SUBJECT: Personnel for the Patriot Offices.

TO : TUPR with 100 Patriot Branch.

F... of 36/35

The complex and delicate work laid down in Circular 36/35 of 16 May requires a larger staff than the one so far employed in the Toscana Patriot Offices (one TUPR and one typist).

It is my opinion that the following is the necessary staff:

- One TUPR, chief of the office and responsible for the working of the office and whose responsibility it should be to collect, summarise and forward all reports concerning the operational activities, recommendations for rewards, recommendations for recognition of officers' ranks, classification of active patriots, collaborators etc.
- A clerk to collect and forward all applications for direct and indirect pensions (about one thousand in the Florence province).
- One cashier for payments of subventions (in Florence Province they have been estimated to over 40,000,000, 15,000,000 for the dependents of the dead, 7,000,000 for the wounded, 20,000,000 for others); The administration of such vast sums of money requires one responsible person with no other work to do.
- One typist.

We wish you would examine the above matter and issue the necessary instructions.

The matter should be treated as urgent because notwithstanding all possible good will the TUPRs in present conditions cannot adequately handle all such work.

OGGETTO: Personale Uffici Patrioti.

ALL : TPR presso Uff. AO Patrioti Branch, A20 304

Il complesso e delicato lavoro stabilito con la circolare 36/PAT 16 luglio richiede un personale più numeroso di quello impiegato fin'ora normalmente negli Uffici Patrioti della Toscana. (Un TPR ed un dettalografo).

Il personale a mio parere strettamente necessario a risolvere in modo proprio detto lavoro è il seguente:

- Un TPR Capo Ufficio Responsabile del buon andamento di tutte le pratiche che si svolgono in Ufficio e che si interessano in particolare al quanto riguarda l'ammministrazione locale, civile, ecc., inoltre l'attività di ricerca, l'attività di informazione e prima valutazione riconoscimento gradi, classificazione in Patriota attivo e collaboratore ecc.
- Un impiegato incaricato di raccogliere ed inoltrare tutte le pratiche inerenti le pensioni dirette ed indirette (nella provi che di Firenze si aggrano sul rigliato).
- Un cassiere incaricato della corrispondenza dei sussidi. (Nella sola provincia di Firenze questi rientrano in bilancio di oltre 40.000.000 con gli ultimi aumenti 15.000.000 circa per i caduti, 7.000.000 per i feriti 20.000.000 per gli altri patrioti con loro e con più di tre mesi di attività pendente). Per anni, mantenere una somma così rilevante e necessaria una persona esperta, altamente incaricata e che non abbia da svolgere altre attività.
- Un dettalografo.

Si prega di prendere in esame detta questione e di voler emanare direttive al riguardo.

La premessa ha evidente carattere di urgenza poiché con tutta la buona volontà del TPR non riescono a svolgere nelle attuali condizioni, tutto questo lavoro in modo appropriato.

Mass. Giulio Tarrosi
T.P.R.
Toscana Region

Il personale a mio parere non è il peggiore: ci occorre in modo ordinato detto lavoro.

a) Un I-PR-Capo ufficio Territoriale del buon andamento di tutte le pratiche che si svolgono in ufficio e che si interessano in particolare di questo riguardo per l'ordinamento generale, come la prima valutazione riconoscimento gradi, classificazione in Patriola attivo e collaboratore ecc.

b) un impegno incaricato di raccogliere ed inoltrare tutte le domande inerenti le pensioni dirette ai reduci (asile provvisoria di Firenze si gestiva sul vigiliato).

e) un cedolare incaricato delle corrispondenze dei sussidi, (nella sola provincia di Firenze questi richiedono un bilancio da oltre 10.000.000 con ali ali) i sussidi 10.000.000 circa per i caduti, 7.000.000 per i feriti 20.000.000 per gli altri partigiani con meno e con più di tre mesi di attività partigiana). Per altri, distribuire una somma così rilevante e necessaria per persona e per: attivamente incaricato e che non abbia la solenne di tre attività.

(v) $\mathcal{A}$ and $\mathcal{B}$ are $\mathcal{C}$ -isomorphic.

• Quidam sunt qui dicunt quod non est deus, sed quod est nihil.

La premessa ha evidente carattere di urgenza poiché con tutte le buone volontà gli italiani non riescono a svolgere nelle attuali condizioni, questo stesso lavoro in modo appropriato.

In connection with the complet work laid down under directives of circular ref. 36/PAI, dated 18 May we point out that in following provinces there is no IMPR to do such work.

The provinces are : Arezzo, Grosseto, Livorno, Pistoia.

In due time the representatives in the above provinces were released because the first work of issuing the Alexander certificates had been completed, and, funds missing, compensations could not be paid.

The presence of an IMPR in the above provinces, to complete his work in accordance with the above circular, and with amendements to the Scales of compensation as by signal 9153 is necessary.

Concerning facilities for the above representatives, such as transportation (bills, rations etc.) we will bring the matter to the attention of the Prefe is, in order that within possibilities they should endeavour to maintain the above facilities.

OGGETTO Rappresentanti dei patrioti per la Toscana.

