Dear Signor Ceccarelli:

I have received the attached letter from the British Embassy and I send it to you for your information, but I will do my best to get a better answer than this. I feel so sorry about it. I think perhaps you should ascertain the views of Marchese Patrizi.

Yours

Gentile Signor Ceccarelli,

Ho ricevuto l'acclusa lettera dell'Ambasciata Britannica e, per Sua informazione, gliela ritrasmetto tradotta.

La risposta non è certo quella che avrei desiderata e ne sono assai triste. Sia certo che farò il possibile per averne una più soddisfacente.

Intanto Lei dovrebbe informarsi delle intenzioni del Marchese Patrizi e dovrebbe farci sapere, se le è possibile, se l'Istituto Britannico ha ancora un contratto di affitto per questi locali oppure un accordo preferenziale e, in caso affermativo, di quale durata.

Con i miei migliori saluti

legal position (i.e. of (case) of
the British Institute discontinue
the war.

DS/26/21

Chief of Staff.

I feel rather strongly about this. The Circolo Artistico Internazionale was founded in 1870 and occupied these premises until 1933 when it was broken up by the Fascists. The owners re-delivered it ~~in~~ two months ago on the basis of Montgomery's letter, and I simply cannot believe Michael Stewarts intellectual guiltless that Montgomery did NOT recognize the right of the Circolo. He ~~he~~ wrote it in reply to a letter written for the Circolo! The British Institute had the premises for one year.

If we now turn out the Circolo it will make an extremely bad impression.

Dear Fielden,

Many thanks for your letter about the Circolo Internazionale and the premises in the Via Margutta.

I have discussed the matter with Halford who tells me that Montgomery's letter of 28th September states the position exactly. That is to say, the British Embassy asked the Military Authorities that the premises should not be requisitioned, but did not by doing so imply that they recognized the right of the Circolo to the premises.

In point of fact the question of whether the British Institute will or not acquire the premises is still open, but the Embassy nevertheless wishes and has said so to the M.F.A., to reserve the right of the British Institute to the premises if the latter require them. Whether or not the British Institute succeeds in getting them, when they have finally made up their mind, will be a matter for the landlord, Marchese Patrizi, to decide, but I believe that at present Patrizi inclines to favour the Institute's claims.

I am afraid that from the point of view of the Circolo this is not a very satisfactory letter, but it is really a question of the Institute's interests against theirs and the Embassy naturally supports the former.

*Yours sincerely
Michael Stewart*

Dear Mr. Stewart:

Circolo Artistico Internazionale

Further to our telephone conversations about the above I attach a copy of the promemoria which was submitted to the Embassy and also a copy of Hugh Montgomery's letter on this subject of September 20.

I was myself a member of the Circolo in 1921 & 22 and I know the people concerned very well. Acting on Montgomery's letter they have gone to considerable trouble and expense in rehabilitating the place, and the formal opening took place about a month ago.

It seems to me that it would be extremely unfair and ill advised if the British Institute which after all only accepted the premises for a very short time now took possession of them by requisition. I very much hope that any such idea may be abandoned.

Yours sincerely,

(Sgd)

Eccellenza,

Mr. Halford, Secretary at the Office of the British High Commissioner, telephoned to me today to tell me that he had recently received a visit from Your Excellency and that you had expressed a wish to him that steps might be taken by the Allied Authorities concerned to ensure that the premises of the National Association of Art in Via Margutta should not be requisitioned by the Allies.

Mr. Halford now tells me that the desired steps have been taken and orders given that the immunity of the premises in question be respected.

Believe me, Your Excellency,
very devotedly,

The same day our premises in Via dello Scalo San Lorenzo 73 were requisitioned by Allied Authorities, an Allied Officer carried away a considerable quantity of booklets and propaganda material that, according to our information, was sold among the belonging to the Allied Forces.

After a few days, the said Officer went back to our employee with the intention to pay him the 80,000 liras he had realised from that sale.

Owing to the fact our employee had no authority to hand him the requested receipt, the officer went away and since then, we never heard anything about it.

