Consequently, such applications for renewal must be submitted direct to the Veterans Administration, Washington 25, D.C. on or before 31 March 1947.

Officers that have carried this insurance for a period of five years or more are requested to contact the Officers' Section.

Records of Enlisted Personnel will be screened and action initiated. (Adj, 7106th L.C. Det)

IV. TRIP TICKETS:

1. It is the responsibility of each user of a War Department vehicle to properly sign the trip ticket. By signing the trip ticket the user is verifying all entries thereon and therefore certifying that the vehicle was used in the manner shown under column "Trip or Load Record".

2. Assigned vehicle trip tickets should be signed, when released on the bottom two lines on the front of the trip ticket. The trip ticket should be signed, as indicated, giving final speedometer reading, hour, date and signature.

3. Use of taxi vehicles should be authenticated by entering, in column headed "Speedometer or Hour Meter", the time released and initials of user.
