REPATRIATION TO TRIPOLI
(AVIERE DI GOV.) GIUSEPPE SARDO

The following request has been forwarded to us by AFSC Detachment Tarento.

2. There is no objection to this Airman being repatriated to Tripoli, but owing to the fact that the future of Tripoli is uncertain no Military Personnel are being repatriated at the moment.

3. The Italian Army are not repatriating any personnel to Tripoli and are retaining them in the Army even though their release have been ordered.

4. It is suggested that you contact Diplomatic channels if you consider this case to be of an extremely compassionate nature and try to arrange his return through them.

5. It is regretted that no further action can be taken at this Headquarters at the present time.

Note for W/Cdr. CLIFT.

The airman (aviere di Gov.) Guiseppe SARDO, formerly on the strength of the Seaplane Base of Cadimare is at present on leave in Taranto, awaiting repatriation to Tripoli where his family has been residing since 1937.

In the case of this particular airman, consent to repatriation has been given without any authorisation on the part of the Military Authorities; it would be necessary, however, to obtain the authorisation of the Ministry of Italian Africa.

To obtain this authorisation would involve a very long process between the Air Ministry and the Ministry of Italian Africa which, in its turn, would have to ask for the approval of the Allied Authorities.

The authorisation in question, according also to the airman himself who made enquiries on the spot in Rome, is only given in very exceptional cases.

In consideration of the fact that the airman has not seen his family for at least four years; that he has an old father (60 years), and that, having no relatives in Italy, he would be left in a condition of absolute indigence here, it is requested that you would be good enough to intervene directly in this affair with the Allied Authorities.

PROMEMORIA PER IL SIG.COLONNELLO CIFT

L'Aviere di Gov.SARDO Giuseppe gia' effettivo all'Idrobase di Cadimare è attualmente in congedo a Taranto e in attesa di poter espatriare per Tripoli,località' ove sin dal 937 ha la residenza la sua famiglia.-

L'espatrio,nel caso specifico del precitato Aviere,è consentito senza alcuna autorizzazione da parte delle Autorita' Militari, occorrerebbe pero' l'autorizzazione del Ministero dell'Africa Italiana.-

Per ottenere l'autorizzazione di cui sopra occorrebbe svolgere una pratica lunghissima tra il Ministero dell'Aeronautica e quello dell'Africa Italiana che a sua volta dovrebbe chiedere il benestare alle Autorita' Alleate.-

L'autorizzazione in parola,a detta anche dell'interessato che si è informato sul posto a Roma,viene concessa solo in casi eccezionalissimi,

In considerazione che il militare non vede i propri cari da ben 4 anni , che lo stesso ha il padre in eta' avanzata (60 anni) e che per non avere nessun parente in Italia verrebbe a trovarsi in condizioni di indigenza assoluta, si pregherebbe voler intervenire in merito direttamente,presso le Autorita' Alleate,per la sollecita definizione della pratica.-

1. Reference is made to your kind letter IPW/ 1/11/2487 of March 22, 1946 (log.n.2285 of 23 March, 1946)

2. From your letter it appears that the address of DE ROSA is, Camp 27 Wing. 2/B Bombay; it was however confirmed by the family of De Rosa that his actual address is Camp 26/1E G.O.P. Bombay. 2508

3. Moreover it does not appear that De Rosa is an element who could not be repatriated for security reasons and it seems that his behaviour in confinement has been always satisfactory.

4. Your interest in the matter (ref. para 9 of your letter referred above) is greatly appreciated. Kindly make a note of De Rosa's change of address and hasten, if possible, his repatriation.

3. Inoltre non pare che il De Rosa sia un elemento da non rimpatriare per motivi di sicurezza, e sembra che la sua condotta come prigioniero sia stata sempre soddisfacente.

4. Pertanto, mentre si ringrazia codesta Sotto Commissione per quanto è stato fatto da essa a favore del De Rosa (paragrafo 9) della vostra lettera a riferimento), si prega vivamente di voler prendere nota della variazione d'indirizzo del De Rosa e di sollecitare, possibilmente, il suo rimpatrio.