In risposta alla lettera sopraindicata, si comunica che è intendimento di questo Ministero ridurre al minimo le spese per il funzionamento dei servizi relativi all'assistenza ai patrioti.

In omaggio a tale direttiva, questo Ministero, per le provincie passate all'Amministrazione italiana, intende avvalersi dell'opera dei rappresentanti militari dei patrioti per il minor tempo possibile in rapporto particolarmente alla durata di funzionamento delle commissioni provinciali investite dell'assistenza ai patrioti.

Quanto alle facilitazioni concesse a detti rappresentanti, mezzo di trasporto, (alloggio e supplemento viveri) non si mancherà di interessare i Prefetti perchè, nei limiti del possibile, provvedano alla conservazione.

Quanto alle razioni viveri ai centri di raccolta, si è di opinione che sia questione che investe la competenza del Ministero della guerra.

This recommendation was made personally by Maj. Green, Regional Public Safety Officer to Toscana Region, during his recent visit to Rome.

I have personally checked the authenticity of the statements of the formation leaders, and found them to be true.

2/Lt. GALLETTI, whose pseudonym was NET, is well-known amongst the patriots of Apuania and he can be of great assistance to Lt. MELOSI.

We enclose a copy of the answer to the queries made by the Livorno Prefettura concerning the patriots of the province.

The opportunity of sending an I.M.P.R. to do the work foreseen in circ. 36/PAT dated 18 May, which anyhow sooner or later will have to be done, appears.

The presence of an IMPR will prevent patriots who do not receive any assistance, helping themselves, or should endeavour to obtain assistance through non authorized organisations.

As mentioned in the attached letter to the Prefettura, the IMPRs who were sent up in September, not considering their appointment as necessary, left their post. At the time there was no IMPR at Regional HQs. and therefore the work was done in its greatest part by Lt.Gori, IMPR for PISA.

All' I.M.P.R., Headquarters, Allied Commission.

Si trasmette copia della risposta ai quesiti fatti dalla Prefettura di Livorno in merito alle questioni riguardanti i Patrioti di quella Provincia.

Si prospetta l'opportunità di inviare presso detta Prefettura un I.M.P.R. per compiere il lavoro previsto dalla 36/PAT 18 maggio che comunque prima o poi sarà necessario affrontare e risolvere.

La presenza di un I.M.P.R. tenderà ad evitare, quanto meno, che i Patrioti non assistiti tendano a fare da sé o attraverso organizzazioni non riconosciute.

Come è detto nella lettera allegata diretta alla Prefettura, i Rappresentanti dei Patrioti inviati a Settembre non considerarono necessaria la loro presenza e si autocongedarono. In quel periodo non esisteva un I.M.P.R. presso il Comando Regionale e quindi il lavoro che era da compiere fu svolto, in parte, per iniziativa dell'I.M.P.R. di Pisa Ten. GORI.

Major Baroni, Italian Military Patriot Representative at HQ Toscana Region, has pointed out that when in the near future the above Region will be returned to the Italian Administration, it will be necessary to examine the position of the Italian Military Patriot Representatives, who, not having completed their work, should hold their posts.

Your Ministry, in due time expressed his view on the matter, i.e. you agreed that the above officers should be transferred to the jurisdiction of the local prefects.

It is requested therefore that Major Baroni may be informed on the following points:

TRANSLATIONSTRICTLY CONFIDENTIAL - PERSONAL
Rome, 30 May 1945.

From : Ministry of Occupied Italy Cabinet.

No. : 1339/D.1/2

Ref : 36/3/PAT dated 7/4/1945.

Subject : Provincial Commissions.To the Director of Patriots Branch, A.C.,
Rome.With reference to the above mentioned letter, Dr. Pertusi's answer,
received only to-day, reads as follows:

"The Provincial Commission was regularly instituted during the month of January last and it will shortly be closed down because the reasons for its existence no longer exist."

At the same time we should be glad if you would inform us, strictly confidentially, if it is true that Allied Commission has carried out Special investigation concerning Dr. Pertusi, and if so, what have been the results.

May the matter be treated as strictly confidential, and would you let the Minister H.E. Scoccimarro, have the answer concerning Dr. Pertusi.

With thanks,

The Chief of Cabinet.

NOTE FOR DIRECTOR.

Soon after the institution of the Ministry of Occupied Italy, reports were received here from Florence and from IV Corps that Dr. Pertusi, of the Ministry of Occupied Italy was carrying out patriot work in the Toscana Region. IV Corps even asked if Patriots Branch was aware of Dr. Pertusi's activity.

The undersecretary at the Ministry of Occupied Italy, Medici, was asked who Pertusi was and who had appointed him.

Medici stated that the appointment of Dr. Pertusi was not official because the personnel of the Ministry of Occupied Italy had not yet been approved. It would however be approved as soon as possible, and eventually made official by the Ministry of Occupied Italy.

As far as this liaison office knows, no investigation has been made concerning Dr. Pertusi, whose work seems to have been entirely satisfactory.

(Patriots Branch).

