Any such authorization may result in the prosecution of the employee and disciplinary action against the officer or enlisted man making the authorization. Where class X clothing has been issued to civilian employees, such civilian employees should have the clothing dyed, except that in the case of fatigue clothing issued to drivers and mechanics it will be plainly marked "CIV EMPL ALLIED COMM." (Ex O)

5. OVERTIME FOR CIVILIAN DRIVERS. Officers are reminded that, except under emergency conditions, payment for overtime of a civilian driver in excess of sixty (60) hours per month is required to be made personally by the officer for whom the driver works. All time worked in excess of forty-eight (48) hours per week is considered as overtime. If, to avoid excessive overtime, it is necessary to give a driver an extra day or half day off, the officer concerned may secure a relief driver from the Motor Pool at the Lancia Garage by making request a day in advance. 3. CORRESPONDENCE - SARDINIA.

This headquarters has been informed that the Military Signal Office in Sardinia has been closed. Our Italian Cipher Team is too small to handle Military messages for Sardinia over civilian lines except of an operational priority precedence.

In the future, therefore, no signals will be accepted by P.B.S. for Sardinia and it is suggested that all communications for Sardinia with any degree of urgency be sent by air dispatch letter service. Such letters should be stamped ESSENTIAL WAR DEPARTMENT AIR MAIL, signed by an officer, with name of section from which dispatched on the outside of the envelope. In the case of SECRET and CONFIDENTIAL letters which will arrive already sealed at the Message Center, the reference number will also appear upon the envelope.

5. DEFERMENT OF CIVILIAN EMPLOYES FROM MILITARY SERVICE.

a. Allied Commission Officers of this Headquarters and the various Zone Headquarters from time to time make requests for deferment from military duty of Italian employes of private concerns or Governmental Agencies.

b. It is pointed out that request for military deferment should be made by the private concern or Governmental Agency desiring the deferment directly to the proper Italian authorities through the ordinary channels provided by the Italian Government. Where deferment has been refused and a Zone Commissioner or Section Head believes that such deferment is in the interest of the Allied war effort, then it is permissible to forward to this Headquarters a letter indorsing the request, fully setting further the reasons for such indorsement.

c. Request for the deferment of Italian employes of the Allied Commission will be directed to the Regional Commissioner by a Zone Commissioner or Section Head wishing the deferment of an employee of his Zone or Section. It is pointed out that deferments for military service for Allied Commission employes should not be requested unless the Zone Commissioner or Section Head believes that the work of the employee is of an essential nature and that an adequate replacement is not available.
