817. BEER - RETURN OF EMPTY CONTAINERS

The following extracts from GRO No. 1059, S/N 51, dated 22 Dec 44, are published for the information and guidance of all:-

1. The issue of beer in this theatre is largely dependent on local production. The distribution of this local production is being prejudiced by the non-return of empty bottles and cases. If this state of affairs continues, the full capacity of local breweries cannot be utilized, and issues to the troops will be correspondingly reduced.

CONTINUED ON SHEET 2.

Declassified E.O. 12356 Section 3.3/NND No. 785021

10871

2. With effect from 1st January therefore issue of beer from EFI on a strict bottle for bottle and case for case basis will be rigidly enforced.

3. Where, owing to increases in strength, a unit's indent exceeds the number of bottles drawn at the last issue, indents will be endorsed accordingly and signed by an officer and EFI will meet the indent. In the event of a decrease in strength, units will return all bottles and cases and draw only the amount to which their strength entitles them.

4. It is recognized that there will be a wastage due to fair wear and tear. EFI will therefore make an allowance, when necessary up to 5% per issue, to cover losses due to this cause.

5. The above instruction is issued in the interests of all troops and will depend for its success on the co-operation of all concerned.

The following orders in respect of AB64 Parts I & II are repeated for information and strict compliance of all concerned :-

(a) Identification - O.Rs.

AB64 (Parts I & II) provides the soldier's only means of identification. Many troops stationed in ROME are unable to produce either of these when called upon by C.M.P. to do so.

Therefore no O.R. of this Headquarters will leave billets for any reason unless he is in possession of AB64 (Part I or II).

If for any reason it is essential for any O.R. to hand in his AB64 before leaving billets a certificate, signed by the O.C. British Detachment, stating the circumstances, will be given to him.

(b) Next of Kin - Amendments to AB64 Part I.

In conjunction with ACI 667/44, the following is laid down for all O.Rs. of this Headquarters :-

Any alteration in the particulars of the next of kin will be reported immediately to the British Orderly Room.

Such alterations will then be made by the soldier concerned in his AB64 Part I under the observation of the O.C. who will initial the new entry.

(c) Hospital Admissions.

It is again emphasised that when proceeding to hospital either for treatment or admittance, all O.Rs. will ensure that they are in possession of their AB64 Parts I and II.

(d) Duty-Free Labels.

Other Ranks of this Headquarters are in the habit of leaving their AB64 Part I with the Orderly Room duty clerk requesting an issue of Duty-Free Labels, with a view of collecting same at a later date. This practice is most irregular and will cease forthwith.

It is pointed out that A.Fs.W5192 are signed by an officer and the labels must be signed for by the recipient.

The previous order on this subject is repeated hereunder for strict compliance.

"Duty-Free Labels are obtained from the Orderly Room between 0830 and 0900 hrs daily and personnel will produce their AB64 Part I when applying for same."

(i) Whilst the apprehension of absentees and deserters is primarily a provost responsibility, it is also a duty cast upon all ranks. Absentees or deserters frequently state on interrogation after arrest that during their period of absence they obtained food and accommodation from British Units and travelled by means of lifts in W.D. transport.

(ii) To counteract the activities of absentees and to bring about their early arrest, all ranks are instructed to co-operate as fully as possible with the C.M.P. by such means as detaining suspicious persons or giving immediate information thereof to the C.M.P. The following orders are brought to the notice of all ranks for strict compliance:-

(a) Orderly N.C.Os., Guards and Sentries will examine thoroughly all casual persons who seek accomodation. A.B.64, leave pass, transport work ticket (AF C3518) and any other documents purporting to be an authority for movement will be carefully scrutinised.

(b) Unit cooks and cookhouse orderlies will not supply rations or meals to persons not normally on the unit strength without previous enquiry of their identity.

(c) Duty personnel of the O.Rs' billets, M.I.Room, stores, petrol point, and other similar places will not administer, or make issues to anyone unless assured of their identity.