1. I am informed by the Regional Patriot Representative Major TERROSI that Major ARVICO Giacinto, Italian Military Patriot Representative for Florence left his office in Florence two weeks ago and went to Rome ostensibly to obtain from the Ministry funds necessary to complete payment of subsidies to wounded patriots and to families of dead patriots in his Province. Since then nothing has been heard of him.

2. Attempts have been made by telephone to contact Major ARVICO at Rome as his presence is urgently required at Florence; it is understood that Colonel FAVA, Patriot Representative attached to H.Q. A.C. Patriots Branch has not seen him.

3. The only person left in charge of Major ARVICO's office is a typist who received orders from the Major not to pay any subsidies during his absence.

4. Many patriots who are on the point of going northwards are in need of their subsidies before leaving and Major TERROSI has therefore, in the absence of Major ARVICO authorised the payments of subsidies urgently required.

5. It would be appreciated if any information can be given as to why Major ARVICO should be absent from duty in this fashion and whether this visit to Rome was authorised from your office.

6. Major ARVICO it is understood is a sick man and apart from this period has been away from his office quite a deal through sickness. At present there still remains much work to be done in Florence by an Italian Military Patriot Representative who is willing to do it and it is suggested that it would be as well if a substitute could be provided for Major ARVICO as soon as possible.

In order that the Italian Military Patriot Representatives detached with the Allied Provincial Commissioners in the Toscana Provinces should be informed of the Allied policy concerning patriots in Northern Italy, I have sent them a translation of the circular ref. 94/PAT dated 7 April 1945.

The work which still remains to be done in these Provinces (excluding Apuania which has been recently liberated) is the payment of compensation and subsidies to the Patriots according to instructions from the Italian Government.

These Representatives had previously received the necessary funds from the Patriots Office of Via Caroncini, but further funds will be required to complete the payments .

I have instructed the representatives, as will be seen from the attached letter, to enclose in their next weekly report a statement showing the funds they have received and the amount that will be needed to complete the payments.

Could your Office kindly inform if the Prefettura of the respective provinces should supply these funds.

Al fine di orientare i Rappresentanti Militari Italiani dei Patrioti presso i Commissari Provinciali Alleati nelle Province della Toscana circa il trattamento che gli Alleati intendono usare nei riguardi dei Patrioti dell'Italia Settentrionale, ho inviato loro una traduzione della circolare n. (94) Pat. del 7 Aprile 1945.

Il lavoro che resta da ultimare in queste Province, ad eccezione di Apuania da poco liberata, e' quello riferentesi alla corresponsione dei sussidi ed aiuti a favore dei Patrioti stabiliti dal Governo Italiano.

Detti rappresentanti hanno precedentemente ricevuto le somme occorrenti dall'Ufficio Patrioti di Via Caroncini; ma necessitano di ulteriori somme per completare i suddetti esborsi.

Ho chiesto ai Rappresentanti, come appare dalla lettera allegata di unire alla prossima Relazione Settimanale uno specchio da cui risultino le somme avute fin ora e quella occorrente per completare i suddetti pagamenti.

Codesto Ufficio potrebbe precisare se le Prefetture delle rispettive Province debbono fornire dette somme.

MEMORANDUMRef 112^A

The institution of a Branch or Section of "Associazione Nazionale Partigiani d'Italia" at Arezzo is warmly recommended, particularly at the present time, when the Italian Military Patriot Representative having completed his work, has been recalled.

It is pointed out ~~though~~ that the one and only organisation of partisans that has received the recognition of the Italian Government is the "Associazione Nazionale Partigiani d'Italia".

No other associations are recognized by the Government which has taken restrictive measures with regard to them, and their activity is not to be encouraged.

1. In January of this year the Patriot Representative Arezzo Province made application to the Provincial Commissioner A.M.G. for permission to open a branch office in the town of Arezzo of the National Associations of Partisans.

2. At the time the application was made the Provincial Commissioner was not greatly in favour of granting permission as the area was then not too settled and he did not consider it desirable to encourage organisations which might become centres of unrest - the matter was therefore allowed to lie.

3. It has since been ascertained that such branches have been opened up in other Provinces and it is thought that approval might be given in this case.

4. Before giving such approval however it is desired to know whether there is any general policy regarding such Associations and whether it is thought that they should be encouraged or otherwise. A

1. Ref your RVIII/110/20 dated 18 Apr 45.
 2. Para. 3 of our letter 36/3/PAT of the same date, which you will have received by now, answers the point raised by you. Your difficulties are fully appreciated, but G-1 (B) state that with the present shortage of Officers it is impossible for them to allot any officers for Patriot work.
 3. It is pointed out however that with the rapid advances of the Allied armies, the Patriot problems in your area should decrease considerably in the near future.

1. In view of the present military operations and the situation with regard to personnel assigned to this Region I should like some indication of what measures are contemplated to supervise the administration of the two Patriot Centres at (a) PESCIA and (b) FLORENCE when the Provinces of FLORENCE and PISTOIA are handed over to Regional control.

2. The establishment of officers of this Region does not permit of an officer being detailed for this duty and all the officers earmarked for AUSTRIA are busily engaged and likely to remain so until such time that they are called to their new duty when the responsibilities of the assigned officers will be increased considerably.

