REQUEST FOR INSTRUCTIONS REGARDING THE USE OF
EXTINGUISHERS

We would like several copies of the instructions dealing with the functioning, maintenance and refilling of the portable extinguishers used by the American, British Air Force with special regard to the carbon dioxide and the carbon tetrachloride types.

The above information is necessary for the use of material left to the Indian Air Force by the American and British Air Force.

NOTE
Please acknowledge this letter and ask administration as to what claims for a handbook on these extinguishers may be made.
