I send you the lists of the Patriots and the reports of the existing formations in the following Communes.

GRATE	list	_____
S. GIOVANNI VAL D'ARNO	list	_____
AREZZO	_____	report
TAVANNESE VAL DI PESA	list	report
MONTESPERUOLI	list	report
FIGHINE VAL D'ARNO	list	_____
IMPRUNETA	list	report

The same lists and reports, as the leaders of the ~~in~~ formations and the members of the local C.L.N. assured me, had just been sent to the military representative command of Florence "Division Potente" once "Arno" and "Rosselli" Brigade, constituting the named detachment formations of these Unity.

Now the formations are dissolving and its components go gradually back to the civil life or are sent respectively in their native country. - This task had been remarkably facilitated by the commune Committee for the acknowledgement and assistance of the patriots. We expect anxiously the arrival of the military commissions, charged to engage volunteers for the constitution of an Italian Army.

Trasmetto gli elenchi dei Patrioti e relative relazioni delle formazioni esistenti nei seguenti Comuni:

GREVE	elenco	_____
S. GIOVANNI VAL D'ARNO	elenco	_____
AREZZO	_____	relazione
TAVARNELLE VAL DI PESA	elenco	relazione
MONTESPERTOLI	elenco	relazione
FIGLINE VAL D'ARNO	elenco	_____
IMPRUNTA	elenco	relazione

Analoghi elenchi e relazioni, come mi venne assicurato dai Capi delle formazioni e dai membri dei C.L.N. locali, vennero già inviati ai rispettivi comandi militari di Firenze (Divisione "POTENTE" già " ARNO" e Brigata "ROSSELLI"), costituendo dette formazioni distaccamento di queste Unità .

Attualmente le formazioni sono in via di scioglimento ed i loro componenti gradualmente rientrano nella vita civile o vengono avviati ai rispettivi paesi di origine. Tale compito viene notevolmente facilitato dall'opera dei Comitati Comunali per il riconoscimento e l'assistenza dei Patrioti. E' molto atteso l'arrivo delle Commissioni militari incaricate dell'arruolamento volontari per il costituendo Esercito Italiano.

Subject: Certificates for Patriots.

To : S.C.A.O., AMG, 5th Army.

1. Herewith is report requested 29 July on the Issuance of certificates to Patriots.

2. On 21 July at a meeting with the C.L.N., it was explained that a list of Patriots was desired...that this list should show all patriots and also indicate those who had not been particularly active.

3. It was explained to Bruno Bernini, the leader of the group that Lts. Cichini, Giorgio and Casciola, Andrea were our liaison officers and would work with him in culling out those not entitled to recognition...that we wanted to recognize those patriots who had worked at some personal risk. Mr. Bernini was at the meeting noted at no.2 above.

4. A list of 153 persons was handed in by Mr. Bernini. After conferring with him the list was cut to 117 names and certificates were prepared for these men.

5. On 26 July, about 40 patriots who could be easily reached were assembled at the AMG OFFICE...(The Army film unit had suggested this and they were to come up for a few feet of film but they did not arrive.

The C.A.O. made a few statements to the Patriots and friends (about 200), pointing out that their work was finished and that they had been most helpful and that now their job was to rebuild Italy, etc; etc;. The first certificate was presented to Mr. Bernini. All patriots present were called forward and handed certificates. Certificates were presented to the families of two partisans who had been killed and all the remaining certificates turned over to Mr. Bernini for distribution.

6. Attached is the list of Patriots and surplus certificates returned herewith.