It is thought that the work of the Patriot Representatives in Florence must be nearly completed, and we do not therefore see any object in setting up a provincial Commission there unless there are special reasons for such a Commission in which case may they be communicated to this office please.

It has been reported that the women Patriots Home in FLORENCE has been set up without awaiting the necessary approval of the AMG. If so would you kindly inform us why the established procedure has not been followed.

At the present state of the activities of our office, and in view of the fact that the duties of the representatives have been greatly reduced, it is suggested that the work would now be carried out better by the military representative alone, rather than by two individuals with different views and that the civil representative in this province could, therefore, be withdrawn.

Allo stato attuale dell'attività che il nostro ufficio svolge in questa Provincia, ed in considerazione dell'esaurimento di quei compiti per cui i problemi riguardanti i Patrioti richiedevano l'azione di due persone di diversa mentalità, azione che, per i limiti entro cui è ora costretta, può essere con più competenza svolta dal solo rappresentante militare, rimetto alla S.V. l'esame dell'opportunità o meno di una ulteriore permanenza del rappresentante civile per il Patriots Branch di questa Provincia.

Rimango a Vostra disposizione per ogni decisione in proposito pregandovi nel frattempo di considerarmi dimissionario con possibile congedo alla data del 28 prossimo.

Vogliate accettare le mie espressioni di somma gratitudine per le facilitazioni e l'appoggio morale e materiale ricevuto da Voi direttamente o indirettamente dai Vostri collaboratori di questa A.M.G. permettendoci il libero ed efficace assolvimento dei compiti che l'ufficio si proponeva.

SUBJECT : Stolen motor car.

I wish to report that on 16 February 1945 at about 1900 hours, the motor car Fiat 1100 assigned to me as Patriots Representative for the Lucca Province, Licence plat N. Lu.6557, Chassis No.219701, Engine No-22058, AC.VIII., painted black, missing of the rear shock absorber, with the hinges of the right hand rear door damaged, was stolen from Via Prastelli Bandiera 38 (Monteverde) residence of the relatives of the undersigned.

The driver Mercante Nicola had left the motor car for a few minutes, having removed the switch board key.

Previously to stealing the car, the thieves had tied with a piece of wire the gate of the house in which I was. I immediately reported the theft to the Italian police, Commissariato Monteverde, and to the American Police Headquarters at the Collegio Romano.

TO : H.Q., A.C. Civil Affairs Section, Patriot Branch.-

Reference is made to your 36/3 PAT of

26 Dec. 1944.

The letter of 8 Dec. ^{26B} from the Provincial Finance Officer of this H.Q. specifically asked if H.Q. authority could be given for the payment of these travelling expenses as such payments were not authorised by the "Memorandum "Employment and Payment of Patriot Representatives" 13196 F dated 31 October 1944. Your letter of ²⁶ 26 December does not answer this point; I am quite aware that ²⁶ Trombetti was working at this H.Q. at the time, that is why the bill for those expenses came here; but no authority exists for payment of the expenses incurred by his driver whilst travelling on duty with him.

1. From the weekly report of the Patriots Representatives for Pistoia, covering the period 29 Dec. 1944 to 3 Jan. 1945, it appears that, following the information of the Patriots Centre, in Pistoia, the activities of Patriots Representatives have been considerably decreased. The majority of the work is apparently done by the Pistoia Patriots Centre, which is better equipped and prepared for it. Furthermore, it appears that friction has arisen between the Pistoia Centre and the Pistoia Reps.

1. With reference to your communication dated the 4th January 1945, reference No 36/3/32/PAT relative to the above subject, I have to inform you that Major Arvigo reported to me this morning.

2. In view of the fact that he is replacing Major Terrosi, I have instructed him to report to Lt. Col. Rolph, Provincial Commissioner of Florence. It seems that there is some mistake, because, to the best of my knowledge, Terrosi never had been under my command, so I am rather at a loss to understand why Arvigo was instructed to report to me.

3. I further have to inform you that Colonel Sansone reported to me to-day that he has received instructions from Rome to return there forthwith and that he was being replaced by Lt. Col. Gino Zappelli. As I was given to understand that Col. Sansone was under my command, I am at a loss to understand why I have not been informed that he was being replaced.

4. I find the whole of the Italian officer position extremely difficult to follow, especially as in the case of Arvigo Giacinto he was sent up here without any instructions as to what he was to do whatsoever. In point of fact, most of the officers who have reported to me from Rome have had no instructions and it was more or less left to me to organize them in some kind of unit. As you will no doubt see, it is extremely difficult for me to make a decision in the case of Arvigo. On one hand he is told to report to me personally

on the other hand he ~~is~~ told that he is to replace Major Terrosi,

1. Reference your SD/265 dated 8 October 1944.

2. It is at last possible to submit some definite information as to the arrest and detention of the undermentioned Patriot Officers:-

Capitano	TORRINI, Luigi
Tenente	TORRINI, Clito
Tenente	ROSSI, Aldo
S/Ten.	ANTIOCCHIA, Corrado di Antonio

The above were detained by 509 Provost Coy C.M.F. and their movement, plus a change in P.P.S.Os. and bad communications, is responsible for the delay.

