LOMBARDIA REGION.

31 May 45.

Regional Order No.1 setting forth precisely the relationship between the National Committees of Liberation and A.M.G., has been reproduced in all newspapers of MILAN. 23,000 copies have been distributed in the Region for posting throughout Lombard. The Committees of Liberation now have only advisory powers.

A meeting was held yesterday by the Regional Patriots Officer with the chief Patriot heads of the Region. They have all agreed to cooperate in seeing to it that the provisions of the orders to consign arms and cease patriot activities as such be carried out throughout the Region. There was full agreement at the meeting.

The Patriot situation in Milan City is very satisfactory. The order is being obeyed and seven barracks have been established for those patriots who do not have a home in Milan. In the meantime they are vacating all posts, stations, and apartments. They will be processed as soon as possible.

LIGURIA REGION.

1 June 1945.

Situation quiet. Flour situation taxes all transportation to the limit to maintain long supply line to Leghorn. Provinces report difficulty transporting food from Genoa to Savona and Imperia. Large industrial firms threatened with closure in near future unless financial aid forthcoming. HQ Alcom informed and Italian representatives are leaving to discuss situation with appropriate Italian ministries.

LOMBARDIA REGION.

1 June 1945.

The plan for collecting work horses for farmers deprived of them by the Germans is working out very well. Horses are also being provided for the city of Milan to help in the clean-up programme.

A vast programme for Public Works for the city of Milan has been approved. This will not only help in reconstructing the city and relieving the housing shortage, but will also be the first step against threatened unemployment.
