Most Urgent and Secret. Personal for Prunas. Please bring the special attention of Marshal Badoglio to my telegrams Nos. 75, 123, 151 and 192. In order to avoid the eventual displeasure of the Spanish Government which holds a most rigid attitude in the matter, it is extremely urgent that I be notified the name of the successor to the Royal Military Attache. It is also necessary to authorize Colonel Carnevale to leave as soon as the appointment is made known to the Spanish Government without waiting for the arrival of his successor.
