The British Command will be leaving the Romagnoli Barrack, used as camp hospital, in the next few days.

We would greatly desire that all the sanitary equipment, in the barrack, be directly handed over to the Italian Military Air Force, instead of the A.R.A.I.

promemoria per il W/Cár. GREECE

Prof. 363 Colle.

Risulterebbe che in questi giorni il Comando Inglese sta abbandonando la Caserma Romagnoli, adibita ad ospedale da campo.

Sarebbe vivamente desiderabile che tutta l'attrezzatura sanitaria ivi esistente venisse ceduta direttamente all'Aeronautica Militare Italiana anzichè all'A.R.A.R. =