3. The present position (vide report from P.P.S.O. dated 19 December, 1944) is that Capt. TORRINI, who had been wounded in Florence was allowed to proceed to Rome, No. 53 Napoleone III Street, under Doctor's care where he can be found and that S/Ten. ANTIOCCHIA, who had been suffering from typhoid, was allowed to proceed to his home at No. 13 Monte delle Rose Street, Rome, for convalescent treatment.

4. It is reported that both were directed by Capt. FIELDING, the then P.P.S.O. to report to Patriot's Section, A.C. - H.Q.. Presumably by now they have already done this.

5. There is no suggestion or confirmation any where as far as can be ascertained that any of these officers were ill-treated in any way, in fact Ten. TORRINI and Ten. ANTIOCCHIA were both lodged in a hotel whilst Capt. TORRINI proceeded to a hospital for treatment.

6. Ten. TORRINI is still acting as Patriot Officer in Arezzo and the case is still awaiting trial by the Italian Military Authorities.

7. Both vehicles were restored to the officers concerned, whilst the property is in the custody of the Guardia di Finanza.

8. There appears to have been a lot of loose handling of property, rations and petrol in this case and which might be described as typically Italian. These officers therefore have no one to blame but themselves for the difficulties they found themselves in.

F. The Commanding Officer of the CC.RR. in Arezzo Province Major ASSUMMA reported this case on 30/Sept./44. to this same Headquarters in Florence. He has written five other letters to this same Headquarters after that date about this case and has never received a reply. This last seems to be the hold-up in the case, as it seems to me to be proper to report a case against the Italian Military thru the CC.RR.

The first car was driven by Lieut; Clito TORRINI., and the second by Lieut; Aldo ROSSI. With Lieut; TORRINI., as passenger, rode 2/Lieut; ANTICCHIA, and with Lieut; ROSSI., rode Captain TORRINI., and Rutilo RUTILO.

Both cars contained civilian merchandise and W.D. property.

R.S.M. PRESTON., was unable to satisfy himself with the various documents and explanations proffered and the cars and passengers were detained at 509 Provost Company, C.M. Police., pending further investigations.

----- 2 -----

These persons were questioned and it was found that the civilian had no authority, in the form of A.M.C., permit, to travel, neither was the identity of the Italian Military personnel proved satisfactorily.

I interviewed Captain and Lieut; TORRINI, who are brothers, at the S.I.B., Office, AREZZO, on Thursday, 28th September, 1944, and recorded their statements.

Captain TORRINI, described himself as being an officer of the Italian Patriots Branch, and was travelling from FLORENCE to ROME on duty. This has been confirmed by Major B.L. DRAGE, of the A.C.C., Patriots Branch. He states that he was asked by Rutilo RUTILI, a friend, if he would take him to ROME. He agreed but did not get the necessary travel permit.

When he started from FLORENCE, on Saturday, 23rd September, 1944, Captain TORRINI, was in company with Lieut; Aldo ROSSI, whom he describes as Driver-Orderly, and RUTILI. He permitted RUTILI, to load into the car a case containing silk stockings and other articles.

Captain TORRINI, also carried in the car six rolls of cloth which he states were purchased on behalf of the Ministry of War, Ragrupamento Bande Esterne, ROME. (Colonel BARNABO) The purchase is not confirmed by Colonel BARNABO. (see statement attached) nor Adamo BINI, cloth dealer. (statement also attached)

The fact that the transportation of a civilian without a pass and civilian merchandise, is not in order, has been acknowledged by Captain TORRINI.

The car is on charge of the Ministry of War, ROME, and documents to that effect were produced by Captain TORRINI, and examined by me.

When the car and passengers reached AREZZO, Captain TORRINI, called on his brother Lieut; TORRINI, at the Patriots Branch H.Q., in that town. They had previously arranged to travel to ROME together and for that purpose were to use another car.

Lieut; TORRINI, was using a car also on charge of the Ministry of War, ROME, and this car he had ready, loaded with various articles. 2/Lieut; ANTIOCHIA, attached to the Commissario Provinciale

has been confirmed by Major B.L. DRACE, of the A.C.C., Patriots Branch. He states that he was asked by Rutilo RUTILI, a friend, if he would take him to ROME. He agreed but did not get the necessary travel permit.

Captain CAMERINI, also gave to Lieut; TORRINI, a large box of books, about 250, to deliver to his brother in ROME.

2/Lieut; ANTIOCHIA, it may be seen from his statement, received various un-censored letters and postcards from Partisans to post in ROME.

Sheet three.....

--- 3 ---

These postcards and letters were handed to Captain FIELDING., Public Safety Officer, AREZZO., as was all the property in the case.

I have been unable to ascertain the need for the journey to ROME., of 2/Lieut. ANTIUCHIA., or Lieut. TORRINI., but it would appear that the latter was making use of his car for his brother, in which to carry the merchandise.

No authority was given for the issue of rations to Lieut. TORRINI., and Captain CAMERINI., is being dealt with by Captain FIELDING., under whose direction he is employed.