I have to acknowledge receipt of your letter C.206117/MET., dated 8th April, 1946, regarding Italian P.O.W. Meteorologists.

2. Of those named, Timpone, Pagoria, Romano, Maniscalco, and Prouzet have been working for us for some time. They have done very good work, particularly, Ten. Timpone, and it is not wished to put any obstacle in the way of their early return to Italy.

3. In addition to the above five officers, the following two Italian meteorological officers have been with us for a similar period, and it would be equitable if they were repatriated at the same time:-

Ten. G.A.r.a.t. Corsaletti Giovanni.
Avvent.Assist. Zannoni Mario.

4. There is a civilian, Buonocore Domenico, in Mogadishu, employed on climatological duties in a small civil meteorological office by the British Military Administration. This meteorologist was not in uniform when Mogadishu was captured so that he was not made a prisoner of war and he, together with 3 civilian assistants, have remained quietly in Mogadishu and have not come under our control. While we would have no objection to his repatriation, there is reason to believe that he himself might not wish to leave Mogadishu.

5. It is understood that Stano and Rizzo were captured in Asmara but their whereabouts are not known. Manca was also captured in Asmara and was last heard of by Ten. Timpone as being in hospital in Khartoum. His present whereabouts is not known.

6. De Rosa is believed still to be in a P.O.W. camp in Kenya (probably Eldoret). He did not become a co-operator, so was never employed by us.

Dear Salter,

I am sending you a memorandum concerning P.O.W. Lt.GASPERINI Norberto, whose father is a dear friend of mine. I promised I would do what I could for his son although he is an Army officer and not Air Force.

His case has been taken up ever since the 27th of June 1945, but the family is still anxiously waiting.

It is a compassionate case and I sincerely hope you can do something about it by contacting Caserta H.Q.-

I thank you very much and send you my best regards.

SUBJECT: Request for repatriation of Italian PW Capt. DE ROSA Egidio (38163), Camp 27, Wing 2/B, BOMDAY (INDIA)

TO : Ministry for Aeronautics (Cabinet)

1. Your letter 730/Coll of 21 Feb 46, addressed to the Air Forces Sub Commission, Allied Commission, has been referred to this Division for reply.

2. Notice is taken of paras. 1 to 5 thereof, giving a chronological history of correspondence covering this case.

3. Ref para. 6 of your s/m letter, our files show that under date of 23 Apr 45, G1(Br) AFHQ wrote to the Commander-in-Chief INDIA as follows:

"4. It is understood that No. 38163 DE ROSA Egidio will NOT be released owing to security objections (your No. 40076/11/PW1(b) of 11 Apr 45 refers)."

4. On the copy of this communication in our files, is the pencilled notation: "27 April - informed Min. of Air by phone. /s/ G.T."

5. Thus it will be seen that your Ministry was notified by telephone just a few days after the AFHQ letter went forward to INDIA. (Your letter states that "after approx a year we have not yet received a reply").

6. In view of the telephoned information to your Ministry, no further action was taken at the time.

7. Under date of 22 May 45, G1(Br) AFHQ notified this Division that Capt DE ROSA would not be available for release on security grounds, and this was communicated to the Italian High Commissioner with our 1/11/1550 of 30 May 45.

8. The notification to you, confirming our previous telephoned information, thus should have been forwarded to your Ministry by the Italian High Commissioner.

9. We are now asking GHQ CMF to inquire of INDIA whether security objections still exist in DE ROSA's case, and if not, to request his early repatriation. Upon receipt of a reply, you will be informed.

REPATRIATION OF FAMILY OF LT.COL.
COLANGELI

66A

Replying to your letter 18366/3619/Coll of the 25th June 1945, the following reply has been received from AFHQ :

"On consideration of the facts there would not appear to be a strong case for repatriation in this instance, as the case does not come within one of the accepted compassionate categories.

In view of the large number of compassionate, sick, and national reconstruction cases now awaiting transportation, it is recommended that the repatriation of the Colangeli family be deferred until the movement situation is easier. It is requested that Air Forces Sub Commission be informed accordingly."

2. In fact, it is about personnel whose behaviour in respect of Germans has been quite perfect and always worthy of the highest praise.

