ITALIAN COURTS, PROCEEDINGS
FEB. 1945

752/P1.

From:- Headquarters, Mediterranean Allied Air Forces, C.M.F.

To :- Air Forces Sub-Commission,
C/o Allied Commission,

Date:- 21st February, 1945.

Ref :- MAAP/1617/1/2/P.1.

ATTENDANCE OF R.A.F. PERSONNEL AS
WITNESSES AT ITALIAN COURTS.

1. This Headquarters has received from Allied Force Headquarters, certain correspondence concerning the attendance of Members of the Allied Forces as witnesses at Italian Courts.
2. Whilst it is considered that every reasonable effort should be made to permit the attendance of R.A.F. witnesses at these Courts, subject to the exigencies of the Service, it must of course be appreciated that these personnel are not subject to Italian law, and cannot be subpoenaed to attend.
3. It is suggested that the best method is for ^{the} approach, in the first instance, to be made to your Sub-Commission, which would then, if the request appeared a reasonable one, pass it on to the R.A.F. Unit concerned.
4. Before further instructions are issued, your comments would be appreciated.
