Samuel Reeber, Esq.,
Counsellor of Embassy.

Dear Mr. Reeber:

This office has come into possession of information regarding a Fascist Italian who was formerly a director of large scale economic and financial transactions between the Fascist Italian Government and Spain. Through the information which this individual has, it is thought that it might be possible to freeze many millions in pesetas which the Italian de facto government has in Spain in the form of factories, investments, banking branches and other financial and economic enterprises.

Would you be interested in receiving more information on this particular case and would you be interesting in handling it.

If this is out of your line, I should appreciate very much your recommendations as to just how we should proceed in this matter.

Sincerely yours,

J. W. TUMPELLY,
Lt. Colonel, Inf.,
Acting Chief, JICA/RASC.