3. These personnel not caring for all the vexations and menaces suffered, when taken to forced works, knew how to keep their attitude of revolt, but now are completely exhausted.

As a recognition of the sacrifices borne they deserve special treatment.

The temporary military workman Farroni Raffaele, made P.O.W. in East Africa, was recently repatriated to Italy, as co-operator with the 24th Italian Coy serving with R.A.F., at present at Campo Vesuvio (Neaples).

He has notified us the very grave position of his family and he is their only moral and material help. He would like to be released and return to civilian life.

2. Further to the new regulations for the co-operators since July 1st, and in consideration of the above, we request your Sub Commission to approve the return of the said workman to his home and his normal odcupations.

by order,
The Chief of Cabinet.

I received the attached memorandum from SIGNOR ENRICO MARIARDI who is merely a nodding acquaintance of mine.

2. I forward the request for your consideration as I am not aware of the exact means by which such separated families are properly dealt. It would seem to me that SIGNORA SILFMANI's daughter could be repatriated to Italy as a displaced person rather than the mother should go to the Tyrol, which in any event I imagine will not be allowed for some little while yet.

3. If you agree in principle that the child may be brought back to ROME, I will inform the mother so that she can approach the child's father who is, I imagine, likely to consent to the daughter coming to ROME; alternatively perhaps you would like to take complete charge of this case.

TRANSLATION OF MEMORIA.

Signora HERMA SILBERATI ~~nee~~ nia VON BANTL who was born at SCHLOSS HALL near INNSBRUCK (Tyrol, Austria) and married to DR. ERNST VON KLEBELSBERG-THUMBURG has a daughter named ASTRID.

She obtained a divorce and is now the wife of the Italian Consul GENERAL GIACOMO SILBERATI, and lives in ROME at VIA EUFALINI 8.

The daughter of 14 years of age is at HALL (Tyrol) with her father a noted anti-nazist and lives at TIEFENFELD STRASSE 6. It is approximately two years that, owing to the war, she has not seen her daughter.

Although this is the fate which has befallen many mothers during the war, Signora SILBERATI hopes that the Allied authorities will permit her to rejoin the daughter as soon as possible, or failing the necessary authority, for her daughter to come to Italy if her father consents. She would get in touch with the father at an opportune moment.

SIGNORA SILBERATI has always been pro-Austrian and anti-nazist. This can be vouched for by the ex Chancellor SCHUSCHNIGG, Baron BERGER WALDENEGG ex Austrian Minister in Rome, and the former chief of the Patriot Front DR. SCHUMACHER.

SIGNORA SILBERATI is willing to give any other information required and thanks the Allied authorities for the interest which they may take in her case.

TO : ITALIAN AIR MINISTRY ROME

I am thanking your Ministry for the interest taken regarding the repatriation of my family and also to keep me informed on the progress Ref. 10858 dated the 18th April 1945.

In spite of the interest taken by your Ministry no reply has been yet received by the competent British Authorities.

Now I find myself forced to bring to your notice again my particular and aggravating situation which is worrying me very much ind indeed, owing to the letters that I am continually receiving from Asmara

I have recently received a letter from my wife on which she says that she is suffering with liver trouble and that she and my children are living under very poor economic condition.

Owing to all these troubles she is in a state of desperation being unable to support the children.

I cannot send her any financial aid, the transmission of money being forbidden. Now I am discouraged knowing that my dearest ones are having a bad time and I cannot do anything to help them. I left my children when they were very young, more than 4 years ago, and they are growing up without the education that a father should give them.

On another occasion my wife wrote to say that the youngest of my 4 sons injured during an airaid in 1940 and now suffering (METAFESI FEMORALE) and in order that he will not be an invalid the rest of his life, it is necessary that he has an operation.

I returned from a prison Camp after 4 years in a very bad state of health only to find that my family has been without help all the time after all the troubles I myself have had.

I think that my case is a very pitiful one and would be obliged if you would please show all consideration.