(d) Drivers will if possible when giving lifts, first scrutinise the documents of the applicant - if in doubt as to his bona fides he should be driven to the nearest C.M.P. detachment or patrol for investigation.

(e) Dirty and unkempt soldiers will, if unable to offer a satisfactory explanation regarding themselves, be conducted to the nearest C.M.P. detachment or patrol - as also any soldier seeking information regarding civilian accommodation.

(iii) It is stressed that all ranks should become "deserter conscious" as a loss of man power must inevitably retard the final defeat of the enemy.

747. AIR LETTER ISSUES.

With effect from 17 Dec 44 the number of Air Letters which may be despatched by Service Personnel of British, Dominion and Colonial troops ceases to be rationed. This ruling applies to all destinations to which air letters may be despatched under existing regulations. The privilege and regulations of air letters being despatched with the endorsement as for ordinary Green Envelopes, remains in force.

However, some time will elapse before supplies of air letters in sufficient quantities can reach this theatre. To ensure equitable distribution over this period, units are restricted to a total issue of 3 air letters per officer or man per week, but as soon as supplies permit, this restriction will be removed.

705. BOUNDS

BAAC Routine Order No. 305, S/N 22, dated 21 Nov 44, is republished hereunder for the information and guidance of all:-

"The latted encampment known as Campo Parioli (MR 7370) near the PNF Stadium is OUT OF BOUNDS to all ranks".

706. M.T. DISCIPLINE (GUARDING OF WD VEHICLES)

The following is published in conformity with GHQ 113/44 for strict compliance of all concerned:-

1. Numbers of WD vehicles continue to be lost through being left unattended, contrary to the orders in force. In many cases the vehicles were immobilized, but this was not sufficient to prevent determined thieves from stealing them. Many thefts of property from unattended vehicles have also been reported.
2. In future, therefore, WD vehicles (including motor-cycles) will never be left unattended, except:-
   (a) when essential on operational grounds,
   (b) on account of other urgent necessity,
   (c) in circumstances in which immobilization has been authorized.
3. When on duty, it is the driver's responsibility to ensure that arrangements are made for his vehicle to be safeguarded at all times.
   He must ensure that any car park or DR's motor-cycle park in which he leaves his vehicle is officially authorized and guarded.
4. The Military Police will not be used to guard vehicles of units other than

RAIC Routine Order No. 305, S/M 22, dated 21 Nov 44, is republished hereunder for the information and guidance of all:-

"The hutted encampment known as Campo Parioli (MC 7370) near the PNF Stadium is OUT OF BOUNDS to all ranks".

706. M.T. DISCIPLINE (GUARDING OF WD VEHICLES)

The following is published in conformity with GRO 113/44 for strict compliance of all concerned:-

1. Numbers of WD vehicles continue to be lost through being left unattended, contrary to the orders in force. In many cases the vehicles were immobilized, but this was not sufficient to prevent determined thieves from stealing them. Many thefts of property from unattended vehicles have also been reported.
2. In future, therefore, WD vehicles (including motor-cycles) will never be left unattended, except:-

(a) When essential on operational grounds,
(b) on account of other urgent necessity,
(c) in circumstances in which immobilization has been authorized.

3. When on duty, it is the driver's responsibility to ensure that arrangements are made for his vehicle to be safeguarded at all times.

He must ensure that any car park or DR's motor-cycle park in which he leaves his vehicle is officially authorized and guarded.

4. The Military Police will not be used to guard vehicles of units other than their own. The duty of "car parks", etc., is to control traffic and the parking of vehicles, and the fact that they are present does not absolve any driver from his responsibility for safeguarding his own vehicle.
5. The practice of immobilizing vehicles often leads to mechanical inefficiency and damage.

This method of safeguarding vehicles will no longer be used, except by officers permitted to do so under para 7 below.
6. Disciplinary action will be taken against drivers who leave their vehicles unattended, except as in para 2 (a), (b) and (c) above; and where as a result the vehicle, or any WD property contained therein, is lost, the offender will normally be tried by Court Martial.

