GENERAL C.C.r.c. BONICELLI LUIGI

In view of the particular situation at the moment, purchases in the Italian market are carried out without the guarantees foreseen in the administrative rules and in particular the rule concerning the general accountability of the state.

2. This fact makes me consider it indispensable to constitute a special Commission, attached to my Cabinet, for co-ordinating and, in particular for controlling the numerous expenses that are effected in the above mentioned manner.

3. As Head of this Commission I would choose General C.C.r.c. BONICELLI LUIGI, an officer who possesses all the necessary qualities for this special task.

4. I would be grateful for a sign of your approval regarding the above proposal.