Now that the war is ended and the prisoners are returning to their homes I hope that my country will not forget my son who can only be treated in Italy with his mother and brothers. Any further delay on this repatriation may effect my child's conditions, whom operated upon time in Italy may ve saved. Any further delay may also affect my present state of health which has gone considerly worse during my

Sir,

I am very sorry to read in your letter AFSC/912/P.4. dated 17th instant, that the repatriation of Col. Pilot Vincenzo BIANI has been refused by the War Department.

2. The only detremental factor against this Officer is that he was a fascist in his younger days. As this Officer is very useful and highly esteemed in the Aeronautical circles, I shall be very grateful if you will kindly inform me of the reasons that induced the War Department to refuse his repatriation.

3. This information is required so that the officer's position may be defined as a matter of interest to both of us.

4. I shall be very grateful to you, Sir, if you will kindly assist me in this matter.

Sig. Maresciallo,

sono molto spiacente per la notizia che mi è stata comunicata con il foglio AFSC/912/P4, in data 17 c.m. circa il divieto opposto dal Ministero della Guerra per il rimpatrio del Col.pil. Vincenzo Biani.

2.- Poichè si tratta di un ufficiale di alto valore che gode di meritata stima negli ambienti aeronautici ed al quale può essere fatto solo l'addebito di possedere una qualifica fascista avuta in giovane età, mi permetto di pregarLa di richiedere, qualora ciò fosse possibile, i motivi che hanno indotto il predetto Ministero a negare l'autorizzazione del rimpatrio.

3.- Ciò al fine di eventualmente chiarire la esatta figura dell'ufficiale, sia nel suo interesse che per quello dell'Amministrazione di cui sono a capo.

4.- Sarò molto grato a Lei, Sig.Maresciallo, per quanto potrà fare per venire incontro a questa mia richiesta.

OGGETTO Ing. Luigi ACAMPORA.

All'inizio dell'attuale guerra, l'Ing. Luigi ACAMPORA si trovava in Cina per motivi commerciali.

2. Internato in un campo di concentramento, il predetto Ing. fu richiesto alle Autorità Britanniche subito dopo la firma dell'armistizio, ma non fu potuto rilasciare perchè le sue condizioni di salute erano allora molto gravi, tanto da far presumere che non avrebbe resistito al viaggio.

3. Ora le condizioni di salute dell'Ing. ACAMPORA sono molto migliorate, tanto che la Direttrice del Sanatorio che lo ospita ha scritto assicurandone la possibilità fisica di sopportare la futica del viaggio di ritorno.

2362

4. L'Ing. ACAMPORA, prima della sua partenza per la Cina, era il Consigliere Delegato della S.A.C.A. di Brindisi ed era anche uno dei principali azionisti di tale società, di cui è recentemente morto il Presidente. Il suo ritorno in Patria risulterebbe particolarmente utile in considerazione dell'attività che egli potrebbe dedicare alla citata ditta che è una delle poche interessanti attualmente la R.Aeronautica.

5. Si prega codesta Sottocommissione di voler esaminare la possibilità di far rimpatriare il predetto Ingegnere.=

ITALIAN AIR FORCE OFFICERS INTERNED AT EL GOLEA

33A

A special request hqs been received from the Italian Air Ministry,for two Italian Officers,now interned at El Golea,to be repatriated.
Their names are:

COL. ROLANDO FORTUNATO

MAJ. AIDO VITALI

2361

2. These Officers were members of the I.A.F. Sub Commission on the Armystice Commission to France,when they were interned on 10th November 1942,and treated as diplomatic prisoners.

3. For this reason they do not come under the Geneva regulations for I.O.W.s and any help your Sub Commission can give will be greatly appreciated.

4. Full particulars of each officers are attached.

I.A.F. OFFICERS INTERNED AT EL GOLEA

With reference to your letter AFSC/912/P.4 dated 26th Febr.1945 in reply to our letter ref. 4498/1928 Coll dated 2£st Febr.1945.

2. We point out that the officers for whom we requested the repatriation, Col. Rolando Fortunato and Maj.Aldo Vitali are not P.O.W. but they are at present interned at El Golea and treated as diplomatic prisoners.

3. When they were interned in French North Africa, on the 10/11/42, they belonged to the Armistice Commission with France as members of the I.A.F. S/Commission.

