	2. Liaison Officer Please see (51). The suggestion does not seem very practicable as (a) Lombardia, as far as our knows, already has all the IMPR it requires, (b) if Corradi has been appointed to command a regiment he must be on the active list & would not be released by MMIA. It sounds like an effort on the part of the two officers concerned to get posted near their homes! Perhaps however the MOO should be told that the request has been received from Emilia Region, & asked if they have any comments. 5 May 45 M. Pasley for Col

1. Reference your telegram 7911 of 18th inst.

2. It would be appreciated if two additional Italian Military Patriot representatives could be sent to this Region, one to assist Major Grazzini in Lucca Province and one to be responsible for dealing with patriots in Pistoia Province.

3. In both of these Provinces there is a lively patriot situation in isolated Communes recently occupied, and if further assistance can be given as suggested it would be helpful.

6) IMPS Replacements are required for BORELLI now at FERRARA, and for TERRANI at REGGIO EMILIA. Pats Branch to take action.

Up to date it does not appear that additional IMPS are required, unless specifically requested i.e. those that have just reported to BOLOGNA. There is however plenty of work for IMPS to do and while PATS CENTRES for holding residents should be closed as early as possible, there should be no undue hurry to close the offices after disbandment as there is a considerable amount of documentation to be done.
