STATEMENT

I declare that the motor Car Fiat 1100 which was at my disposal until I left 8 Army has been regularly hired by me, in Venice.

Owner of the motor car is the Innocenti Mangili Ltd.

When leaving I handed over the motor car to Capt. Casilli d'Aragona in the Udine Province.

It is probable that the firm, not having seen me for a certain time, may have requested some news to Commander Filipponi, of the Venice Patriots Command.

L'attuale dislocazione delle sette macchine che sono in pagamento presso questo Ufficio, è la seguente:

- 1) - Al servizio del Ten. Colonna a Jesi.
- 2) - Al servizio dei rappresentanti patrioti ad Ancona.
- 3) - Al servizio del T.Col. Sansoni a Pisa.
- 4) - " " "
- 5) - " " "
- 6) - In servizio presso questo Ufficio.
- 7) - " " "

Faccio presente tuttavia che delle tre macchine in servizio qui solamente una è in condizione di effettuare un servizio completo.

Le altre due hanno le gomme in condizioni tali da non permettere l'uso per lunghi viaggi e rimanere pertanto parecchi giorni fuori sede, specialmente in zone ove non c'è un'attrezzatura garagistica che possa far fronte a eventuali necessità di riparazioni.

Oltre a ciò rendo noto che la piazza di Firenze non offre più alcun automezzo disposto a prendere servizio alle note condizioni, in quanto già da tempo sto cercando di sostituire i due automezzi di cui sopra.-

I proprietari degli automezzi si rifiutano di prestare servizio fuori sede, nè noi li possiamo obbligare in quanto qui non abbiamo alcuna facoltà di requisizione.-

Effettivamente le 400 Lire al giorno di affitto non possono coprire la spesa di usura di un treno di gomme che oggi qui si aggira sulle 150.000 Lire.

To : Allied Commission - Patriots Branch

ROME

Reference your 95/4 dated Oct.27 - 1944

We acknowledge what is stated in the above letter and would like you to give your kind attention to the organisation of this office, as shown by the list of staff previously forwarded to you, and the exigencies arising from the carrying out of the multiple tasks of this office.

In view of the strong consideration which has always been given by the Allied Commission to the cause of the Italian Patriots and the spontaneous interest constantly taken in every little detail in this connection, we would like to repeat our request for an allocation reduced to a minimum of ten tyres which are absolutely essential in order to enable this office to start working.

This is just a short note to remind you to ask the Italian War Ministry to tie up finally the hiring of motorcars in Florence.

What is wanted, I think, is a letter from them to Capt. Hoes empowering him to sign on behalf of the Italian War Ministry. The A.C.C. should also have a letter from the Italian War Ministry to say that if we pay for the hire of the cars in Florence, the money will be refunded to A.C.C. H.Q. in Rome.
