3. As you are no doubt aware, the Duino Agreement states there will be NO passage of military personnel into Venezia Giulia from Italy, other than "Allied" - i.e. Anglo-American personnel.

SUBJECT : Travel from Italy to Germany.

1. With effect 16 September 1946 applications in respect of all nationals desiring to travel to Germany will be handled by the American and British Embassies in Rome.

2. Applications for the United States zone of Germany will be dealt with by the Military Attache's Office of the American Embassy, and for the British zone by the Travel section of the Visa Department of the British Embassy; applications for the French zone of Germany, as in the past are dealt with by the Commandement Militaire Francaise, (Securite Militaire) at Palazzo Guidoni, Rome. However, if a person desires to visit the United States and French, or the British and French zones, the American or British Embassy will make application for the French zone clearance at the same time as they refer the case for their respective zone clearance.

3. It is the policy of the occupying powers to restrict travel into and out of Germany to the minimum. The following categories of travel to Germany are specifically not permitted at the present time.

- (a) Travel for private reasons, including travel to bring back the body or visit the grave of a relative killed in Germany.
(Visits by French nationals to graves in the French zone are now allowed by the French authorities).
- (b) Travel to re-patriate or locate property looted by the Germans.
(Reparations, Restitutions and Deliveries Section of the French, British and United States Control Commissions have been established to arrange for the re-patriation and location of property looted by the Germans. The work of these sections cannot be accomplished if individuals are allowed to enter Germany to locate and remove such property on their own account. All necessary descriptive detail should be forwarded by the Government concerned to the Reparations, Restitutions and Deliveries Section of the Control Commission Council of the zone concerned.)
- (c) Travel to Germany of businessmen, except those travelling under a scheme of sponsorship arranged by the Government of the occupying powers of the zone to which they are proceeding. (The policy to be adopted with regard to private trading is still under review, and, pending a decision, journeys of this nature cannot be approved)

4. All other applications, other than Allied Military personnel travelling on duty, should be forwarded to the respective Embassy for decision; and in the cases of approval the necessary Military entry permit will be issued.

5. The categories of travel for transiting Germany are of a far more lenient nature, though transit of Germany is only allowed for essential journeys and when petrol, oil, lubricants, transport, food or accommodation requirements are desired in Germany; in all cases the valid passport or visa for the country of destination is also required before an application can be considered.

2. Applications for the United States zone of Germany will be dealt with by the Military Attache's office of the American Embassy, and for the British zone by the Travel section of the Visa Department of the British Embassy; applications for the French zone of Germany, as in the past are dealt with by the Commandement Militaire Francaise, (Securite Militaire) at Brussels Guidoni, Rome. However, if a person desires to visit the United States and French, or the British and French zones, the American or British Embassy will make application for the French zone clearance at the same time as they refer the case for their respective zone clearance.

3. It is the policy of the occupying powers to restrict travel into and out of Germany to the minimum. The following categories of travel to Germany are specifically not permitted at the present time.

- (a) Travel for private reasons, including travel to bring back the body or visit the grave of a relative killed in Germany.
(Visits by French nationals to relatives in the French zone are now allowed by the French authorities).
- (b) Travel to re-permeate or locate property looted by the Germans.
(Repatriation, repatriation and Deliveries Section of the French, British and United States Control Commissions have been established to arrange for the repatriation and location of property looted by the Germans. The work of these sections cannot be accomplished if individuals are allowed to enter Germany to locate and remove such property on their own account. All necessary descriptive detail should be forwarded by the Government concerned to the Reparations, Institutions and Deliveries Section of the Control Commission Council of the zone concerned.)
- (c) Travel to Germany of businessmen, except those travelling under a scheme of sponsorship arranged by the Government of the occupying powers of the zone to which they are proceeding. (The policy to be adapted with regard to private trading is still under review, and, pending a decision, journeys of this nature cannot be approved.

 - (a) All persons desiring to go to, or transit Austria, with the exception of the following two categories, should make application to the Austrian Political Representative, Viale Trionfo Mussoli, 113, Rome, for an Austrian visa.
 - (b) American, British, French and Russian nationals, any national sponsored by one of the four occupying powers to go into its own zone.

The Military Attaché's Office at the American Embassy will handle applicants of (a) and (b) above, desiring to go to the U.S. Zone of Austria and the travel section of the Visa Department of the British Embassy will handle applicants of (a) and (b) above desiring to go to the British Zone of Austria; applications for the French Zone of Austria, in the past are dealt with by the Commandant Militaire Francoise, (Securite Militaire) at Palazzo Guidoni, Rome. However if a person desires to visit the United States and French or the British and French Zones, the American or British Embassy will make application for the French Zone clearance at the same time as they refer the case for their respective Zone clearance.

3. Travel from Austria to Italy.

All applicants other than American, British or Polish Service personnel, must make application to the Italian Consulate in Vienna, or to his representative in VARENNES, for an Italian entry visa. American, British and Polish service personnel are the only exceptions from Italian visas and may enter Italy on valid travel orders.

It is pointed out that before it is possible to leave Austria, an exit permit is required by all nationals except American, British, French or Russian; this is obtained by making application to the local Austrian Police Headquarters.

4. The above is passed for information and it is pointed out that the Public Safety Sub-Commission, Allied Commission, and G-2 (CI) A.P.H.O., will no longer be concerned with applications for visas or permits for travel between Italy and Austria.