Disciplinary action will also be considered against officers who fail to ensure that their drivers observe the provisions of this order.
7. (a) Certain officers have been supplied with WD or requisitioned vehicles for which no military drivers have been provided.

Where compliance with the terms of this GRO would hinder such officers in the proper performance of their duties, they will apply to their Bde, or equivalent HQ for a written permit to leave their vehicles unattended when no other arrangements can be made.

(b) This permit will be in the following form:-

"(Rank and name) of (Unit or Department) is authorised to leave WD/requisitioned vehicle number.....unattended while he is carrying out military duties, provided that:

(i) there is no military driver or other person in whose care the vehicle could be left,

(ii) there is no military unit within reasonable distance under whose guard the vehicle could be placed,

(iii) the vehicle is both locked (if possible) and immobilized".

The permit will be signed by or on behalf of the Bde, etc., Commander, and will be stamped with the HQ stamp.

(c) Such a permit will not be issued unless the authorizing officer is satisfied that the vehicle can be immobilized.

(d) It will be carried by the driver and produced on request of a Military Policeman or other proper authority.

(e) Possession of such a permit does not absolve an officer from making the best possible arrangements to have his car guarded at all times, nor does it affect his responsibility for the safety of any GD property or documents, etc., which may be in the vehicle.

(f) No permits will be issued in respect of motor-cycles, which will never be left unattended except as in para 2 above.

274. TRAFFIC DISCIPLINE (WET ROADS).

The attention of all drivers is drawn to the potential danger of bad skidding conditions on the roads of this theatre during wet weather.
The necessity of observing the utmost care at all times is stressed.

275. MEDICAL - INFECTIVE HEPATITIS (JAUNDICE).

There has recently been a noticeable increase in this disease which may be the fore-runner of a serious epidemic. The cause of the disease is as yet unknown but it is thought to be a virus infection which is spread by nose and throat "droplets", for instance, on drinking cups, glasses and so forth, and possibly through the agency of flies.
Overcrowding in billets, poor ventilation during sleeping hours, chill, physical strain and any conditions liable to lower resistance are predisposing factors.
The following preventive measures therefore will be strictly complied with by all concerned :-
(i) Glasses, in all messes etc., will after each time of use, be dipped and well rinsed in a strong solution of Water Sterilizing Powder (One teaspoonful of WSP to a bucket of water), and thereafter washed in drinking water. The WSP solution will be replaced with fresh solution every hour of use.
(ii) All mugs and cups, and other food utensils will be washed and [illegible] by the 3-container method.

656. DISCIPLINE

The u/n orders re the ORs' billets are republished for strict compliance of all concerned:-

Locking of Rooms (From reveille till "lights out")
Owing to several cases of petty thieving in the ORs' billets, all rooms of the Hotels Vaccari and Genova will be locked before leaving for duty, or when a room is left unattended. The last man to leave his room will lock the door and hand in the key to the duty policeman who will replace it on the key rack.

From 'lights out" till reveille.
It is essential that keys of all bedrooms in the Genova and Vaccari Hotels are left hanging on the hooks provided outside the door at night-time, when the occupants are asleep. In the cases where keys are not provided, the door may be closed but not locked on the inside. This is to facilitate an easier roll call at night, and if it is impossible to open the door the occupants either have to get up out of bed and open it, or be booked absent.

543. DISCIPLINE (GENERAL)

The following are extracts from a letter on "General Discipline" received from RAAC, and the importance of bearing in mind all points mentioned is emphasized to all ORs of this Detachment:-

(a) Absentees

The number of absentees picked up in Rome Area during the last few weeks has been considerable. The co-operation of all ranks is necessary to ensure that Rome shall not become such a hot-bed of desertion-crime as have other cities. Before giving lifts to service personnel, it is the duty of all ranks to satisfy themselves as to their bona-fides.

(b) Theft of Vehicles

The loss of W.D. and requisitioned vehicles in the future will be even more severely dealt with.

