UNITED STATES REPRESENTATIVE
ADVISORY COUNCIL FOR ITALY

Rome, November 25, 1944

MEMORANDUM:

TO: Political Section, Allied Commission.
SUBJECT: Patent Rights for Inventors.

With reference to the attached inquiry as to the proper procedure to be followed by Italian citizens who wish to take out patent rights on inventions in countries of the United Nations in so far as the United States is concerned, inventors should refer all inquiries to the National Inventors Council, care of Department of Commerce, Washington, D. C. This organization has been established for the express purpose of handling matters pertaining to inventions and patent rights.

In exceptional cases, if for security purposes it is impossible for the inventor to communicate through the open mail with this organization, details of inventions may be sent by diplomatic pouch.