TRAVEL CONTROL - NORTH EASTERN FRONTIER OF ITALY.

24A 1139

I would be grateful if you would read the attached copies of two signals which have passed between Air Vice Marshal Darval and ourselves concerning travel control on the North Eastern frontier of Italy, and if there is anything which you can do to make life easier for wives of military personnel, particularly those in Austria visiting Italy, I am sure that it would be much appreciated.

2. Whilst I was in Klagenfurt on 25th August this subject was the main topic of the conversation and I may add that the wives almost used bad language against Italy, largely because there is nothing in Austria and not much opportunity in England to buy clothing, so they nearly all come into Italy for shopping.

SUBJECT RESUMPTION OF CONTROL OF OUR FRONTIERS BY ITALIAN AUTHORITIES.

PARA 2. DOUBTLESS YOU ARE AWARE OF ALL REGULATIONS REGARDING THE

MOVEMENT OF PERSONNEL AND THE INCONVENIENCE THAT WILL BE CAUSED TO A.I.C. ITALY

SINCE IT IS RESPONSIBLE FOR ALL RAF IN BOTH ITALY AND AUSTRIA AND

COORDINATION OF MOVEMENT BETWEEN THE TWO COUNTRIES IS MOST IMPORTANT.

PARA 3. A CONSIDERABLE NUMBER OF PERSONNEL SERVING WITH UNITS IN ITALY

WILL BE REQUIRED TO RESIDE IN AUSTRIA AND THE ACQUISITION OF A SEPARATE

AREA FOR EACH MOVEMENT IS EXTREMELY DIFFICULT. THIS IN ITSELF IS LIKELY

TO HAVE AN ADVERSE EFFECT ON THE MORALE OF THE TROOPS.

PARA 4. FROM THE PERSONAL ANGLE I TRAVEL EXTENSIVELY

ACCOMPANIED BY MY FAMILY OFTEN AT VERY SHORT NOTICE AND I WOULD BE GLAD

TO AVOID THE INCONVENIENCE THAT THIS WILL CAUSE ME.

PARA 5. I GATHER THAT REPRESENTATIONS HAVE BEEN MADE TO THE

ITALIAN GOVERNMENT TO ENABLE BOTH SERVICE MEN AND MEMBERS OF RAF

RELIEF ORGANISATIONS TO TRAVEL ON AN INTERNATIONAL MOVEMENT ORDER.

I CONSIDER THAT THIS PLAN IS PREMISED TO THE UTMOST AND I SHOULD BE

Sir,

I beg to inform you that I have received from Mrs. Gargiulo at Paignton, England, a letter dated 6th December 1944, enquiring whether visa facilities enabling your entry into the United Kingdom might be accorded to you.

I have very carefully examined the circumstances of your case and regret to say that, in view of the existing wartime visa regulations and conditions generally, it will not be possible for you to proceed at the moment. Firstly, it is extremely unlikely that the Home Office would authorise your entry into the United Kingdom, and, secondly, the military authorities here would most certainly oppose movement from Italy.

When relaxed regulations permit I shall be happy to bring up your case for review.

A copy of this letter is being transmitted to Mrs. Gargiulo.

SUBJECT : Travel between Italy and Austria.

TO : See Distribution.

1. With effect 1 June 1946 the system whereby persons desiring to travel between Austria and Italy had to obtain an Allied Force permit has been slightly altered.

2. Travel from Italy to Austria.

All persons desiring to go to Austria with the exception of the following two categories should make application to the Austrian Consulate, Via Bruna Buozzi, 113, Roma, for an Austrian visa.

- (a) American, British, French and Russian nationals.
- (b) Any national sponsored by one of the four occupying powers to go into its own zone.

Applicants in (a) and (b) above are still dealt with by this office, or G-2 (C.I.3.) A.P.H.Q.

3. Travel from Austria to Italy.

All applicants other than American or British service personnel, have to make application to the Italian Consulate in Vienna, or his representative in Klagenfurt, for an Italian entry visa. American and British service personnel are the only exceptions from Italian visas and may enter Italy on valid travel orders.

It is pointed out that before it is possible to leave Austria an exit permit is required by all nationals except American British, French or Russian; this is obtained by making application to the local Austrian Police Headquarters.

LEAVE TO UNITED KINGDOM - LT. COL. FIL. S.P.E. GARGIULO G.

3A

1. Further to your letter of even reference dated 24th June, 1946, and in confirmation of telephone message given F/O de Beneduci, the following are details relevant to above named officer.

2. For some considerable time Lt.Col. Gargiulo has been very anxious to see his wife and family either in England or in Italy. For two years his family thought that he had been killed by the Germans, but he was in fact hiding in the Rome area during its occupation. Mrs. Gargiulo is known personally by the undersigned and in February she wrote:-

" I do wish that it were possible either for him to come home for the Easter holidays to see his children, or for me to go out with them for a month..... Naturally he and I expect him to return to his work in Italy as soon as his leave is over "

It would also appear that she is afraid of not being permitted to return to England if she ever leaves there, as although she is British born she has presumably lost her nationality by virtue of her marriage.

3. Our letter AFSC/N/INT/15 dated 1st March 1946 also gives further details of this officer, and the application is strongly recommended.