It has been necessary, during this enquiry, to have enquiries made in ROME and FLORENCE., and from statements obtained from these places it may be seen that the information contained therein, in parts, is not consistent with the statements made especially by Captain TORRINI.

The Italian civilian Rutilo RUTILI., was charged before an A.M.G., Court at AREZZO, for travelling without permit and was fined 500 lire. His merchandise has been handed over to the Public Safety Officer, AREZZO, pending further enquiries.

The A.P.M., 55 Area, directed that the Officers concerned would hold themselves at the disposal of A.M.G., and the Military Police in AREZZO., pending the completion of enquiries., but since the detention of 2/Lieut. ANTIUCHIA., in hospital suffering from typhoid fever and his subsequent discharge, it was found necessary, on the doctors advice, for him to proceed to ROME., in which place he could receive convalescent treatment at his home 13 Via Monte Della Gioia.

Captain TORRINI., who was also receiving treatment from the doctor for wounds, was allowed to proceed, after he had tendered a doctors certificate, to 53 Via Napoleonne 111, ~~XXXX~~ ROME., where he can now be located.

Lieut. Aldo ROSSI., is described as an officer of the Partisan Army, Divisione Potente, (Via Arno) and appears to have been acting under

direction he is employed.

On the 1st September. 1944, whilst in FLORENCE I was wounded by mine and was sent to Hospital. With me at the time was an officer of the American Army who was killed and it was only through the action of Lieut. RUTILLI., that I was saved from the burning house., after the explosion.

Lieut. RUTILLI., returned to ROME., to report to the Ministry of War what had happened and later his brother returned to FLORENCE to see me.

Rutilo RUTILLI., (Civilian) asked me if I would take him to ROME. I agreed and then I asked Major DRAGE., if it was possible to take him. He said that it would be alright but did not give me any written permit.

Accordingly on the 23rd September. 1944, I loaded onto my car a case (containing silk stockings) at the house No.8 Via Tornaboni, FLORENCE. We then set off for ROME. The driver Aldo ROSSI., is my driver orderly.

The bales of cloth were purchased from BINTI., of PRATO, near FLORENCE, on behalf of the Ministry of War, Raggruppamento Bande Esterne, ROME. (Colonel LANNABO)

I realize that the transportation of the civilian and civilian merchandise is not in order. The fact that I spoke to Major DRAGE., should have been substantiated by authority for the civilian.

There was also a civilian and a soldier in the car. My brother asked me if I would take some of the bales etc, to ROME in my car. I am an Officer of the Partisan Army, and it is my duty to maintain contact between the Division to which I belong and other units of this Army.

I live in Florence and I have fought the Germans as a Partisan. During this time I saved the life of Captain TORRINI. He belongs to the Italian Army and because he was wounded I became his driver.

On Saturday 23rd. September 1944., Captain TORRINI asked me to drive him to ROME. RUTILLI Rutilio, a civilian, was also coming with us. I had a pass given to me by Major DRAGE.

When I went to the garage to get the car I saw that there were six bales of cloth in the back. I asked Captain TORRINI to whom they belonged. He answered that they were his and that he was taking them to the Ministry of War in ROME for the Patriots.

Later when we picked up RUTILLI, I saw him put in the car a box covered with a sack, two packages, and a little yellow Valise. I did not notice what they contained. I had with me a valise in which was my own clothes. I had obtained 70 or 80 litres of Petrol from an English Military garage in Florence. A chit to draw this Petrol, was given to me by Major DRAGE. We then left for Rome.

We stopped in AREZZO for about an hour, and were fed at the Carabinieri. The bales of cloth were taken from our car and put into another car belonging to Lieut. TORRINI. He was going to Rome with us, in his car, and 2/Lieut. ANTIOCHIA was accompanying him.

We then continued on our way to Rome, and when we reached CASTIGLION FIORENTINO were stopped by the English Military Police. They searched the car, and it was then that I saw that there were silk stockings in the box

1. Reference your 36/3/PAT dated 12 Dec 44.
2. In reply to enquiries made, PC, PISTOIA gives the information that on receipt of this HQ Special Order No 146:-
 - a Arrangements were made immediately with AMG, Fifth Army for Ten.Col.VASCIMMINI to proceed to ROME by their courier service the next morning, Saturday 9 Dec 44. With these arrangements, completed, Ten.Col.VASCIMMINI was then instructed to be prepared to move at 6 a.m. the following morning, 9 Dec 44, and to proceed to AMG, Fifth Army to catch the courier to ROME. The early hour was chosen in view of the very bad state of the roads at that time.
 - b I therefore maintain that Ten.Col.VASCIMMINI was not treated in a very uncereemonious fashion, but was treated exactly the same as any Allied Officer would have been under the same circumstances.
3. The movement of Ten.Col.VASCIMMINI was rather hurried, but he received the same treatment as an Allied Officer would have received in like circumstances. This is third complaint made by Ten.Col.VASCIMMINI to come to my attention. I have had none from any other Patriot Officer. He seems to be given to complaining.

SUBJECT : Travelling allowance for Patriot Representatives.

TO: S.F.O., A.M.C. , 5th Army.

