SUBJECT : Patriots Officer of Brescia Province.

TO :

Captain EROS COMPAGNUCCI COMPAGNONI has been Patriots Officer of the Province of Brescia since it was liberated in April 1945.

I as Provincial Public Safety Officer have of necessity been in close contact with his work and have found him to be one of the most conscientious and courteous officers I have ever had the pleasure of working with.

The partisan problem in this Province was in my opinion the most difficult of any Province in Italy and the splendid manner in which Capt. Compagnucci has carried out his work has materially assisted these men in returning to their homes, securing employment and resuming their normal lives.

Throughout the entire time Captain Compagnucci has been in this Province nothing has been too much trouble for him and the vast amount of work done by him has materially assisted the rehabilitation of the Province.

Now that our work in Brescia Province is finished and the time come when we must go our respective ways, I feel that I am bidding farewell to one of the most loyal and faithful officers it has ever been privilege to work with.

Ref. your letter 858/PAT HQ Lombardy Region dated 25 July 1945 addressed to HQ/AC Patriots Branch and received in this office, for information, on 1st Sept. 1945.

To accomplish the most urgent necessities of the Patriots in Northern Italy, it is still necessary take action for rewards, recognition of ranks and qualification, pensions etc.

For such kind of work it is considered useful to prolong the stay of IMPRs where they have operated. All that in consideration of the fact that:

- The Committee established for the recognition of qualifications rewards, and the recognition of ranks will not begin to work immediately.
- For comprehensible moral and material reasons it doesn't appear convenient to suspend the work concerning the assistance to partisans and their reemployment into civil life, work that for the time being, cannot be accomplished by the regional and provincial organisation will in future be instituted by this Ministry.

Furthermore the phases cooperation of IMPRs in the first phases of the a/m Committees and organisations, is necessary to enable the Committees to obtain a true report of the situation.

It is therefore requested that you examine the above proposal be cause this concerns not only Lombardy but other Italian Regions.

A.S.E. IL MINISTRO DELLA MARINA = ROMA
 AL MINISTERO DELL'ITALIA OCCUPATA = ROMA

Ufficiali delle Forze Armate, muniti di credenziali degli Uffici Ri-
 cuperi o delle Direzioni Generali competenti, si presentano ai Centri di
 Raccolta Partigiani della Provincia di Milano e forse anche altrove, e ri-
 tirano quantità ingenti di materiali di alto valore, nuovi o in ottimo sta-
 to d'uso.

I Centri Raccolta lasciano che il materiale venga ritirato, consevien-
 te questo Ufficio, per dar modo alle Forze Armate di entrare in possesso di
 materiali preziosissimi che, altrimenti, finirebbero fra le prede belliche
 o fra i rottami.

E' noto però che ditte Commerciali operanti a fianco degli Uffici ri-
 cupero, ricevono premi che raggiungono il 30% del valore di stima.

Sarebbe logico pagare il premio qualora il materiale fosse stato rac-
 colto sui campi di battaglia o fosse in possesso abusivo di privati ma non
 è logico invece pagare il premio di ricupero per materiali conquistati dai
 partigiani e da questi immagazzinati, inventariati e custoditi.

Se mai, i premi dovrebbero andare ai Partigiani o, per essi, agli
 Enti creati dallo Stato per l'Assistenza ai Partigiani, alle famiglie dei
 caduti, ecc. ecc.

Per citare due casi: dal Centro Raccolta Partigiani di Monza, sono
 stati ritirati materiali per un valore di vari milioni da parte della dit-
 ta DE BERNARDI & C. autorizzata dall'Aeronautica, e cinque milioni di lire
 in contanti, da un funzionario inviato dal Ministero della Guerra, il qua-
 le funzionario, probabilmente, pretenderà il premio per il ricupero di una
 somma a lui soltanto affidata per il trasporto.

A parte ogni considerazione sui meriti o demeriti acquisiti dalle
 ditte incaricate dei ricuperi, nei confronti della lotta di liberazione,
 v'è un fatto da tener presente e cioè che l'Italia è in condizioni disa-
 strose ed è poco onesto, anche se ufficialmente approvato, speculare sui
 ricuperi fatti da altri e continuare a razzciare fra le rovine rimaste in
 eredità al popolo italiano.

Will you please report your views on the way in which Lt Col Della Pura Onorati Esso has carried out his duties.

It has been alleged that he is a Squadrista but his removal on that ground without proof of the allegation would be punishing him without trial. The proper course is to subject him to operation.

On the other hand if his conduct has not been satisfactory we might take this opportunity of reduction of staff to release him rather than some other officer. This is not a request for an adverse report. A copy of the reply which it is proposed to send to the Ministry is attached but we do not wish to refuse the Ministry's request if Lt Col Della Pura is not worth defending.

Reference your No 708 dated 2 August 1945.