4. For this reason they do not come under the Geneva Regulations Committee of 1929 for the treatment of P.O.W.as all diplomatic personnel are excluded from this Convention. The Above two officers are considered as diplomatic prisoners and therefore should not come under these regulations.

5. For this reason the repatriation of the two a/m Officers was not requested for employing them but for sending them on unlimited leave near their families.

6. We hope you will take the matter up.

OGGETTO Ufficiali R.A. internati ad El Golea.-

Si è ricevuta la lettera di codesta Sottocommissione prot.AFSC/912/P.4 in data 26 febbraio 1945, in risposta al foglio di questo Ministero prot.4498/1928 Coll. in data 21 febbraio 1945.

2. Si ritiene opportuno richiamare l'attenzione di codesta Sottocommissione sulla circostanza che gli Ufficiali per i quali si chiede il rimpatrio, e cioè il Colonnello Rolando FORTUNATO ed il Maggiore Aldo VITALI non sono prigionieri di guerra, ma sono attualmente internati ad El Golea con trattamento assimilato a quello diplomatico.

3. Ciò in considerazione del fatto che, all'atto del loro internamento nel Nord Africa Francese, e cioè il 10.11.1942, essi facevano parte della Commissione d'Armistizio con la Francia, in qualità di membri della Sottocommissione Aeronautica di detta Commissione.

4. Di conseguenza, i due predetti Ufficiali non cadono sotto le disposizioni della Convenzione di Ginevra del 1929 sul trattamento dei prigionieri di guerra, dato che questa qualifica non può competere nè al personale diplomatico nè al personale che - come nel caso dei due Ufficiali in questione - è assimilato a quello diplomatico, ed ha diritto al medesimo trattamento.

5. Per queste ragioni il rimpatrio dei due Ufficiali suddetti non venne chiesto per un successivo reimpiego dei medesimi nella R.A., ma esclusivamente per inviarli in licenza illimitata presso le rispettive famiglie.

6. Si confida nel cortese interessamento al riguardo di codesta Sottocommissione, che sarà molto apprezzato.-

Dear Wg Cdr De Haan,

The attached documents refer to an Italian airman who is a prisoner of war in England. His family live locally and I have been asked if anything could be done to have him repatriated to help run a farm. I have made no promises whatsoever other than to make enquiries. I would be obliged if you could give me any guidance as I am completely out of my depth, knowing nothing of the governing conditions.

ALLIED MILITARY GOVERNMENT.

The undersigned MACCHIA DONATO SALVATORE, son of the late Giovanni, domiciliated at Copertino (Lecce) in via A.Diaz 40, half-tenant father of the soldier Macchia Giuseppe born in 1919 and belonging to the I.A.F. prisoner of Germans in Greece and at present liberated by the Allies and taken to Great Britain, Camp n.63 number 54690, asks for the repatriation of the above son as he is the only person to take over the farm (3 hectares) half-tenancy and 3 hectares on his property.

The undersigned is in bad health condition as it is shown in the attached medical certificate, and the presence of his son on the family would be of great help for the good management of the property.

The other two sons are of age, are prisoners of war as it is shown in the attached certificate.

AL COMANDO MILITARE ALLEATO

Il sottoscritto MACCHIA Donato Salvatore fu Giovanni, domiciliato in Copertino(Lecce) abitante in Via A.Diaz 40, mezzadro, padre del soldato Macchia Giuseppe della classe I9I9 appartenente all'Arma Aeronautica già prigioniero dai tedeschi in Grecia ed attualmente liberato dagli Alleati e trasportato in Gran Bretagna al Campo N° 63 con matricola 54896, chiede il rimpatrio del predetto figlio non essendovi in famiglia alcun uomo valido per la conduzione dei terreni che possiede a mezzadria ed in affitto (ettari 9) oltre ad ettari 3 di sua proprietà.

Il richiedente fa presente le sue precarie condizioni di salute come risulta dall'accluso certificato medico, per cui la presenza del figlio in famiglia sarebbe di gran beneficio per il buon andamento della coltivazione dei terreni.

Fa presente inoltre che gli altri due figli maggiorenni trovansi anche essi prigionieri come fa fede l'unito certificato.