One of the local Patriot Representatives recently went to Rome on official business and has put in the attached claim for re-imbursement of expenses incurred by his driver whilst on the journey and during the stay in Rome.

The memorandum, "Employment and Payment of Patriot Representatives", 13196/F, dated 31 October, from Finance Sub-Commission does not deal with the question of such expenses but only with pay of the Representatives and payment of hire of motor vehicles.

It is possible that the travelling allowance provided by Estab. Memo n. 30 H.Q. A.C. dated 10 Nov. 44 may be claimed by the driver but in view of the fact the payments made on behalf of Patriot Representatives are subsequently recovered by A.C. from the Italian National Patriot Committee, I think we should have H.Q. authority before making any payments of travelling allowances.

MEMORANDUM FOR COL. SPICER.

I have spoken this morning with Ten.Col. Vasciminni, whom I have known and appreciated for many years. He told me what follows :

1. I was appointed Military Representative of the Patriots on the 8 September and have begun my work following the instructions of A.C. Patriots Branch.
2. Upon arriving at Pistoia the circumstances I found were difficult because many ~~of the~~ bands of my area were and are still operating side by side ~~of~~ with Allied Troops. I could only get in touch with the Chiefs of those bands that had been disengaged from the fight and I saw to their rehabilitation into civilian life and to the screening of Patriots.
3. I then saw to the institution of the Comunal Committees for the assistance, and to the classification of the Patriots in the following Communes:

Pistoia, Montecatini, Monsumanno, Serravalle, Pieve, Ponte Buggianese, Borgo Buggiano, Agliana, Montale, Lamporecchio, Sarciano, Margliana, Massa Cassile.

Comunal Committees must still be set up at S. Marcello, S. Eugo Pitellio, Tizzano and Cutigliano. Their work has not been completed for lack of time, and because at ~~that~~ time some of those places were still controlled by the enemy.
4. To this day about 600 certificates have been issued in this province. Another 500 must still be issued because we have not yet received the prescribed documents and because in certain Communes it has not yet been possible to institute the Comunal Committees.
5. Because of the special situation of the province the work could not proceed with more haste, and as Ten. Col. Vasciminni was being continually pressed by the

2579

- 2 - 12A

Provincial Commissioner he addressed himself to the Regional Commissioner who asked the Provincial Commissioner to be patient as is shown by the former to the latter's letter which I enclose. I believe that the nature of this letter was such as to cause the recall of Ten.Col.Vasciminni.

In conclusion, considering that there still is some work to be completed, and that the substitution of Ten.Col. Vasciminni would hinder the work which was begun and nearly completed by him, may I suggest that the possibility of sending Ten.Col.Vasciminni back to finish his work in the Pistoia Province should be considered, if such a solution should not hurt the susceptibility of the Pistoia Provincial Commissioner.

Anyhow I await your decisions on the matter.

Should you decide to substitute Ten.Col.Vasciminni the name of a substitute has been requested to the I.N.P.C. Patriots Office, and in such case I would recommend him as C.O. for one of the six reception centres.

memo for Col Spicer

18
15 Dicembre 1944.

Ho parlato questa mattina col Ten.Col. Vasciainni che conosco ed apprezzo da molti anni. Egli mi riferisce:

1. Sono stato a Pistoia quale Rappresentante militare presso l'A.M.G. di Pistoia il giorno 8 settembre ed ho iniziato immediatamente il mio lavoro secondo le direttive impartite dall'A.C. Patriots Branch.

2. Al mio arrivo in Pistoia ho trovato la situazione dei Patrioti in quella zona molto complicata per il fatto che gran parte delle bande dislocate nella zona di mia giurisdizione operavano ed operano ancora a fianco delle truppe alleate. Ho potuto perciò in un primo tempo prendere contatti soltanto con i capi di quelle bande svincolate dal combattimento provvedendo alla loro sistemazione ed alla discriminazione dei patrioti.

3. In un secondo tempo ho provveduto alla costituzione dei Comitati Comunali per l'assistenza e classifica dei Patrioti nei seguenti Comuni:

Pistoia, Montecatini, Monsuanno, Serravalle, Pieve, Ponte Buggianese, Borgo Buggiano, Agliana, Montale, Samporecchio, Sarciano, Margliana, Massa Cassile.

Rimangono ancora da formare i Comitati Comunali nei seguenti paesi: S. Marcello, S. Buco Pitellio, Tizzano e Cutigliano, lavoro che non ho potuto completare per mancanza di tempo e perchè a quell'epoca alcuni di questi paesi si trovavano ancora controllati dal nemico.

4. Nella provincia sono stati a tutt'oggi distribuiti circa 600 certificati, ne rimangono ancora da distribuire altri 500 circa perchè ci sono ancora dei gruppi di Patrioti in attesa di riceverli per ritardo nella presentazione dei documenti prescritti e perchè, come specificato al paragrafo 3 non si è potuto costituire in taluni Comuni i Comitati Comunali.

