MEMORANDUM TO: Consulate of Turkey, Rome.

SUBJECT : Communications.

The Political Section of the Allied Commission presents its compliments to the Consulate of Turkey and has to refer to letter N. 169/46 requesting enclosed telegram to be transmitted to Ankara.

It is deeply regretted that so much difficulty has been experienced by the Consulate in transmitting its telegrams. Existing regulations permit that representatives of neutral countries accredited to Rome communicate with their governments in clear, filing their messages direct with Cable and Wireless, Via 23 Marzo. This regulation has been brought to the attention of Cable and Wireless with the especial indication that telegrams from the Turkish Consulate should be accepted directly for transmittal and that it is not necessary for them to pass through this Section.

It is hoped that no future difficulties will arise in this regard, and that the Consulate's telegrams will no longer be refused.