(c) Unauthorized Lifts to Civilians

This has resulted in known enemy agents quite easily getting about the country, and so more easily securing valuable information. Civilians may only be transported when in possession of an authority signed by an officer.

(d) Thefts from Vehicles

It is emphasized that when anyone besides the Pvr is travelling in a truck, that person shall always be in the back of the vehicle to safeguard its contents.

(e) Thefts from Quarters

ORs are reminded not to leave odd articles of clothing and personal belongings, etc., about. Prevention is better than cure.

(f) Dress, Saluting, Bearing

It is particularly desirable that in the Capital City of Italy representatives of the British Army shall set the highest example. There are still too many lapses and the fullest co-operation of all ranks is expected to maintain the high standard of bearing on which the British Army has always prided itself.

(g) Passes

All ORs are reminded that they must be in possession of a pass issued by their unit, authorizing their presence in Rome.

At a Rest Camp the cost of plates and cutlery pilfered over a period of four months was fifty-nine Pounds. In one Welfare Centre alone damages and breakages over a period of two months amounted to over one thousand Pounds.

2. It is pointed out that appreciable sums of money, which should be devoted to further improving the amenities at such centres, have to be used to defray the costs of replacement. In addition it is difficult, and in some cases impossible, to replace the losses.

GHQ 653/44 is cancelled.

1. An "all air" Air Letter service via Ceylon to Australia and New Zealand is now available to all personnel serving in this Command up to the full ration of two Air Letters per man per week.

473. MEDICAL (BLOOD DONORS)

DRO No 420 dated 29 Sep 44 is republished for information of all ranks at this Headquarters, and it is hoped that a bigger response will be given to this subject:-

Commitments of hospitals in Rome call for large numbers of blood donors. At the present time the number of volunteers is quite inadequate to meet the commitments.

Therefore, volunteers willing to give blood for the treatment of patients in hospitals are urgently required and are requested to report to the British M.I. Room, Headquarters Building, or TELEPHONE 478096. Such volunteers will be notified at a later date where they will be required to attend for the purpose of checking their suitability and Blood Group.

474. DISCIPLINE

(a) Passes. ORs are reminded that their AOO Official Pass must be carried at all times. This is the only official means by which Unit policemen can allow entry into any AOO building or billet.

(b) Pillows. Owing to the persistent stealing of pillows that continues in both the Hotels Genova & Vaccari, the proprietors have been instructed to withdraw all pillows.

It is regretted that the majority have to suffer in this way, but the difficulty experienced in tracing the culprits makes it impossible to allow them out on issue any longer.

450. WAR SAVINGS

The following extracts from GRO 774, S/N 39, dated 29 Sep 44 and appendix thereto, are published for information:-

1. To provide further facilities for the purchase of National Savings Certificates by soldiers, it has been decided that for this purpose remittances may be made for the sum of 15s 0d or any multiple of 15s 0d from credit balances on pay accounts by means of AF 01727A or AF 01727B if the soldier is serving overseas where the microgram service is available.
2. National Savings Certificates can now therefore be purchased outright through the Regimental Paymaster in the U.K. by the submission of the Family Remittance Form (AF 01727A or AF 01727B).
3. This scheme has the merits that the certificates are held on the soldier's behalf in the U.K., and that actual cash does NOT require to be transmitted.
4. National Savings Certificates purchased under this scheme will be retained in the custody of the Director of Savings, unless an application is made by the soldier for their disposal otherwise. Such applications should be addressed to the Director, Post Office Savings Department, Savings Certificate Division, Morecambe, Lancs.
5. If for any reason, it is not possible for the paymaster to effect purchase, the soldier will be informed accordingly through his C.O.

NOTE:- Any OR interested in the above scheme may obtain further information by applying to the Orderly Room (Pay NCO, Room 14, Albergo Genova).

(a) Arms. All ORs are reminded that rifles will not be kept in rooms but handed into the Armoury at the Geneva Hotel. This also applies to ORs at the Urbe Hotel.

