ACCUSATION OF PROFASCIST ACTIVITY, AGAINST ACQUARONE,
EX MINISTER OF THE SAVOY HOUSE.--

Who represents the Antifascist Government at Lisbon?
ELIASO DIAYETALI Ex chief of Cabinet of Minister CIANO
ex member of the Directorate of Mystic Fascism etc....
who on the 25th July fled to Lisbon by aeroplane, thanks
to the personal influence of ACQUARONE, with a valise of
CIANO full of valuables! Poor epuration! Even the most
antifascist member of the Government is becoming longarmed!!
It is the "Unity" which frees from fleas the numerous small
fascist employees with the big it is blind! So very useful!
and the proletarian portafolio becomes wealthy middle-class
even with ex ACQUARONE money!

What is the rascal doing in Rome?
Why don't they seize his Villa and car? Under what pretext
is he allowed to use it?
We will see what you are capable of doing in acts and not
by words. S.I.-
Why don't you appoint a Commission to his affairs (Society
TREZZA) on Customs duty?
