Patriots Branch, on 3 April 1945, in their letter ref as above, requested the authority to hire a motor car for Maj. Bianconi. The new car was to take the place of another car, the hiring of which had been cancelled because the officer had to move to another area.

The Ministry of Occupied Italy, on 10 April 1945 in their letter ref. 340 rejected the request.

When H.Q. of Emilia Region was notified of this matter, they informed us that the change over of the motor cars had actually happened when the hire of the first was cancelled.

On receipt of your communication on the matter, Emilia Region H.Q. has released the second motor car but the owner of this car (licenced 9427) requires to be paid for the period 30 March to 21 April, 1945, during which time it was in use by the Italian Military Patriot Representative.

It is requested, therefore, that the matter may be reexamined and authority granted for this payment.

Questo Patriots Branch con foglio 36/4/PAT in data 3 Aprile 1945, aveva richiesto l'autorizzazione per il noleggio di una autovettura per il Maggi. Bianconi in sostituzione dell'altra il cui contratto di noleggio e' stato rescisso, a causa dello spostamento di sede del maggiore predetto.

Codesto Ministero con foglio No 310 in data 10 Aprile 1945, non aderiva alla richiesta. 66

Informato in tal senso il Q.G. della Regione Emilia, questo ha fatto presente che la sostituzione della vettura era avvenuta automaticamente al momento della rescissione del precedente contratto e che, in seguito alla comunicazione di codesto Ministero, ha provveduto a sospendere il noleggio della nuova macchina.

Full enquiries have been made in regard to the items of your kit which you state were left at SALTINO but it is regretted that no trace of them can be found. It can only be presumed that they were stolen from the hotel during your absence as no special person was left in charge of them. Ten. From: AMG Patriots Representatives, RAVENNA
To: A.C. H.Q. Patriots Branch, APO 394
Date: 10 December 1944.
Subject: Report on Representatives' Activities.

Since our arrival we contacted the patriots although such contacts were difficult because we had no motor car at our disposal.

At S. Pierino, where there was the Command of a detachment of patriots, we found that general conditions and spirit were very high, also the Allies held the patriots in good consideration.

On 21 November the Governor of Cervia, Capt. Simpson, asked us to go to Castiglione di Cervia to clear an incident which had happened between two partisans and the Communal Giunta and the Carabinieri M.C.O.

The Maggiore of the Carabinieri agreed to transfer the M.C.O., and the incident was cleared. We attach a copy of the report which was forwarded to the Governor on the matter.

A few days after our arrival at Cervia we met Capt. Casilli d'Aragona, another patriot representative, who told us that until he had completed his work in the above locality, we should not have started to work. We had to disregard such communication because the Governor of Cervia told us to continue our work on behalf of the patriots.

On 24 November the Commander of a partisan unit called on us and asked our intervention in obtaining forthwith a fishing boat to be used in a night action. We obtained the authorization for the temporary requisition of a fishing boat.

The last days of the month of November, the Governor of Cervia notified us that having to distribute the certificates in the Comune he wished that we should organize the ceremony in agreement with the local C.L.H. The ceremony took place on 3 December in the local theatre.

Following immediately the liberation of Ravenna we went there and contacted Partisan Hqs. At the same time we met the Allied Liaison Officer with the Partisans and together we studied what the necessities of the Patriots were.

We are then called by the Provincial Commissioner who notifies us that until the war will not have "sufficiently" advanced all the patriot work will be done by Ten. De Luca, also a patriot representative, and during such time we must positively refrain from any activity. We await explanations and directions on the matter.

2.

We believe it necessary to inform you that the Commander of the Ravenna Partisans has informed us that another officer, besides Ten. De Luca had stated to be a patriot representative and he asked us to be informed on the real number of such representatives.

We asked the Commander, to request in the future the credentials to anyone who stated to be a patriot representative, whilst notifying us on the matter.

In the meantime we await instructions which will clear our position as well as the position of all others.

Report on the Incident which took place
at Castiglione di Cervia

The incident took place because the Carabinieri N.C.O. had served during the Republican Fascist period until August 1944, and during such period had openly stated that he was a Republican.

The Carabinieri N.C.O. apparently hindered the welfare work of the "Giunta Comunale".

It was agreed with the Officer i/c of the Carabinieri to transfer the N.C.O. and the patriot representatives used their persuasion to avoid future incidents.

RELAZIONE CIRCA L'INCIDENTE OCCORSO IN CASTIGLIONE DI CERVIA.

Il giorno 21 c/m. abbiamo avute incarice dal Covernatore di Cervia, Cpt. SIMPSON, di recarci a Castiglione di Cervia per esaminare le cause che avevano preveccate l'incidente tra il Brigadiere dei CC.RR. Sasselli Colombo da una parte e la Giunta Comunale e due partigiani dall'altra. =

Giunti sul posto ci siamo subito messi in contatto con la Giunta Comunale e attraverso le dichiarazioni dei membri di essa abbiamo potuto rilevare che il comportamento del Brigadiere Sasselli, che in precedenza e nella stessa località aveva servito la Repubblica Fascista e conseguentemente i Tedeschi, non era stato il più opportuno e per giunta non aderente al nuovo clima di libertà creatosi con la cacciata dello invasore. =

Da quanto risulta egli faceva del tutto per ostacolare l'opera della Giunta Comunale, diretta a sollevare moralmente e materialmente la popolazione. =

A: I.T.P.C.

In risposta alle vostre lettere 326/R.T. del
7 dicembre e 327/R.T. del 4 dicembre.

1. I Rappresentanti per la Regione Emilia sono temporaneamente messi in libertà. E' evidente che la di loro opera al Nord non sarà verosimilmente necessaria in epoca prossima come era possibile supporre precedentemente. Pertanto, indipendentemente dalle decisioni dell'I.T.P.C., si suggerisce che essi vengano considerati come personale mobilitato, e disponibili in ogni momento per un richiamo.

2. I Rappresentanti per il Piemonte sono definitivamente messi in libertà poiché il Commissario Regionale ha riferito che il loro lavoro è stato completato. Il Ten.Col. Lania ed il Sig. Bienna sono trattati ai Comandi Regionali.

2811

3. Il 16 Dicembre 1944, questo Comando ha ricevuto una segnalazione dal Comando della Regione Emilia che informava che il Sig. Acarbi è stato temporaneamente messo in libertà ed ha avuto le proprie competenze liquidate fino al 15 novembre 1944.

4. Una lettera del 12 dicembre è stata ricevuta dall'A.A.C. dell'8° Armata, che informava dell'avanzata definitiva messa in libertà del Sig. Albertini, e del prossimo ritorno dello stesso.

To: I.N.P.C.

In reply to your letters 326/R.T. dated 7 December and 327/R.T. dated 4 December.

1. Patriot representatives for EMILIA Region are released on a temporary basis. It is clear that their services in the North are not likely to be required as soon as was at one time thought possible. Subject to the decision of the I.N.P.C., therefore, it is suggested that they may be regarded as mobilised and subject at any time to recall.
2. The representatives for FIMMONT Region are permanently released since the Regional Commissioner has reported that their work has now been completed. Ten. Col. LAMIA and Sig. DIANA are being retained at Regional H.Q.
3. On 10 December 44 a signal from EMILIA Region H.Q. was received at this H.Q. to say that Sig. ACERBI had been temporarily released and paid until 15 November 44.
4. A letter dated 12 December was received from A.M.G. EIGHTH Army to the effect that Sig. ALBERTINI was permanently released and would be returning to ROME as soon as possible.