We should be very glad to this office, if it was possible to identify the said Officer, in order to settle with him this matter, and this naturally at your best convenience.

Very truly yours

Il giorno in cui i locali di nostra proprietà; siti in Via dello Scalo di San Lorenzo 73, vennero requisiti dalle Autorità Alleate, un Ufficiale Alleato prelevava un congruo quantitativo di opuscoli e di materiale di propaganda che, a quanto sembra, vennero venduti tra gli appartenenti all'Esercito Alleato.

L'Ufficiale in parola si presentava dopo alcuni giorni all'addetto magazziniere per versargli lire 80,000 (ottantamila) ricavate dalla vendita di tale materiale.

Considerato che il funzionario non era autorizzato a rilasciare la richiesta ricevuta, l'Ufficiale si allontanò e da allora in poi non fu possibile sapere nulla al riguardo.

Vi saremmo oltremodo grati se fosse possibile rintracciare l'Ufficiale in parola per la liquidazione della faccenda.

Il giorno 17 giugno u.s. un ufficiale inglese si presentò al Sig. Bianchi Claudio, consegnatario del magazzino dell'ENIT, (Ente sottoposto al controllo di questo Sottosegretariato), sito in Via Scalo S. Lorenzo n. 73, e chiese la consegna di opuscoli in edizione inglese in base ad un regolare ordine di requisizione.

In data 6 luglio il colonnello Davis della Real Estate Section Rome Area Command requisì anche i locali degli uffici adiacenti al magazzino predetto.

Infine, il giorno 7, del mese corrente un maresciallo inglese ha asportato gli scaffali, che si trovano nella sede dell'ufficio in parola e nei quali erano disposti pubblicazioni e stampati dell'ENIT, nel numero di circa un milione.

4698

Si fa presente:

- 1°)- che gli opuscoli di propaganda requisiti il 17 giugno sono stati esitati dagli Alleati, poiché si trovano in vendita nelle pubbliche edicole.
- 2°)- che non tutti i locali occupati dagli Alleati, in base ad ordine della Real Estate Section, Rome Area Command ed adibiti ad uffici di un comando militare inglese per la preparazione di un bollettino d'informazioni, sono attualmente utilizzati a questo scopo.

Si prega, pertanto, di voler esaminare la possibilità di intervenire presso gli organi competenti ad evitare che in appresso libri ed oggetti requisiti per scopi bellici dagli Alleati non vadano venduti, e di disporre inoltre la derequisizione e

./.

la restituzione all'ENIT dei locali di Via Scalo S. Lorenzo

Alleati, che occupano solo sei ambienti del magazzino in

TO : AFHQ PRO Adv. Ech. (Att. Col. Edward E. Bomar)
FROM : PRO AMG Region 4
SUBJECT: Property Control Story
REF : R4.PR.6.2
DATE : 16 January 1944

1. This memo is to confirm your conversation of 7 Jan 44 with Captain Leacocks, DPRO, Region 4, concerning arrangements for accredited correspondents to obtain a story on AMG experiences in property control in Italy.
2. The story is visualized as follows: a review of AMG property control experience to date in Italy, including Sicily and Region 3 (Naples); review of the difficulties anticipated in Rome. The interview will cover the aims and functions of AMG property control, statistics and examples of types and varieties of property under control.
3. The material should present property control in Italy as an experiment, and as a view of the much greater and more complicated situation anticipated in Germany, France and other parts of Europe where the Nazis have scrambled property almost inextricably.
4. It is requested that this suggestion be brought to the notice of correspondents of the "New York Times", "London Times", "Chicago Daily News" and "Reuters", among others.
5. This communication will be forwarded to Colonel Kenneth Clark, 5 Army PRO, for his attention.
6. The date for the interview has been tentatively set (subject to change by you) for Thursday, 20 January, at 1030 hours, at the PRO Office, 1st Floor, Provincia Building, Naples.
7. Property Control officers of ACC-AMG HQ, Region 3 AMG, and Region 4 AMG will be present.
