Reference your Min 1 and to 37B, it would appear to me that the whole business is one entirely for the Italians to settle as it is an Italian organisation presumably which is requisitioning premises of another Italian organisation. I see no reason why we should interfere.

2. If you agree would you please write to the Italian Air Ministry sending them a copy of 37B and 37C stating that this matter appears to be one for the Italians themselves to settle without interference from the Allied Commission. A copy of your letter to the Air Ministry should be sent to A.F.S.C. Milan.

TO : Land Forces Sub Commission (2 copies with 2 photographs).
Air Force Sub Commission (2 copies).—

1. In the North the Germans sold to various Italian Civilians many useless German Army vehicles and wrecks as part of their salvage scheme.
2. The Italian purchasers worked hard, and spent a good deal of money in trying to build up their wrecks into useful vehicles, and were sometimes successful.
3. I have personally known of cases where a purchaser has been allowed to work by day and night on the building up of his wreck, only to have it taken from him the moment the last spare part was inserted, and the vehicle would go.
4. The Legal Adviser to this Commission investigated the right of ownership of these built up vehicles and, when satisfied, issued the attached documents to try and prevent such occurrences.
5. To-day it is learnt that vehicles No. 64976 (Fiat 626) and No. 46294 (Fiat 666) are about to be requisitioned by the Italian Army and vehicle No. 58918 (Fiat 626) by the Italian Air Force and I wonder if you would kindly care to take steps to prevent it.
6. Enclosed are copies of photographs showing that only the bare frame work of the vehicles were received by the purchasers, and that by their own industry they have built them up into workable machines.
7. It is hoped that with full knowledge of the circumstances the requisition will not be put into effect.

DEREQUISITIONING OF PREMISES, FURNITURE AND
OFFICE FITTINGS.

On the 9th August the R.A.A.C. Real Estate Section, requisitioned premises, furniture and fittings of the Offices belonging to the Transcontinental Italian Air Lines. These Offices were situated at No. 35/39 of Piazza Imperatore, and they were used as agency for passengers and goods.

The following 2 September 1944 a certain Mr. Leonard KOCHENSKI - Polish Red Cross delegate in Italy - took possession the above mentioned premises for a store house and later for a Club for the assistance of Polish military members.

With letter ref. 0366 dated 22nd January 1945, sent to your A.F.S.C. we requested your assistance to obtain the revocation of the order of the derequisition in question. However we did not obtain the derequisition desired.

Considering that the undersigned Company will soon to resume its works (therefore we must organise our offices), and in view of the fact that from the 1st September 46, according to a statement received by us, the A/M Polish Military Club will leave our offices and move to England, we are kindly asking you again to obtain for us the derequisition in question.

We would greatly appreciate your consideration in this matter, and would be grateful to you if you could enable us to occupy our premises as soon as possible.

MOSCONE - FLAT

The Italian Air Ministry (Liaison Office) has requested through Col. MOSCONE, I.A.F. Officer (O.C. of the 3rd Z.A.T.) a letter authorising him to continue to occupy the flat in question (See letter of the 21st Feb. 46, from R.A.A.C. and letter AFSC/R/321/Org. of 3-10-44, No. 72 A).

It has been suggested the matter (being purely Italian inter-departmental) be taken up between the Italian Air Ministry, and the "Commissariato degli Alloggi".

This matter appears in the past to have been a case of interference in Italian domestic affairs with the Sub-Commission being used as a lever against the "Commissariato degli Alloggi" for the benefit of a private individual.

ELECTRIC POWER

1. This Sub-Commission, as it is known, has its mess and billets at the Volpe Palace located at 21 Via del Quirinale. The Volpe Palace was connected since the occupation with a preferential cable laid down by the A.G.E.A. Co.
2. On December 4th this Company without asking any authorization took away the two comptometers (for power and light) linking the palace circuit with the preferential cable and connecting this circuit to an ordinary cable belonging to the TIBERINA Co. The result is that we are now submitted to the reductions and interruptions which have recently been imposed in order to economise the power.
3. We ask that instruction be given to the A.G.E.A. Co. in order to obtain that the connection of the Volpe Palace to the preferential cable be immediately re-established.

For the attention of Major Ross.

Dear Sirs,

In order to meet the demands of air services operated to the requirements of H.M. Government we herewith make application for the undermentioned office accommodation in the building known as the Istituto Nazionale Assicurazioni, Via Leonida Bissolati.

2. Ground floor accommodation with a frontage on Via Leonida Bissolati in order to provide a central British Air Booking Centre to deal with R.A.F./B.O.A.C. reservations and serve as a town departure and arrival point for these air services.

