SUPPLY OF PRACTICE BOMBS FOR AIRCRAFT

Further to our letter AFSC/664/12/84, dated 7th December 1946 and your 371519 ST.1./4/3672 Coll. dated 5th November 1946.

2. Authority has now been received from Air Headquarters R.A.F. Italy for the issue to you of quantity 4(four) 10 lb. practice bombs for training purposes.

3. The authority to collect these bombs is given in the attached letter to No. 126 Maintenance Unit and it is requested therefore that you arrange to send a vehicle to Rivolto to collect same. The letter of authorisation should be taken by the S.C.C. in charge of the collecting party to produce as his authority to collect.

1252

4. It will be noted also that the bombs are classified as "Dangerous Goods" for transportation purposes and it is requested therefore you take all necessary precautions and despatch a qualified armorer with the collecting party.
