1. The Political Section of the ~~XXV~~ Allied Commission presents its compliments to the Yugoslav Delegation ^{by} the Advisory Council for Italy and has the honor to request the Delegation's assistance in the following matter:
2. Captain Vincenzo Maffei, a medical officer of the Royal Italian Navy was attached to the Naval hospital at MEDINE (CATTARO) where ⁿ in September 1943 he was taken prisoner by the Germans and transferred, first to Pagosa, and then to SLAKO to act as a doctor to the civil population there. On the 2nd August, 1944, Captain Maffei escaped and reached the Island of Vis together with certain other Italians. While, however, the latter were at once repatriated by the Yugoslav authorities, Captain Maffei was obliged to serve with the "Ambulanta Artilerije XXVI Divizije" of the M.O.V.J. and is still with that unit.
3. The Italian authorities ^{have} ~~was~~ pointed out that Captain Maffei is not a volunteer and that he has refused to serve as a partisan in the Yugoslav Army of Liberation. His continued detention by the Yugoslav authorities is therefore a violation of the accepted procedure regarding naval officers who have still to carry out service obligations.
4. The Political Section will be grateful if the Delegation will refer the above question to the Yugoslav Government and request them to arrange the early release and repatriation of Captain Maffei.

Subject: Capt. (M.O.) Vincenzo MAFEI, I.R.N.

1. The above Medical Officer, attached to I.R.N. Hospital at Melina (Cattaro), was taken prisoner by the Germans in September, 1943 and transferred to Ragusa - later to Siano to act as doctor to the civilian population there.

2. On 2nd August 1944, Capt. MAFEI managed to escape and reach Diosa Island (VIS) together with other escapees; but while the latter were put aboard a ship bound for Italy by the Yugoslav Authorities, he was obliged by them to serve with "Ambulanta Artilerije XVI Divizije of H.C.V.J.", where he is at the present time.

3. MAFEI is not a volunteer and refused to serve in the Yugoslav Army of Liberation as a partisan; therefore his being held by the Yugoslav Authorities is a violation of procedure concerning an I.R.N. Officer who still has to carry out Service obligations.

4. I request your Command to kindly intervene with the Yugoslav Authorities to obtain Capt. MAFEI's release and repatriation to Italy.

Rome, December 28, 1944

My dear Prunas,

The Department of State has asked me to inform the Ministry of Foreign Affairs that the Italian Minister in Bern has consistently cooperated during the readjustment period with both British and American Legations there. Signor Magistrati appears to have handled with tact and to the best interests of Italy the very difficult and unusual problems arising from the presence in Switzerland of numerous and assorted Italian refugees, as well as the delicate political situation. This applies similarly to Signor Alessandrini, who served as Counselor of Legation under Signor Magistrati.

The Department of State has also asked me to say that it does not wish of course to intervene in the disposition of Italian Foreign Service personnel but it does wish the facts to be known.

With best wishes,

Yours sincerely,

ALEXANDER VIRE

Impiegato alle poste, dopo l'occupazione tedesca abbandonò l'impiego per non collaborare con i tedeschi.

Essendo soggetto a chiamate del fù Governo Repubblicano, il padre cercò in tutti i modi di nascondere; il giorno 1.3.1944 uscito per restituire una vanga che era stata prestata al padre, fatto appena una cinquantina di metri, fu preso dai fascisti repubblicani di Quarticciolo e l'allora Vice Fiduciario Macci Ugo, attualmente detenuto dagli Alleati, lo obbligò, dietro minaccia al comando tedesco, di iscriversi al fascio repubblicano. Dopo un periodo, passato a Piazza Colonna e poi successivamente a Via Marsala, il padre riuscì a farlo scappare e a tenerlo nascosto fino all'arrivo degli Alleati.

Mon Cher Conte,

Voici copie de ce document que je vous ai montré hier, concernant ce garçon arrêté le 1er août à Centocelle par la police italienne, pour avoir été au service du régime fasciste. Ceci montre que s'il l'a été, c'est bien malgré lui et certainement pas par conviction politique: J'ai d'ailleurs été témoin de l'enthousiasme exubérant de ses jeunes soeurs (dont l'une était fille de cuisine à notre service) à l'entrée des Forces alliées à Rome. Les sentiments de cette famille ne me paraissent guère suspects.

A la caserne des Carabinieri de la Via del Pigneto, on a refusé d'indiquer à la famille le lieu de détention du jeune homme.

Mille mercis de ce que vous avez bien voulu me promettre de tenter quoique je n'aie aucun titre à intervenir ici en faveur d'un Italien.

Croyez, mon cher Conte, à mes sentiments bien amicalement dévoués.

4 NOV 1944 1

About three weeks ago a certain Dr. Malachini called on Mr. Caccia to present a memorandum explaining his capabilities as a political, economic and psychological expert on North Italy. He wished to "do his part" by assisting as a kind of adviser to Military Authorities in Northern Italy.

Miss Cameron received his memorandum, and I translated it. I remember she showed it to Mr. Caccia, but I have not seen it since, and it is not in our files.

