Origl.

This is obviously very useful information and should be passed to Caserta, but
 I am not clear about the strength of what S/Lt Salter asked
 for it (see enclosure 10A). Will you call D.A.A.C. Secretariat and
 see if they can throw any light on it.

14/3

Agreed but suggest we wait until we
 get another request the other was some
 time ago. HCB. 15/3
