METEOROLOGICAL ORGANISATION

Reference is made to the telephone conversation this morning between the Air Staff of this Branch and Lieutenant Romano of the Italian Meteorological Service.

2. Set up below is the text of a signal which has recently been received from Air Headquarters R.A.F. Austria. This office will greatly appreciate if you could arrange as expeditiously as possible for the information requested to be made available at the times and in the manner indicated in the signal.

3. Will you please notify this Branch as soon as you have made the necessary arrangements.