Today Prof. Malachini called again to see Mr. Caccia. He presented the attached note which he wished to be attached to the other memorandum.

He would like to know if we can use his 'expert knowledge'.

Il sottoscritto chiede che venga esaminata la possibilità e la convenienza di farlo assumere quale Commissario Politico o Prefetto alle dipendenze della Amministrazione Militare Alleata per la città di Verona e provincia quando quella verrà occupata.

Egli è nativo della città: ha la famiglia in un paese della Provincia che ha dovuto abbandonare nell'aprile u.s. per non essere arrestato.

Egli conosce bene le condizioni delle popolazioni della provincia dal punto di vista politico, economico e psicologico. E' stato a capo per breve periodo del locale Comitato di Liberazione Nazionale. In detto periodo richiamò l'attenzione del Comitato sul pericolo tedesco che si andava delineando (25 luglio - 8 settembre) e ne diede comunicazione a S.E.

Dear John:

As of possible interest to you I pass on some information received from Party Worker about Carlo Malaparte, socialist who has been arrested in Capri but subsequently released. In 1942 I had a letter from Ambassador Phillips saying that the information he had received from Worker was extraordinarily useful to the U. S. Government. Worker now says that he obtained this information from Malaparte and believes that someone speaking in his name could secure much useful information from Malaparte, who under cover of a Fascist loyalty remained a consistent and courageous friend of ours and of the British throughout the time Worker was in touch with him. I transmit this information for whatever value it may have to you and your people.

I had hoped before this to have seen you again in Naples but now I am told you are in the hospital. I hope nothing serious. Take care of yourself. There is still much to do.

All of the best.

Mr. Philipp Malhamé, born in Beyrut (Syria) on October 20,

1881, a consular secretary at the German Embassy in Rome, bearer

of passport No. 1319 issued by the Foreign Office in Berlin on

June 24, 1940, was unable to leave Rome together with the other

members of the Embassy on account of his precarious state of health,

1/. as will be seen from the attached medical certificate.

The Swiss Legation in charge of German interests in the territory occupied by the Allied Military Forces in Italy submits this case to the courteous attention of the competent authorities and takes the liberty to suggest that Mr. Malhamé be permitted to stay in a clinic in Rome. Mr. Malhamé's serious illness

justifies, in the opinion of the Swiss Legation, this request. 2866

Sir,

With reference to the application made by Mrs Eleonora MANCUSO, employed at this Legation, British Interests Section, we wish to bring to your attention the fact that the car owned by Mrs Mancuso is to be used as a means of transportation for the personnel of the British Section, it being the only car available which can be used for this purpose.

We would therefore appreciate it very much if you could consider the possibility of granting Mrs. Mancuso a permit to circulate with her FIAT car, Type 500-Plate N.61143.

Very truly yours,

Many thanks for your letter of 26 September about Sottotenente Dr. Igor Randic. I have discussed this case with USA but regret to say that our conclusion was that our intervention would inevitably create an awkward precedent. Indeed, USA not only advise against it on this ground but also because they do not wish to be accused of favoritism.

OFFICE OF THE REPRESENTATIVE AT BARI
OF THE RESIDENT MINISTER
CENTRAL MEDITERRANEAN,

26th September, 1944.

My dear Harold,

I have received a request from Dr. Ante Mandić, a leading member of the Yugoslav Partisan Committee in Croatia, and one of the delegates of the former Yugoslav Committee in 1918, for the release of his son from the Italian Army.

The Mandić family are Slovenes from Istria, and this raises the old issue of the Partisan attempts to recruit such Slovenes out of the Italian armed forces.

The son, Sottotenente Dr. Igor Mandić, is himself anxious to be released from his unit and to join the Yugoslav National Army of Liberation. His address is: Depot 55, Reggimento Artigliera Vibo Valentia, Calabria.

If you think this case would not create an awkward precedent, perhaps you would be good enough to sound the Italian military authorities on their reaction to this request.

Yours ever,

MEMORANDUM FOR THE POLITICAL SECTION A.C.

Further to memorandum n° 6/1215/525 of December 9th, it is to be pointed out that Baron Franco MALPAGGI has not been included in the list of the personnel due to leave for England by sea, having informed this Ministry that he wished to travel as soon as possible by air and that he had already forwarded to the proper Allied Authorities his application to that effect.

As regards signor MANZINI, Secretary to the Italian Embassy in London, the Political Section is already aware that he wished to travel by air to Lisbon where he has to collect his luggage.

It might, however, be more convenient that he travelled by sea together with the personnel going to Portugal (see group C of memorandum 6/1215/525) and thence proceed to England with the first available means.