3. A minimum of 4 preferably first floor offices for the use of B.O.A.C. Headquarters administrative organisation in Italy.

4. The accommodation would be permanently required and the principals of the I.B.A. have verbally agreed to negotiate for a lease when the premises are finally de-requisitioned.

5. As it is thought that Army Post Office and U.R.R.A. activities will be on a decreasing scale it may be possible to allocate a proportion of the ground frontage without inconvenience to the present occupants.

6. This application is made with the knowledge of Air Vice Marshall I.E. Brodie, O.B.E. who has agreed with the necessity of a central position for the purpose already indicated.

Yours faithfully

DEREQUISITION OF A PARTMENT

This office has received an urgent request from the Italian Air Ministry on behalf of the widow of Lt.Col. G. Rossi, of the I.A.F., who is seeking the derequisition of her apartment at Largo Elvezio N° 13.

2. This apartment was requisitioned on 12 June, 1944, on Requisition Order N° 585, during the absence of its owner from the city.

3. The owners of the flat now occupied by Mrs. Rossi have returned, and she has been unable to find new accommodations. In addition, she has been quite ill and is in financial difficulty.

4. Three previous applications have been made, but were turned down. In view of the exceptional hardship conditions surrounding this case, the Italian Air Ministry has asked that special consideration be given it, and we would appreciate an investigation of the matter.

Apartment of Mrs. Gemma Rossi, widow of Lt. Col. Pil. G. Rossi

- The said lady is the owner of a flat at Largo Elvezia 13.
2. The month of June 44 Mrs. Rossi did not live in her flat because she was out of Rome for race prejudices.
 3. The apartment was therefore requisitioned by R.A.A.C. with requisition sheet N° 585 of the 12th June 1944 and given to Cap. Crokile.
 4. Mrs. Rossi was then obliged to live elsewhere; but the owners of the flat in which she is at present have returned and Mrs. Rossi cannot resume a quiete life which is very necessary due to her terrible sickness (morbo di Basedow).
 5. Furthermore Mrs. Rossi is in need to have her flat back owing to her very difficult financial conditions.
 6. She has already made three applications to the R.A.A.C., dated 12th Sept. 45, 1st Oct. 45, and 16th October 45, but always without success.
 7. We request your Sub Commission to take the necessary steps with R.A.A.C. We point out that this case is worthy of the greatest attention.

1. La Sig.ra in argomento possiede un appartamento a Largo Elvezia 13 int. 4.
2. Nel giugno 1944 la Signora ROSSI non abitava detto appartamento, poichè era fuori Roma, nascosta per motivi razziali.
3. L'appartamento fu quindi requisito dal R.A.A.C. con documento No. 585 del 12 giugno 1944 e dato in uso al Cap. Orelli.
4. La Signora ROSSI fu quindi costretta ad alloggiare altrove; senonchè nell'appartamento ove lei attualmente dimora sono tornati i padroni e la Signora ROSSI non può trovarvi quella quiete che le sarebbe necessaria a causa del suo grave male (Morbo di Basedow).
5. Inoltre la ROSSI avrebbe bisogno di tornare in possesso della sua casa per gravissimi motivi finanziari.
6. Essa ha rivolto ben tre istanze al R.A.A.C., in data 12/ settembre 1943, 1° ottobre 1945 e 16 ottobre 1945, ma sempre senza alcun esito.
7. Si prega vivamente codesta Sottocommissione di voler svolgere una attiva opera a favore della ROSSI presso il R.A.A.C., trattandosi di un caso particolarmente pietoso, che accade alla vedova di uno dei nostri più valorosi Ufficiali.

Sir,

I have been informed that on the 15th August a British Officer using a ladder, succeeded in entering a window on the first floor of a small villa located in Cepedaletti Figure, Via dei Medici 3 (Villa Natale) near San Remo.

He visited the house in order to make sure that the Villa was suitable to be requisitioned.

Then he went out from the front door, which he was unable to shut. That small villa belongs to my family. It is the only house I still have (2 rooms 2 living room), after my paternal home was bombed and my flat in Rome plundered by the Germans.

We are living at present in Leibern and in Rome in other people's home, knowing however we can count on that only house where we have the last object the war left us.

I am sorry for what was done by the officer who certainly did not know he was violating the house of an Italian Officer still on active service.

I have the honour of asking you to avoid the requisition of the a/m house by the Military Command in Cepedaletti Figure.

I believe in your kindness toward the I.A.F. personnel.

