Dear Miss Hopkins,

We wrote to the Foreign Office on March 29th to ask them to find out what was happening about the payment of the Italian administrative personnel in former Italian Somaliland but never had an answer. I have sent a reminder to-day.

Dear Caccia,

According to the enclosed letter, the Treasury Director in Mogadiscio (Somaliland), Dr. Giuseppe Traina, has received no retribution for the last two years, notwithstanding he continued to serve, in his regular capacity, after the occupation of the colony.

I submit this case to your kind attention and shall be very grateful for anything you will be able to do in favour of Dr. Traina.

I seize this opportunity, to ask you whether you would be so kind as to give me any possible information on the financial treatment allowed to personnel of the Italian administration in Mogadiscio. Such informations would be of great use in dealing with the different requests which, from time to time, are being submitted to us.

Believe me,

Yours very sincerely,

My brother, Cav. Lt. Giuseppe Trina, Treasury Director in Calabria (Cassino) since 1934, remained in Calabria with his entire family (his wife and two children) even after the Anglo-American occupation, and has always continued to discharge his duties as Treasury Director. He has informed me, through a prisoner who is in Kenya, that for the last two years the Allied Government has paid him no salary. As he does not receive any payments from the Italian Government, after exhausting all his resources, he finds himself in misery. He begs me to add to the list of your excellency to provide accordingly.

Also, excellency, much concern myself with his official situation, which is usually common to all the other officials who remained in Calabria, and wish the necessary arrangements with the Allied Military Command to give a salary be paid to him.

Very respectfully,

Without entering into the merits of the question, which is outside the province of this Ministry, it would be appreciated if the said Authorities would kindly carry out their enquiry with all possible dispatch in order to avoid that Marchese Trigona's detention be unduly prolonged.

MEMORANDUM

Marchese Emanuele Trigona di Canicaro, resident - Florence, has been apprehended in these last days by the local Command of the Field Security Service and detained in Florence in the St. Teresa prison since October the 2nd inst.

At the time of his arrest he was questioned by a British officer on his political past; the officer made him understand that the appointments he had held were sufficient to provoke his internment.

In this connexion it may be pointed out:

1) Emanuele Trigona's outstanding industrial position is prior to his entry into political life. He was, in fact, appointed Managing-director of the Magona d'Italia Company in 1918.

In the Firm, of which he is V. President, he was also appointed Director in 1927, that is before being elected member of the House of Deputies. The only industrial appointment conferred upon him after having held political posts was the Presidency of the Alfa-Romeo. Give him after having been for three years Under-Secretary of State to the Ministry of Corporations.

2) Marchese Trigona has never been "squadrista". He became member of the Fascist Party after the march on Rome, his competence and moderation are well known, as well as the broadness of his views that consented him maintaining friendly relations
