1. It has again been brought to the notice of this Branch that the instructions laid down in this Office letter G-1H/432/OR dated 17 September 1944 (Copy attached) are not being complied with. 1. MEDICAL INSPECTIONS.

All British Other Ranks will be medically examined before leaving their permanent station or being posted or attached elsewhere. The result of the medical examination will be recorded on the Sick Report (A.F. 5256), a copy of which will be forwarded to the new Region or Formation to which the O.R. is ordered to report.

In connection with the above, the attention of all concerned is directed to "Regulation for the Medical Services for the Army" Para 180 Sub-Para (a).

2. PAY O.Rs.

Sufficient attention is not being paid to the State of British O.Rs' accounts with the Paymaster by the responsible officers in Army A.M.Gs. and Regions.

The attention of all British Officers is directed to their personal responsibility in this matter. In the absence of official knowledge of the State of a soldier's account, an officer has no authority to make a payment in excess of the net rate of pay shown in AB 64 Part II. If he does so, he may be called upon to make good from his own pay, any resulting loss to the public. The write-off of a debt on a soldier's account does NOT preclude subsequent consideration of whether the officer or officers responsible for the over-payment should make good the loss of public funds.

1. It is desired to recommend the a/m NCO for promotion to S/Sgt. It is appreciated that he is a comparatively Junior Sgt. and that few vacancies are available but it is requested that he may be considered when a vacancy does occur, in view of his excellent record with this Branch and nature of his work.
2. Sgt. Starkes has proved himself to be highly efficient, industrious and reliable and possesses good judgement and tact; as there is no other Allied personnel on the staff of the G I/o Haven- na Patriot Centre, he is obliged to assume responsibilities and carry out duties which would not normally be required of an NCO of his rank.

The reason for my reverting from S/S Sgt. is as follows.

In April 1944, owing to an urgent need of A.T.S. GP Clerks overseas, a War Office letter was issued to all A.T.S. Boys in the U.K. inviting volunteers to revert in rank as senior M.C.O.s were not then required. Dear Senior Commander Morrison - Bell,

Arising out of our conversation yesterday
I shall be very grateful if you will be kind
enough to send us a Sergeant A.T.S. I understand
that she can be comfortably billeted at the E.F.I.
mess where the N.A.A.F.I. girls who are also in
the A.T.S. are staying;

With very many thanks.

Yours sincerely
