M. The King has been received by the Supreme Allied Commander Mediterranean Theatre.

"I have greatly appreciated the opportunity you have afforded me of seeing so many of my Armed Forces and of those of the Allies in the Italian Theatre of War.

During the past few days I have traversed the ground from CASSINO to the present front line a distance of some 250 miles, through which, since the middle of May, the Eighth and Fifth Armies have driven a powerful and highly experienced German Force. It is true to say that the onerous has been out-generalled and out-fought. This brilliant campaign has added much to the glories of the British, the Dominions and the Allied Armies. Such success could never have been achieved without the full cooperation and powerful support of the Royal Navy, Royal Air Force and their Allied Brothers-in-Arms.

I am very pleased to have been able to see for myself some of the splendid work they are doing. Please convey to all under your command my best wishes and my confident belief that final victory will be theirs. I pray that the day is not too far distant when I shall be able to welcome you home again".

The following reply was sent to H.M. The King by the Supreme Allied Commander, Mediterranean Theatre.

"On behalf of all ranks of the British, Dominion and Allied Services it is my humble duty to convey their thanks for Your Majesty's message which they appreciated greatly. The visit of your Your Majesty to ITALY has given encouragement and inspiration to complete the task which lies ahead of them".

CARRIAGE OF CIVILIANS IN WD VEHICLES

AAI RO No. 211, S/M 22, dated 28 Jul 44, is repeated hereunder for the information and guidance of those concerned:-

1. It has been noted that considerable numbers of unauthorized civilian passengers are still being given lifts in WD transport.
2. This practice constitutes a grave menace to our security in that it seriously impairs the effectiveness of security controls designed to restrict the movement of undesirable elements.
3. It is known that enemy agents rely extensively on this mode of travel when operating behind our lines and that many have already made use of it. Of the agents so far captured no fewer than fifteen have stated that they were given lifts in WD transport either on the way to their target area, or on their return towards enemy territory.
4. All concerned are reminded that no civilian passengers may be carried in WD vehicles unless in possession of an official pass authorising such travel, as laid down in AAI RO 20 of 1944. Units and HQ will impress on all drivers under their command the seriousness of this matter and ensure that they are conversant with the current instructions on this subject.

106. POSTINGS TO HOME ESTABLISHMENT

1. A letter was recently addressed to all ranks of British units in this theatre by the Supreme Allied Commander explaining the reasons and difficulties why he cannot repatriate more personnel to the U.K. under the PYTHON Scheme, and that the recent concession allowing personnel on completion of that period of service, was all that could be done for the present in view of the difficult manpower situation.

2. An article was published in the issue of "Union Jack" dated 13 Jun reporting a statement by Mr. Anthony Eden in the House of Commons to the effect that "the bulk of those who had served over five years had returned and a start had been made with the men having four and a half years of service abroad".

3. It is unfortunate that this statement should have been made, without qualification, and published as having general application, as it is contrary to the Supreme Allied Commander's directive.

4. The qualifying period for service abroad may vary temporarily in different theatres, either because the manpower situation is less acute in one theatre than in another or because there is a difference in the time necessary to get men back to the U.K. In this theatre the directive issued by the Supreme Allied Commander states the present position.

5. As the Supreme Allied Commander states in the penultimate paragraph of his letter, the question of reducing the period of continuous service is one which he has constantly in mind, and as soon as it becomes possible to increase the homeward flow he has promised to reduce the qualifying period as much as possible.

6. It is likely that the report of the statement made by Mr. Anthony Eden in the House of Commons may cause confusion and dissatisfaction, and it is the Commander-in-Chief's desire that the gist of this letter should be made known to all ranks.