5. Poichè il lavoro a causa della situazione contingente non poteva svolgersi con maggiore rapidità e in considerazione del fatto che il Ten.Col. Vasciainni riceveva continue pressioni da parte del Commissario Provinciale egli si rivolse al Commissario Regionale il quale invitò il predetto Commissario Provinciale ad avere pazienza come risulta

2577

- 2 -

dalla lettera da esso a lui inviata e che qui si unisce in copia. Ritengo pertanto che il tono della lettera sia stato quello che abbia determinato la richiesta di rientro del Col. Vasciminni.

A conclusione di quanto sopra dato che ancora del lavoro resta da completare e che la sostituzione del Col. Vasciminni porterebbe necessariamente una stasi nel lavoro già da lui iniziato e quasi condotto a termine, proporrei di voler esaminare la possibilità di voler far ritornare il Ten.Col. Vasciminni e riprendere il suo lavoro nella Provincia di Pistoia, sempre naturalmente che il suo rientro non possa toccare la suscettibilità del Commissario Provinciale di Pistoia.

Si rimane comunque in attesa di conoscere le determinazioni che la S.V. vorrà prendere.

Ad ogni buon fine è stato richiesto all'Ufficio Patrioti dell'I.P.P.C. il nominativo di un Ufficiale per Pistoia; comunque, qualora la S.V. decidesse di procedere alla sostituzione del Ten.Col. Vasciminni, egli sarebbe stato prescelto fra coloro da destinarsi presso uno dei sei centri di raccolta.

To the attention of Sir P.M. Magnus, Bt.

Maj. Drage has just called up from Florence stating the urgency to send a Military patriot Representative to Viareggio because of the peculiar situation which has been created by Patriots troubles.

If the Director agrees I could request Col. Bernabò to send at once an Officer of a great prestige to Viareggio to investigate and put an end to the trouble.

Transportation could be provided by the pool recently organized.

SUBJECT : Travelling allowances for Patriot Representatives.
TO : S.F.O., A.M.G., 5th Army.

One of the local Patriot Representatives recently went to Rome on official business and has put in the attached claim for re-imbusement of expenses incurred by his driver whilst on the journey and during the stay in Rome.

The Memorandum, "Employment and Payment of Patriot Representatives", 13196/F, dated 31 October, from Finance Sub-Commission does not deal with the question of such expenses but only with pay of the Representatives and payment of hire of motor vehicles.

It is possible that the travelling allowance provided by Estab. Memo N°.30 H.Q. A.C. dated 10 November 1944 may be claimed by the driver but in view of the fact the payments made on behalf of Patriot Representatives are subsequently recovered by A.C. from the Italian National Patriot Committee, I think we should have H.Q. authority before making any payments of travelling allowances.

9. Lists of Patriot Representatives will be sent fortnightly to Regional Commissioners who are responsible for ensuring that all representatives in their area are duly and punctually paid, as laid down in Part II.

PART II. Payment of Patriot Representatives.

1. Regional Commissioners will notify the National Finance Office of the names and location of all Patriot Representatives in the Region. Any change in the personnel or the Patriot Representatives or in their location will at once be reported to the Regional Finance Officer by the Regional Commissioner.

2. On the basis of the information received from the Regional Commissioner, the Regional Finance Officer will make arrangements to pay, through his Provincial Finance Officers or other sub-accountants, the Patriot Representatives who will be distributed throughout the Region.

3. Patriot Representatives will immediately be paid by A.C. as from the date of their appointment or as from the 1st of September if their appointment was prior to that date, up to 15th of October 1944. Thereafter they will be paid on the last and the 15th day of each month.

4. The rate will be two hundred (200) lire per day for a 7-day week. The rate will be the same for civilians and for officer personnel irrespective of rank.

5. The pay of Patriot Representatives will eventually be recovered by A.C. from the Italian National Patriot Committee. It will therefore be necessary for all Patriot Representatives to be paid on a separate payroll, two original copies of which, signed by each Patriot Representative drawing pay, will be forwarded with the Monthly Report of Receipts and Disbursements to the Chief Accountant A.C. He will take the necessary steps to obtain reimbursements from the Italian National Patriot Committee each month.

6. Attached is a schedule with the names of existing Patriot Representatives. This schedule should be used as a basis for making the original payment. Thereafter, the schedules will be sent periodically to the Regions; as, however, the Regional Commissioner may change the personnel or location of the Patriot Representatives in his Region, these lists may not subsequently reflect the actual situation. For this reason they will only act as the authority for payment, up to the end of September, and subsequent payment will be made on the authority of the Regional Commissioner.

PART III. Hire of Motor Vehicles.

1. Motor vehicles may be hired on behalf of the Patriot Representatives on the specific authority of the Patriots Branch, Headquarters I.O., who will issue instructions through the Regional Commissioners. In all such cases the prior agreement of the Italian National Patriot Committee will be obtained.
2. The Sub-accountant making the payment will obtain a receipt on a Payment Voucher, P/F 3, in triplicate (using two originals and one duplicate), and will mark them clearly to show that the payments in question are in respect of the hire of vehicles for Patriot Representatives.

The two originals will then be sent, with his Monthly Report of Receipts and Disbursements, to the Chief Accountant, at Headquarters. Such expenditure will subsequently be recovered from the Italian National Patriot Committees by A.C. in the same way as the pay of the Patriot Representatives.