(b) Conservation of Electricity. Last night several rooms of the ORs' billets were found empty of personnel, yet electric lights left switched on. It is repeated that lamps found alight unnecessarily are being confiscated, and to apply for their return is useless.

The electricity situation is CRITICAL, and it appears YOU will not appreciate this fact until all current is switched off.

378. WAR OFFICE CORRESPONDENCE COURSES SCHEME

The following extracts are published from General Routine Order No. 732, dated 15 Sep 44, for the information of all those interested.

Any OR requiring further particulars on this matter should report to the British Orderly Room.

1. Vocational and Postal Courses under the War Office Correspondence Courses Scheme are now open to all British and Allied Officers and Other Ranks serving in the Mediterranean Theatre of Operations.

2. The system of enrolment for this Theatre differs from that adopted for U.K. in that

(a) Commanding Officers will forward two copies of application forms as shown in Supplement No. 1 to the S.O. Education of the Formation in which the applicant is serving, and

(b) Text Books will be issued on loan direct to the Student and not to his unit, and the Student will be held responsible for their custody.

3. The Staff Officer (Edn) will try to interview personally each applicant in order to satisfy himself that the applicant is likely to derive educational benefit from the course applied for, and will keep a record of the applications dealt with.

4. The S.O. will forward both copies of each application for enrolment to the Chief Education Officer, A.F.H.Q., for onward transmission to the War Office by Official Air Mail. This procedure supersedes that laid down in Para 2. Method of Application, sub-para (iv) of Supplement No. 1 which should be amended accordingly.

5. On being accepted for a Course the student should forward his work for correction through his Orderly Room to the Chief Education Officer, A.F.H.Q., indicating the Professional Body, Correspondence College or tutor for whom it is intended. Work so forwarded must be kept as light as possible and paper should be used on both sides.

6. It is important that any change of address at any time after the submission of an application form be notified as soon as possible to the Chief Education Officer, G1/E/15, A.F.H.Q., and to the Staff Officer (Edn) of the Formation

2. Security

Cases are occurring in which military personnel are leaving films to be developed by civilian photographers and are also having portraits made and are then leaving their unit addresses with the request that the photographs be forwarded. This practice is strictly forbidden. The following paragraphs will explain the correct procedure for US & British troops.

3. Processing of Films for British Troops

Listed below are the only authorized photographers in ROME to whom British troops may submit films for developing and printing. Troops may leave films with these photographers, but may give their number, rank and name only. In the event that films will not be ready until after the departure of the person concerned the photographer should be instructed to deliver the films to either British Welfare, RAAC, or Town Major, ROME, as the case may be, who will forward them. Their addresses are:-

Welfare (British),
Room 450,
Headquarters,
Rome Allied Area Command.

Town Major,
Via Torino,
(Off Via Nazionale),
Rome.

It is incumbent upon the individual to contact Welfare or Town Major so that forwarding can be accomplished in due course.

Authorized Photographers in ROME are:-

VASARI	-	Via Condotti 39 navi
		Via Lodovici 6
HAVONE	-	Via del Tritone 199
D'AMICO Fratelli	-	Via San Claudio 87a and

4. Portrait Photographs

Contents of this paragraph apply equally to British and US troops. As long as unit addresses are not given to portrait photographers, there is no restriction regarding establishments who do this type of work. As explained in previous paragraphs, if the work is not completed before the departure of the individual from ROME, the individual must make arrangements for the finished portrait to be ~~delivered to~~ Red Cross (US), Welfare (British), or Town Major, (British) or some other WD establishment for forwarding purposes.

GROs 682/43, paras 33, 34, 35 and 36, and 228/44 are cancelled. The following regulations will apply.

1.(a) All ranks of the Allied Forces serving overseas may send to the United Kingdom each year dutiable goods not exceeding £5 in value, free of Customs duty.

(b) The concession which permits the despatch of duty free parcels in no way effects the position with regard to ordinary gift parcels which may continue to be sent subject to the conditions of GRO 682/43, para 32.