Thank you.

REQUISITION OF PREMISES

The enclosed appeal for this H.Q. to prevent the requisitioning of the Flying Club's premises in Milan is forwarded to you for information and such action that you may think necessary.

On the request of the Comune of Milan this Association has received notification of the requisitioning of the premises of the property located in Milan, Via Ugo Foscolo 3, 4th floor which it has occupied since 1930

These premises were used by the R.U.N.A. and are now being used by the re-constituted aero-club of Milan (which is only the continuation of the R.U.N.A.) either as offices for the Association which has over a thousand members, or for air-modelling courses in which 300 pupils take part or for the preparation of the recommencement of our Civil Aviation.

This Commissario therefore considers that this must be a mistake because it is evidently not to be thought of that the Allies or the Comune of Milan intend to abolish an association as useful as the Aero Club.

Your H.Q. is therefore requested to arrange for the ~~annulment~~ annulment of the preceding disposition and inform us of the result.

For this purpose a copy of the act of requisitioning in enclosed.

La istanza del Comune di Milano questa Associazione ha ricevuto notizia di re visazione dei locali dello stabile sito in Milano Via Ugo Foscolo 3. I locali sono stati alligati sin dal 1930.

Questi locali servono alla R.U.M.A. e servono attualmente al rimpiazzamento Aero Club di Milano (che non è che la continuazione della R.U.M.A.) sia per gli uffici dell'Associazione, la quale conta oltre 1000 soci, sia per i corsi di Aeromodellismo ai quali partecipano 300 allievi, sia infine per la preparazione di quella che sarà la nostra ripresa Aeronautica Civile.

Ritiene quindi, questo Commissario, doverosi trattare di equivoco, perchè evidentemente non è da pensare che gli Alleati o il Comune di Milano intendano scollare un'Associazione tanto utile quale l'Aero Club.

Si prega quindi codesto Comando di voler additare all'an nullamento della precedente disposizione e dare comunicazione.

A tal uopo si allega copia dell'atto di re visazione.

FROM = Amministrazione Galletti - Pignatelli Angiò
TO = Allied Commission.

My administration in Palermo informs me that Allied Military Authorities have occupied a stretch of land in my estate in Passo di Rigano (Palermo), & have used it to enlarge the runway of Boccadifalco airfield. My administration has issued an application to the Italian Airforce's "Ufficio Demanio" in order to receive an indemnity for the damage caused by this action.

The Ufficio Demanio has answered that they cannot fix any indemnity until they will be in a position to decide, according to Allied HQ's decisions, whether the occupation of the stretch of land in question has to be considered temporary or permanent.

I should be grateful if AC would see that the necessary instruction were issued by the authority concerned to the Italian Ufficio Demanio Aeronautico in Palermo, so that the latter could be in a position to solve this question at the earliest possible opportunity.

ROMA

La mia amministrazione di Palermo mi comunica che, in seguito all'occupazione di un tratto di terreno di mia proprietà in località Passo di Rigano da parte del Comando Militare Alleato per il prolungamento della pista di lancio del campo di aviazione di Rocca di Falco, ha fatto istanza all'Ufficio Demanio dell'Aeronautica Italiana per l'indennizzo dei danni causati e per l'occupazione del terreno.

L'Ufficio Demanio ha risposto di non poter stabilire alcun indennizzo fino a che non sarà in possesso degli elementi di decisione del Comando Militare di occupazione, per definire se l'occupazione del terreno in parola deve considerarsi temporanea o definitiva.

Dati i forti danni di guerra subiti nella sua proprietà e la urgente necessità di porvi riparo, sia pure parzialmente, con gli indennizzi la richiedente prega vivamente codesta Commissione Alleata di voler dare le opportune disposizioni affinché l'Ufficio Demanio Aeronautico Italiano di Palermo sia messo in grado di poter concludere sollecitamente la pratica.

Nell'attesa ringrazia sentitamente

ALBERGO ITALIA

Sulmona

Spett. COMANDO RAF - SULMONA

COMANDO GENERALE RAF

MAJOR C.E. SALDILL - 66 CLAMS e HENNES - C.M.F.

a seguito della requisizione del mio Albergo per la RAF avvenuta sin dal 12 Dicembre 1941, ritengo doveroso esprimere la mia completa soddisfazione per il comportamento irreprensibile dei Sigg. Sottufficiali alloggiati, i quali mantengono un contegno corretto e signorile meritevole di rare elogie. Mi auguro perciò lieto ed onorato che la mia casa sia occupata da tali ospiti.