It is laid down by the High Commission for Epuration that an officer shall not be removed from office merely because of an allegation against him and that he shall not be suspended unless

- a. his final dismissal appears to be certain, and
- b. his retention in office is dangerous either because it will disorganise the work of the office in which he is employed or because his retention is a public scandal likely to lead to a breach of the peace.

These conditions (which are very proper) do not seem to be fulfilled. The proper course seems to be to submit the case of Col. Della Pura to the appropriate epuration commission to decide whether or not he is "unworthy of serving the state".

REV A 1/10/73

With a credential dated 5 May 1945 the A.C. Patriots Branch appointed me DPR for the Varese Province.

Having left Rome with A.C. transportation on 5 May I arrived on the 6th in Molana and Mantova. On the 7th morning I reached Varese and reported to the A.M.G. and found out that my post had been taken by a Capt. Di Cocco.

I was then requested to report to Col. De Garston in Milan.

The following morning I arrived in Milan where I remained four days awaiting that my position be cleared, after which time with the approval of Col. De Garston I returned to Varese where I had originally been appointed in Rome.

Two or three days later, whilst preparing the office and having had absolutely no time to contact the local partisan formations, I was requested to return to Milan, with my kit, and report to Col. De Garston, who regretted to inform me that following to measures of the local C.I.M. I had been substituted by a Lt. Col. Della Pura, who was in Varese as a civilian, non on active service because, as I could find out later, he was subject to epuration. I remained in Milan at the A.M.G. Patriots Office, for the whole of May, absolutely idle.

Considering my position as unbearable, and being in urgent need to go to Padua because of the death of my father, in order not to weigh on Allied transportation, I reported to the Italian Air Force, to which I belong to obtain the necessary transport.

After being in Padua I returned to Milan, and again with a motorcycle of the Italian Air Force, I came to Rome at the disposal of A/C where I believe I have been assigned.

I deeply regret that, because of the above reasons, I was until now unable to carry out any productive activity, as by orders received in Rome previously to my departure.

5 JUL 1945
Al Sig. Comandante F. Graig.
Commissione Alleata di Controllo
Roma

Con lettera credenziale in data 5 maggio 1945 della Commissione Alleata di Controllo sono stato comandato quale Ufficiale addetto ai patrioti per la provincia di Varese.

Sono partito in camion da Roma il 5 Maggio mattina. Il giorno 6 ero a Modena e a Mantova. Il giorno 7 sul mezzogiorno sono giunto a Varese. Mi sono subito presentato alla Commissione Alleata ma il posto a me assegnato era già occupato da un certo Capitano Di Cocco. Sono stato pregato quindi di presentarmi a Milano presso il Colonnello De Garston per ricevere ordini.

Il mattino dopo, partivo per Milano. Sono rimasto quattro giorni a Milano in attesa della definizione del mio caso, poi dietro il benplacito del Ten. Colonnello De Garston sono ritornato, a Varese per insediarmi nel posto a me assegnato a Roma.

Dopo due o tre giorni circa, mentre ero in via di preparazione dell'Ufficio, senza avere avuto ancora il tempo di prendere contatto con i Comandanti delle Formazioni Partigiane del luogo, sono stato invitato di ritornare a Milano con la mia roba personale, per conferire col Sig. Colonnello De Garston il quale dispiacentemente mi ha comunicato che per pressioni avute dal C. L. N. ero stato sostituito con un Ten. Col. certo Della Pura, che si trovava sul posto come civile, quindi non in servizio, perchè, come ho saputo in seguito, indicato a procedimento di epurazione.

Sono rimasto a Milano presso l'Ufficio Patriotti dell'A. M. G. per tutto il mese di Maggio assolutamente inoperoso.

3155

Considerato che la mia posizione era insostenibile, ed avendo urgente bisogno di recarmi a Padova per l'avvenuta morte di mio padre, per non gravare sui mezzi di trasporto Alleati mi sono presentato a solo titolo di bisogno assistenziale alla mia arma Aeronautica.

Sono stato a Padova, sono ritornato a Milano, e sempre coll'automezzo dell'Aeronautica sono ritornato a Roma a disposizione di cotesta Commissione Alleata dove mi sento assegnato.

Sono molto dispiacente di essere stato nell'impossibilità, per i motivi di cui sopra, di svolgere una faticosa e operosa attività, secondo gli ordini impartitami da Roma prima della mia partenza.

for Administrative Officer

1. I request that record be made, and forwarded to the authorities concerned, of the exceptional services of this Officer during the last month, both from the point of view of assistance to the Allied Military Government and as seen in the interests of Italy.

2. Arrived on 2 May as rappresentante militare dei Patrioti della Provincia di Bergamo, he proceeded immediately under my orders and in the most complete collaboration to assume charge of the problem of dissolving the 3,000 armed patriots.

