Riferendomi alla nostra corrispondenza precedente mi
pregio comunicarVi, che ora, dopo la liberazione di Roma,
ho urgente bisogno di poter recarmi costà per mettermi, al
più presto possibile, in diretto contatto con il Ministro
plenipotenziario Svedese, con il quali sono rimasto fuori
ogni comunicazione fin dal mese di agosto 1943.

Comprendendo la difficoltà, che ancora esiste riguar-
dante il rilascio del permesso speciale per tale viaggio,
mi permetto di rivolgermi a Voi con la preghiera di voler
appoggiare gentilmente la mia domanda, che presenterò il
giorno 15 corrente all'Autorità competente Alleata.

Il viaggio farò coll'autovettura insieme al Signor

bisogno di fermarmi due a tre giorni a Roma. Vi fo notare,

LEGATION DES PAYS-BAS
N° 12 0°/867.

N o t e V e r b a l e .

Se référant à la note du 8 janvier dernier, Division B, n° 7, la Légation Royale des Pays-Bas a l'honneur de porter à la connaissance du Ministère Royal des Affaires Etrangères, que le Gouvernement Néerlandais a envoyé le Consul-Général Middelburg comme son représentant, fondé de pouvoirs étendus, à Alger, avec comme destination finale l'Italie, où il prendra la charge des intérêts néerlandais.

M. Middelburg a été chargé de se concerter avec les autorités Suédoises, représentant les intérêts néerlandais dans le territoire italien aux mains des alliés, concernant la reprise de ces intérêts etc..

Le Gouvernement Néerlandais apprécierait hautement si le Gouvernement Suédois voulait bien continuer à sauvegarder les intérêts néerlandais en Italie jusqu'au moment, où M. Middelburg aura pu en assumer la charge.

Les subventions, mentionnées dans la note susvisée, sont accordées; toutefois il serait préférable qu'une somme pas trop large soit transférée à ce but au Consul de Suède à Naples, puisque probablement ces subventions seront sous peu payées par les autorités néerlandais.

Executive Commissioner -

I regret that slow mental processes require me now to resubmit these passes for the "Swedish Vice Consul" and party for your further consideration.

The Swedish Vice Consul has not so far as I can determine been acknowledged as such ^{by ACC} since September last. As you know, only United Nations consular officers have been permitted by SACMED to come to liberated Italy since January 1944.

The whole question of acknowledging neutral consular officers has in the last few days been raised by AFHQ, ~~and~~ in regard to a Swiss demarche. No final decision has been made.

It would appear, therefore, that if Richter is to be allowed to go to Rome at all, he might better go as a private citizen at this time. May I have your comment? J. H. G.