Unisce lo stato di famiglia.

Sperando nel benevolo accoglimento della sua richiesta, formula i migliori voti per la certa prossima Vittoria degli Eserciti Alleati contro l'oppressore colpevole di tanto male.

VITALI Aldo it is noticed on the pro forma against the heading of "actual position to which officer will return" the answer given in the case of each officer is "Ufficiale in S.P.E. i licenza illimitata".

2. It is desired to point out that the number of prisoners of war for which repatriation can be obtained is strictly limited and applications can only be made in the case of individuals whose presence is both important and necessary to the building up of the Italian Air Force and who will come back to commence a definite job of work for that purpose.

2336

3. It is strictly against all principles to ask for the return of officers to proceed on unlimited leave and if such requests are made well they will only serve to nullify the applications to which this Sub-Commission gives its support.

4. No further action is being taken in these two cases and it is again repeated that the number of applications for repatriation made must be kept to a minimum and where the reasons for such applications are given they must be of such that they are for essential personnel returning to a definite post.

" Following numerous requests from Allied authorities on behalf of the Italian Government for repatriation of Italian nationals held in French custody, the Chief of Staff of National Defence, Paris, has stated that he wishes such requests to be put directly by the Italian Government through the French diplomatic representatives in ROME and not through military channels.

REPATRIATION OF FAMILY OF MAJ. AMATO ANTONINO

Reference is made to letter AFSC/R/903/P4of 27th January.

2. From the reply of Displaced Persons and Repatriation Sub Commission it would appear that the case of Maj. Amato Antonino has not been sufficiently illustred by this Ministry as it is a genuine case and almost a unique one.

3. Maj. Amato Antonino was transferred from Naples to Massaua in the first days of 1940 and was rejoined by his family on the month of May of that year. His house at Massaua was blitzed during an allied bombing and one of his 4 children who are all in very tender age, was wounded so seriously that he still needs urgent treatment in order to avoid to get deformed. Subsequently the Major was taken prisoner and his family, in Erytrea, composed by his wife and 4 childarenz was left without any support except the subsidy given by the Allied Authorities to tne families of prisoners resident there. As he had a grave moral depression he was repatriated by Allied Authorities. Having come back to Italy in these bad health conditions, the great distance from his family, the continous care for their wellbeing alter even more his psycnical state, so that its psychical equilibrium is seriously affected.

4. It is therefore thought that his case is a genuine and pitiful one, and it would be appreciated if a further action might be taken by your Sub Commission with the competent Allied Authorities.

OGGETTO Rimpatrio della famiglia del Magg. AMATO Antonino

Si fa fiferimento al foglio n° AFSC/R/903/P4 del 27 gennaio c.a.-

2. La risposta fornita dal Displaced Person and Repatriation Sub Commission fà sospettare che il caso del Magg. AMATO Antonino non sia stato sufficientemente illustrato da questo Ministero, poichè si tratta di un caso veramente pietoso e presumibilmente unico.

3. Il Magg. AMATO Antonino veniva trasferito da Napoli a Massaua ai primi del 1940 e riusciva a farsi raggiungere dalla famiglia nel maggio dello stesso anno. La sua casa, a Massaua veniva colpita da bombardamento alleato ed uno dei 4 figli, tutti di tenerissima età, restava così gravemente colpito che tuttora è abbisognevole di urgenti cure onde evitarne una crescita deforme. Fatto prigioniero, lasciava in Eritrea la moglie ed i 4 figli privi di qualsiasi propria risorsa, oltre al normale sussidio che le Autorità Alleate sommistrano alle famiglie dei prigionieri colà residenti. Colpito da grave depressione psichica, veniva rimpatriato dalle Autorità Alleate. Rientrato in Italia in tali condizioni di salute, la mancanza della famiglia, l'incubo delle condizioni in cui essa può trovarsi, ne minano ancor più lo stato psichico, fino al punto da minacciarne definitivamente l'equilibrio.

2365

4. Tutto ciò si ritiene che costituisca un vero e provato caso pietoso, per cui si prega codesta Sottocommissione di volere ulteriormente interessare le competenti Autorità Alleate.=
