MEMORANDUM FOR: The Section, Allied Force Headquarters
Copy to: British Resident Minister
H. B. Political Adviser

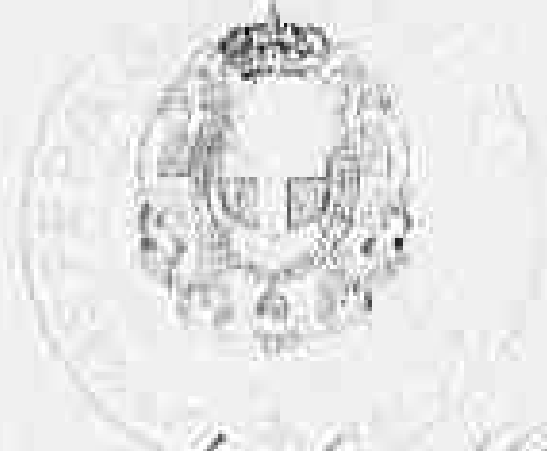

1. The Italian Ministry of Foreign Affairs has requested authorization for the return of Prof. Lion Venturi from the United States to Rome and facilities for his travel.

2. It is stated that Prof. Venturi was deprived of his chair at the University of Turin because of his refusal to take the oath of allegiance to the Fascist Regime and that he now is located in the vicinity of New York at the Columbia University in New York.

*Ministero degli Affari Esteri*MEMORANDUM FOR THE POLITICAL SECTION A.S.

Signor Lionello Venturi, Professor of History of Art at the University of Turin, was dispensed from teaching and forced to leave that University in 1931 for refusing to take the oath of allegiance to the Fascist Regime. He left for the United States where he resides at present, as a teacher of History of Art at the Columbia University in New York. Prof. Venturi claims the right, under the existing laws, to resume his chair at the University of Turin; his presence in Italy would furthermore enable the Ministero della Pubblica Istruzione to avail itself of the services of this expert in the works of restoration of the artistic treasures damaged by the war in Italian territory. The Ministry for Foreign Affairs would therefore much appreciate the kind interest given the matter by the Political Section with a view to obtaining that Prof. Venturi's return to Italy be authorized and facilitated. *WLB*

SUBJECT: Recall of Varrando

No. 570: Subject. The Commercial Commissioner here, Verrando, has asked me to support a request by him to the Ministry of Finance with which he asks to be recalled to Italy or sent anywhere Royal Government intends to utilize his long experience as mercantile technician. I shall dislike losing the work of such a capable collaborator whose presence in Spain is useful under the difficult circumstances following the Armistice, I believe it my duty to follow request of Verrando, taking into consideration the fact that matter of Italian Merchant Marine in Spanish waters is practically settled which casts some of his experience can be very profitable to R. Government at this time. ..contents of Dec 10 of my report 3590 of Dec 25 about Verrando's recall and Mancini.

R. MINISTRE DES AFFAIRES ETRANGERES

27 February 1964

No. 889

TO: GENERAL NOEL VANCE MACFARLANE
Chief of the Allied Control Commission
Naples

My dear General MacFarlane:-

I would be grateful to you if you could intervene in a secondary matter, but which for us has a certain importance. Lately, in Spain the enemy tries to infiltrate and take control of important Italian activities. Our Embassy at Madrid, in strict collaboration with the Ambassadors of Great Britain and the United States, has taken effective steps to frustrate such attempts. In December last, our Ambassador, in accord with his British and American colleagues, sent to Brindisi Mr. Italo S. Verrando, First Commercial and Financial Counsellor of our Embassy, to report on the situation and to make some suggestions.

Thanks to the British Embassy and with the approval of the American Embassy, Mr. Verrando arrived at Brindisi on January 8th last; after completing his mission and receiving his instructions, he intended to return to Madrid at the earliest possible time and made request through the Ministry of Foreign Affairs, for air transportation from Italy to Gibraltar, to the A.C.C. (at Brindisi). The request was made on January 15th and further requests for quick compliance proved fruitless.

I understand perfectly that at present there may be extraordinary limitations in the granting of air transportation to Italian civilian Government employees. Is it nevertheless possible to facilitate this, in view of the circumstances? It would prove useful to us if Mr. Verrando could carry on his beneficial activities in Spain.

Mr. Verrando is a loyal, trustworthy servant of the State and a sincere supporter of collaboration with the Allies. He is an employee of Grade IV, similar to the rank of Minister.

Very cordially Yours.

/s/ BADOLIO
