My dear Mr. Undersecretary:

I have now received a reply concerning the derequisitioning of Loreto College about which On. Cingolani wrote to me on 12 December 46.

Allied Force Headquarters has advised me that Loreto College is part of the Polish Family Center and that it is impracticable to derequisition the college at this stage since the Center has been planned with a view to concentrating into it the largest possible number of Polish families so as to release as many properties as possible for the use of the civilian population.

Very sincerely yours,

s/ Ellery W. Stone