3. On 4 May a Patriot parade was organized in commemoration of the liberation of the city, after which the arms of the Patriots of the southern half of the Province were surrendered. Generale Cadorna attended the parade.

4. Thereafter disarming continued side by side with dissolution of the mountains bands. Except for 500 Guardie dei Partigiani, all bands completed disarmament by 21 May. The Guardie dei Partigiani were dissolved and arms surrendered by 7 June and the Comando Zona and Comando Piazza liquidated 9 June.

5. Now Ten. Col. Robiglio is active in forming the Patriot Centre on the outskirts of the city and arranging for issue of Alexander certificates and monetary awards.

6. Throughout this delicate period of disarmament and dissolution the above named Officer has maintained the most friendly understanding with both Patriot leaders, Patriot rank and file and C.L.N. He is much respected in the Province, and has greatly assisted my work here in the maintenance of order with the support of the patriots.

7. As an example of the thoroughness of his work the following [unclear] from Patriot forces

once the Southern Representatives could be recalled.

asked about extra officers for Col. De Garston's staff and
specifically for :

- 1 man for the office
- 1 N.O.
- 1 Chaplain
- 1 Camp Commandant,

he replied that he would see if it was possible to appoint the first three officers. Concerning the Camp Commandant he stated that Camp Commandants had been enclosed in the list which had been sent in on 6 April. He furthermore said that upon advice and requests from the North he would have found it advisable that the Camp Commandant appointed by the Ministry of Occupied Italy should only have administrative functions. While the Commandant of the Camp should be chosen from amongst the patriots leaders who would be guests at the camp, also because such a man would be more appropriate to keep discipline and order in the camp.

Riferimento f. 36/7/PAT in data 14 Gennaio pari oggetto.

Col foglio n. 102 in data 15 Novembre questo Ufficio era venuto nella determinazione di sostituire il MAGE. Bersellini Mario, rappresentante presso l'A.C. - Regione Lombardia, dato che per sopraggiunte circostanze ne ravvisava l'opportunità. 3143

Tale determinazione era stata presa in considerazione del fatto che il MAGE. Bersellini, pur avendo svolto attività d'andestina dopo l'8 Settembre 1947, fino a tale data era stato Direttore del quotidiano di Milano "Il Sole" che, pur essendo di carattere essenzialmente economico, non poteva essere certo del tutto estraneo alla politica fascista.

Questo Ufficio pertanto, in considerazione di quanto sopra e del fatto che i rappresentanti dei Patrioti non devono poter essere momentaneamente censurati sotto alcun punto di vista, in considerazione anche che per il rappresentante per la Lombardia il compito sarà molto arduo e che nell'assolvimento di tale compito egli non dovrà essere distratto dalla posizione personale, rimane di avviso

1A We notified the Patriots Branch with our letter
ref 107 dated 15 Nov, 1944 that this Office had decided
to substitute Major Bersellini Mario as Patriot Repre-
sentative of I.Q. Lombardy Region.

The above decision depended upon the fact that
although Maj. Bersellini had carried out underground
activities after September 8th, 1943, had been until
then the managing editor of the daily paper "Il Sole",
an eminently financial paper, but nevertheless not
entirely separate from fascist policy.

This Office considering the above and
considering that Patriots Representatives must be
entirely above criticisms, and also because for the
Patriots Representative for Lombardy Region the task
is going to be extremely difficult, and he must not
have personal worries, believes that it is opportune
to substitute Maj. Bersellini Mario.

Riferimento 1. 36/7/PAT in data 18 Gennaio pari oggetto.

Col foglio n. 187 in data 15 novembre questo Ufficio era venuto nella determinazione di sostituire il Magg. BERSELLINI MARIO, rappresentante presso l'H.Q. - Regione Lombardia, dato che per sopraggiante circostanze ne ravvisava l'opportunità.

Tale determinazione era stata presa in considerazione del fatto che il Magg. Bersellini, pur avendo svolta attività clandestina dopo l'8 Settembre 1943, fino a tale data era stato Direttore del quotidiano di Milano "Il Sole" che, pur essendo di carattere essenzialmente economico, non poteva essere certo del tutto estraneo alla politica fascista.

Questo Ufficio pertanto, in considerazione di quanto sopra e del fatto che i rappresentanti dei Patrioti non devono poter essere menomamente censurati sotto alcun punto di vista, in considerazione anche che per il rappresentante per la Lombardia il compito sarà molto arduo e che nell'assolvimento di tale compito egli non dovrà essere distratto dalla posizione personale, rimane di avviso che è opportuno sostituire il Magg. Bersellini Mario.

The one Military Representative who justifies his attachment is Major BERSELLINI who, it is wished, should continue with this Region, but as far as Prof. Melino is concerned he has not been considered as on duty with this HQ since the end of November.
