My dear Mr. Prime Minister:

This is to acknowledge receipt of your letter 10859/7.2 of 25 July 1944, relative to requisitioning and re-requisitioning of buildings, furniture, cars and accessories, property of the public administrations.

The matter is being taken up with the appropriate military authority with a view of clarifying the situation and placing it on a workable basis. It will doubtless be necessary for you to appoint an official with whom all matters relative to requisitioning can be handled. Will you please indicate the name of such representative.

Yours very truly,