(c) The concession applies to all ranks of Allied Forces. It does not apply to Merchant Navy and employed civilian personnel or the personnel of Red Cross and philanthropic bodies.

2. Duty free parcels must not weigh more than 5 lbs., including packing, nor may any parcel contain:-

(a) drinkable spirits;

(b) more than ½ lb. total weight of tobacco, cigars or cigarettes (200 cigarettes or 50 cigars equal ½ lb.). Tobacco, cigars or cigarettes marked "H.M. Ships only" or "NAAFI stores for H.M. Forces" may not be sent;

(c) more than 2 lbs. of any one foodstuff;

(d) any article purchased directly or indirectly from a NAAFI (EFI) or other Canteen, except articles which the sender can establish had their origin in a country other than in the U.K. or North America;

(f) more than ½ pint of scent.

3. Each concession parcel will bear a customs declaration label (AF C5192) obtainable by units on indent from the nearest Stationery Depot.

Until special labels, value £4, £6 and £8 are available, troops may use two, three or four of the existing labels on the basis that each label is valued at £2. If the labels are not gummed, units will make arrangements for fixing them to parcels by means of adhesive paste or gum arabic, supplies of which may be obtained from the same source.

4.(a) The labels will be held in the custody of an officer. They will be issued

If the labels are not gummed, units will make arrangements for fixing them to parcels by means of adhesive paste or gum arabic, supplies of which may be obtained from the same source.

4.(a) The labels will be held in the custody of an officer. They will be issued on demand to Officers and Other Ranks or as laid down by the unit. Troops may be issued with labels at choice provided that no individual may be issued in any one year with labels totalling more than £8 in value.

(b) Not more than four Duty Free parcels may be sent by any individual during a period of one year.

(c) The value of the labels issued will be recorded by the issuing officer in AB 64 Part I for Other Ranks, on a blank page if available or on a gummed slip, inserted in the Books.

290. RATIONS (Hospital Out-Patients)

The following is published in conjunction with RAAC RO No. 129 dated 29 Aug 44:-

General Hospitals are not in a position to and will not supply meals to personnel attending for out-patient treatment or Specialist Examinations.

All ORs attending hospitals as out-patients will ensure that they are in possession of haversack rations.

291. LAUNDRY - ORs

1. Genova Hotel

All ORs billeted at the above hotel will collect their clean laundry after 1300 hrs Saturday, 2 Sep 44, from the laundry room, 1st floor (next to room 24) at that billet.

All dirty laundry will be handed in at the same place by 0830 hrs Monday, 4 Sep 44.

292. DISCIPLINE

Pillow Cases

The present state of these is far from clean and hygienic. This proves that that the present order of the blanket covering the pillow is not being observed. In view of the difficulty of being able to keep a check in so many rooms the only alternative to make sure that this order is carried out is to stop the use of them.

This will be done if the present neglect continues. If it is too hot to lay on the blanket, use a clean towel to cover the pillow. These must and will be kept cleaner, otherwise removed.

293. MEDICAL

The u/m will parade at 1400 hrs on Saturday, 2 Sep 44, outside the M.I. Room, No. 48, Basement Floor, HQ ACC, with their AB 64 Part I.

Any of the u/m due for inoculations etc., will be treated on this parade.

The time of the parade is emphasized as 1400 hrs for all the u/m and NOT repeat NOT between 1400 and 1500 hrs.

The Medical Sjt will render a roll of absentees to the RSM.

233. DISCIPLINE - V.D.

The Commander of British Troops in Rome is very concerned about the high rate of V.D. contracted in this city, which is becoming increasingly alarming. Prostitution is on a larger scale than ever before and there is virtually no control over the women, therefore every man is warned of the dangers of promiscuous intercourse and must cooperate by using every means available for minimising such dangers. Prophylactic Ablution Centres or Pro Stations exist throughout the city and these should be made use of after intercourse. A list of the aforesaid Pro Stations is posted on the notice board.