Non altrettanto soddisfazione posso esprimere per quanto riguarda il comportamento delle Autorità Italiane tenute al pagamento della predetta requisizione.

Da informazioni avute si risulta che i Ministeri delle guerre e delle Finanze, i quali per competenza dovrebbero provvedere al pagamento degli Alberghi requisiti, non solo non hanno deciso nulla in merito al compenso dovuto ai proprietari degli stabili requisiti, ma non si preoccupano di farlo neanche in un prossimo domani, lasciando così sospesa, chi sa per quanto altro tempo ancora, una soluzione che dilazionata compromette gravi problemi nazionali e famigliari.

Io non sono un ricco e perciò non posso permettermi il lusso di vivere con le rendite e sulle riserve; io ho avuto danni rilevantissimi dai tedeschi che vollero punire il mio antifascismo derubandomi e lasciandomi un conto insoluto di oltre 60.000 lire. Portante qualche mio modesto risparmio prelevato dal lavoro e dal sacrificio è stato da me consumato per sostenere le spese non lievi dell'azienda dal marzo 1944 ad oggi.

Le scuse di questa mia non è quella di chiedere alla RAF compensi non dovuti; e mio desiderio invece portare a conoscenza di questo Comando la mia disgraziata situazione nella speranza di un vostro intervento premuroso verso le Autorità Italiane per ottenere un sollecito pagamento di ciò che mi è dovuto per la requisizione.

Ripeto che non sono un avaro; so che ho una famiglia da mantenere, che essendo stato estromesso dall'Alergo non ho più la mia casa, e che oltre le accresciute spese di famiglia ho anche le spese di azienda - come l'affitto e le tasse - da sostenere tutt'ora. E, senza incassi, non posso far fronte a questi impegni. Invece perciò il vostro aiuto.

Nella fiducia di un vostro interessamento, ringrazio ed ossequio.

Translation of letter written in Italian.

Sulmona. 6th March, 1945.

HOTEL ITALIA,
SULMONA.

To: R.A.F. Command, Sulmona.
 R.A.F. General Command.
 Major C.E. Saldwell - 66 Claims & Hirings - CMB.

As a result of the requisitioning of my Hotel for the R.A.F. which lasted until 12th December, 1944, I consider it my duty to express my full satisfaction for the irreproachable behaviour of the N.C.O.'s who were accommodated there. Their gentlemanly and correct bearing deserves all praise, and I was glad and honoured that such guests occupied my Hotel.

Unfortunately, I cannot express the same satisfaction with regard to the attitude of the Italian Authorities who are responsible for the payment of the above mentioned requisition. I understand that the War Ministry and the Ministry of Finance, who are responsible for the payment of requisitioned hotels, have not only done nothing with a view to compensating Hotel proprietors, but do not intend to do so in the near future, thus leaving in abeyance, who knows for how long, the solution of a problem, which if delayed, will result in serious business and family difficulties.

I am not a wealthy man, and therefore, I cannot allow myself the luxury of living on my savings. I sustained considerable damage from the hands of the Germans, who wishing to punish me for my anti-Fascist feelings have robbed me by leaving behind an outstanding account of 60,000 lire.

My modest savings, the result of work and sacrifice, have been consumed by meeting the rather high expense of rent and business from March, 1944 until to-day. The object of my application is not to claim compensation from the R.A.F., but is rather to bring to the notice of the Command my disgraceful situation, in the hope that they may intervene with the Italian authorities, in order to obtain the required payment, due to me for the requisition.

I repeat that I am not a man of means. I have a family to sustain, and that having been removed from my Hotel, I no longer have a house of my own, and that apart from the increase of family sustenance, I also have to cover the business expenses such as Rent and Taxes.

Unless I obtain my compensation, I cannot meet these obligations, and therefore I invoke your help. Hoping this will receive your attention, I add my thanks and compliments.

ACCOMMODATION, NO. 10 Via CARDUCCI.

The above accommodation is requisitioned by this Headquarters and used as Offices and Airmens Billets.

2. In October 1943, permission was given to the occupants of the three apartments on the ground floor to remain in residence as at that time these apartments were not required for military purposes. Now, however, due to the expansion of this Headquarters, it will be necessary to occupy these apartments and your assistance is requested in finding alternative accommodation for the occupants.

3. Flats No.1 and 2 comprise 2 rooms, kitchen and bathroom and are at present each accommodating 3 persons. Flat No.3 is the same size as Flats 1 and 2 but is only occupied by 2 persons.

4. This matter is extremely urgent and it would be greatly appreciated if immediate action could be taken.