We also enclose the application for military travel authorizations. It has been explained to the Office of the British Resident at APO 312 at Allied Force Headquarters, a request has been received that Signor Martini, one of the Secretaries of the Mission should be provided with facilities to travel by air via Gibraltar, instead of by sea on or about December 1st. Io sottoscritto Martuscelli Giuseppe fu Metastasio, della classe 1922, di professione commerciante, primogenito di cinque fratelli, tutti a mio carico, mi permetto fare appello a codesta Onorevole Commissione, affinché voglia prendere in considerazione quanto segue:

Già orfano di madre, tre anni or sono circa, restai anche privo di mio padre; la sua morte immatura avvenne per le seguenti ragioni: egli, insieme ad altri quattro compagni fu accusato come incitatore alla rivolta antifascista; fu arrestato e trattenuto in carcere. Dopo venti giorni potei ottenere la scarcerazione provvisoria. Ritornando a casa gravemente ammalato, causa i duri patimenti sofferti in carcere, i quali non tardarono a procurargli la morte, lasciando la mia famiglia in condizioni criticissime. Tali condizioni aggravandosi sempre più, mi hanno indotto a ricorrere a codesta Onorevole Commissione, a volersi interessare provvandomi un posto di impiego e di lavoro oppure, imbarcarmi su nave mercantile allestita in qualità di segnalatore (compito già svolto nella Marina italiana) in modo da trarne il quotidiano, impellente mantenimento per la mia sventurata famiglia.

Restando in tale fiduciosa attesa, gradisco i miei più rispettosissimi ossequi.

I understand that the Ministry of Information can do nothing to facilitate the journey of Mrs. Marus to Italy until Allied Force Headquarters have authorised her entry into the country. I therefore suggest that, if you have not already done so, you approach Allied Force Headquarters and thereafter the Ministry of Information be asked, through the British Embassy, to make arrangements for Mrs. Marus to leave the United Kingdom.

Perugia, 12 October, 1944

Dear Mr. Kirk,

My work in Perugia, with the A.M.G., has advanced so far that it may be considered as completed and I can leave it with a clear conscience. As the winter in Perugia is very severe and as my memories of my long detention here are not pleasant I desire to remove to Rome until such time as we can return to our home in the Principality of Monaco. Naturally if I am occupied with something of sufficient importance to warrant my remaining longer in Rome I will do so as I am most anxious to be of real service to our cause.

Recently I have been informed that the A.C.C. intends to employ civilian administrators and this is to request your good offices on my behalf for such an appointment. The question of monetary compensation is of no consequence. The important consideration is to obtain two rooms in an A.C.C. hotel and the right of my wife and our two daughters to live and mess there with me, at my expense.

Colonel Carroll and Majors Shriver and Hamilton, all of the A.C.C. are familiar with my work and I believe you also know enough about me to know what I can do. Colonel Balser, the Provincial Commissioner here desires to retain my services but I feel that I have done my share in Perugia and must try to make better arrangements for winter quarters for my family.

Please do what you can for us and accept my grateful thanks in advance.

Most sincerely yours,

/s/ Lester Maynard.

Mr. Walter Orebaugh, U.S. Consul at Monte Carlo, France, his two secretaries - Anne Charrier and Amy Houlden, - and Mr. Lester Maynard, retired American Consul General, were arrested on November 30, 1942 by the Italian authorities in Monte Carlo. They were transferred to Gubbio, province of Perugia, and interned at the Hotel San Marco. On March 15, 1943 the party was transferred to the Bruffani Hotel at Perugia.

Due to the events of September 7, 1943 (Italian armistice) Mr. Orebaugh and his two secretaries succeeded to evade the Italian control and to hide from the occupation forces, while Mr. Lester Maynard and his family preferred to remain at the Hotel Bruffani under the surveillance of the Italian and German authorities. Mr. Maynard's wife and his two children had joined their respective husband and father at the Hotel Bruffani, Perugia, on September 2, 1943.

The last information regarding this case dates back to May 4, 1944; at that time Mr. Maynard was still at the Hotel Bruffani, Perugia, while Mr. Orebaugh had joined the allied front and left for the United States. It seems that his two secretaries are at present in Rome.

TO : Italian Ministry of Foreign Affairs

1. Reference the Ministry's Memorandum No. 6/1147/487 dated 2 December 1944.

2. In the memorandum under reference the Ministry requested the repatriation of Signor Mazzone to permit him to return to his family which was said to be residing at Messina.

3. This request was transmitted to Allied Force Headquarters who now advise that Signor Mazzone has applied for permission to have his wife, Elvira Pauline Malatesta Mazzone and children, Libero aged 7 and Cefiera aged 10, to accompany him. The wife was born in Tunis and has never left there.

4. AFHQ originally had approved of the repatriation of Signor Mazzone but it now points out that had his intention to bring with him his family been known at the time of the original application, it probably would have influenced the decision adversely.

5. In view of the fact that the family of Signor Mazzone actually reside in Tunis and that he desires to bring its members to Italy with him, it would be appreciated were the Ministry to notify the Political Section, A.C. if it still supports this application.

2. It is now learned that Signor MAZZONE has applied for his wife ELVIRE PAULINE (nee MAIATESTA) and children, LIBERO aged 7 and CATERO aged 10, to accompany him. The wife was born in Tunis and has never left there.

3. It is pointed out that had this intention been known at the time of the original application it would probably have influenced the decision adversely.

4. You are requested to bring this to the notice of the Italian Ministry of Foreign Affairs and to inquire whether that Ministry still supports the application. Your recommendation in the light of the new facts would also be appreciated.