The O.C. will give a lecture on this subject at the Vaccari Restaurant tomorrow, Wednesday, 16 Aug 44, at 1300 hrs. All ORs up to and including the rank of Cpl, not on duty, will attend.

222. MESSAGE FROM HIS MAJESTY THE KING.

The following message from H.M. The King has been received by the Supreme Allied Commander Mediterranean Theatre.

"I have greatly appreciated the opportunity you have afforded me of seeing so many of my Armed Forces and of those of the Allies in the Italian Theatre of War.

During the past few days I have traversed the ground from CASSINO to the present front line a distance of some 250 miles, through which, since the middle of May, the Eighth and Fifth Armies have driven a powerful and highly experienced German Force. It is true to say that the enemy has been out-generalled and out-fought. This brilliant campaign has added much to the glories of the British, the Dominions and the Allied Armies. Such success could never have been achieved without the full cooperation and powerful support of the Royal Navy, Royal Air Force and their Allied Brothers-in-Arms.

I am very pleased to have been able to see for myself some of the splendid work they are doing. Please convey to all under your command my best wishes and my confident belief that final victory will be theirs. I pray that the day is not too far distant when I shall be able to welcome you home again".

The following reply was sent to H.M. The King by the Supreme Allied Commander, Mediterranean Theatre.

"On behalf of all ranks of the British, Dominion and Allied Services it is my humble duty to convey their thanks for Your Majesty's message which they appreciated greatly. The visit of your Your Majesty to ITALY has given encouragement and inspiration to complete the task which lies ahead of them".

218. CARRIAGE OF CIVILIANS IN WD VEHICLES

AAI HQ No. 211, S/F 22, dated 26 Jul 44, is repeated hereunder for the information and guidance of those concerned:-

1. It has been noted that considerable numbers of unauthorized civilian passengers are still being given lifts in WD transport.
2. This practice constitutes a grave menace to our security in that it seriously impairs the effectiveness of security controls designed to restrict the movement of undesirable elements.
3. It is known that enemy agents rely extensively on this mode of travel when operating behind our lines and that many have already made use of it. Of the agents so far captured no fewer than fifteen have stated that they were given lifts in WD transport either on the way to their target area, or on their return towards enemy territory.
4. All concerned are reminded that no civilian passengers may be carried in WD vehicles unless in possession of an official pass authorising such travel, as laid down in AAI HQ 20 20 of 1944. Units and HQ will impress on all drivers under their command the seriousness of this matter and ensure that they are conversant with the current instructions on this subject.

106. POSTINGS TO HOME ESTABLISHMENT

1. A letter was recently addressed to all ranks of British units in this theatre by the Supreme Allied Commander explaining the reasons and difficulties why he cannot repatriate more personnel to the U.K. under the PYTHON Scheme, and that the recent concession allowing personnel on completion of that period of service, was all that could be done for the present in view of the difficult manpower situation.

2. An article was published in the issue of "Union Jack" dated 13 Jun reporting a statement by Mr. Anthony Eden in the House of Commons to the effect that "the bulk of those who had served over five years had returned and a start had been made with the men having four and a half years of service abroad".

3. It is unfortunate that this statement should have been made, without qualification, and published as having general application, as it is contrary to the Supreme Allied Commander's directive.

4. The qualifying period for service abroad may vary temporarily in different theatres, either because the manpower situation is less acute in one theatre than in another or because there is a difference in the time necessary to get men back to the U.K. In this theatre the directive issued by the Supreme Allied Commander states the present position.

5. As the Supreme Allied Commander states in the penultimate paragraph of his letter, the question of reducing the period of continuous service is one which he has constantly in mind, and as soon as it becomes possible to increase the homeward flow he has promised to reduce the qualifying period as much as possible.

6. It is likely that the report of the statement made by Mr. Anthony Eden in the House of Commons may cause confusion and dissatisfaction, and it is the Commander-in-Chief's desire that the gist of this letter should be made known to all ranks.
