SUBJECT: Christmas Messages.

TO : Commanding Officer, Each Unit this Command.

The following War Department Cable WCL 38327 is repeated for dissemination to personnel under your command:

CHRISTMAS GREETINGS FROM THE PRESIDENT

"To the men and women of our Armed Forces. I am very grateful for this opportunity to extend to each one of you, wherever you may be, my most sincere Christmas greetings.

"We are now involved in a great struggle, a struggle to shape the events of today and tomorrow toward a just and enduring peace for all peoples in all countries. There is still much to be done.

"The accomplishment of our tasks require the same devotion and the same high ideals which you, the men and the women of our Armed Forces, have always displayed.

"The liberty-loving peoples throughout the world, who in darker days prayed for our success in battle, now offer their prayers that our struggle for harmony and tranquillity on earth shall succeed.

"I wish to express the Nation's deep appreciation of the part you are playing, and the hope that our gratitude will in some small way compensate for your absence from home, friends, and dear ones on this Christmas Day.

"Again, and I wish you a very merry Christmas.

Signed HARRY TRUMAN

GREETINGS FROM THE SECRETARY OF WAR

"At this Christmas season, I wish to extend my heartiest greetings and best wishes to the men and women in our Army, military and civilian, and to express my warm appreciation for your local and efficient services throughout the year.

2240

"It has been a hard year and you have acquitted yourself with honor. You have exhibited the soldierly qualities of courage, intelligence and perseverance which stood you so well in battle and won the affection and admiration of the American people. Your work at home and abroad continues in the finest traditions of the Service."

CHRISTMAS MESSAGE FROM THE CHIEF OF STAFF

"You, of the United States Army, are now engaged in a mission whose essence is the establishment and maintenance of conditions in which may prosper world-wide extension of the Christmas spirit. Wherever you are stationed and whatever your tasks may be, all of you are guardians of peace and may be able to celebrate the good tidings of this season, serenely secure from the sacrifice and terror of war. Though accomplishment means that you must perfect yourselves in the technical, disciplinary and mental processes of war, your basic purpose must always be its prevention rather than its waging.

"To all who serve or have served in our Country's Army, I extend my warmest greetings and sincere good wishes. My thoughts are especially with those whose duty requires them to spend the Christmas away from home and loved ones. The present sacrifice you make is a real contribution to Christmas peace."

It is hoped, however, that every endeavour will be made to ensure that those eligible shall have this period of leave before the termination date. (G-1 (B))

148. Reports - Confidential, on Officers

The attention of all officers is drawn to ACI 849 of 1946. (21A)

149. Hotel Accommodation - N.E. Italy

Almost all hotel accommodation in N.E. Italy has had to be allocated to families as permanent residence. Very limited accommodation remains available for use of officers on temporary duty or in transit.

It is essential that officers proposing to visit N.E. Italy, obtain assurance from 'Q' Branch of the Formation/Area/Garrison concerned that accommodation can be provided.

Only in exceptional circumstances can temporary accommodation be provided for officers' families.

Families arriving for whom accommodation has not been reserved may be required to make their own arrangements at a civilian hotel. (Q.121)

150. 'B' Vehicle Policy

Instances are occurring of units handing in vehicles direct to Tor Sapienza Compound without complying with the documentation instructions issued in ARO 145/46.

Units will ensure that the necessary documentation is carried out; failure to do this will result in all vehicles being handed into 18 Vehicle Park, UDINE. (Q.136)

151. Christmas 1946 - Mail Bags

The situation as far as mail bags are concerned in this area is acute; and to ensure that the Christmas mail does not suffer delay owing to shortage of mail bags, all units should immediately return all empty bags in their possession to the nearest APO.

Many units are using Post Office mail bags for drawing of rations, and other improper purposes; checks will be imposed to ensure that this practice ceases. (Q.184)

153. Personnel proceeding to FRANCE on leave - NAAFI rations

No provision is made for personnel proceeding to FRANCE on leave to draw their NAAFI issue of cigarettes and sugar confectionery whilst on leave or a short period of duty in that country.

Units will be responsible for providing personnel with NAAFI entitlement to cover full period of leave or duty including travel to and from FRANCE.

NAAFI facilities in FRANCE are only available to personnel on permanent duty and those officially repatriated to FRANCE on release, during the period of their release leave. (Q.193)

SUBJECT: Message Precedence

TO : Commanding Officer, Each Unit This Command

1. In many instances, units presently being serviced by Signal and Message Centers, this Headquarters, are violating seriously, established regulations and directives affecting precedences utilize in the transmission of signals. To alleviate these malpractices, the precedences shown in the following chart will be followed:

a. Precedence Chart:

US	British	Procedure Sign	USE WHEN
DEFERRED	DEFERRED	D	Contents permit delivery morning after day of receipt. Use whenever possible.
ROUTINE	NO INDICATION	R	Contents permit transmission and delivery in sequence of receipt and before "D" messages.
PRIORITY	IMPORTANT	P	Contents require transmission and delivery before waiting "D" and "R" messages. This is the highes precedence that can be given administrative traffic. Will Routine Suffice?
OPERATIONAL IMMEDIATE PRIORITY		OP	Contents refer to operations only and must be transmitted and delivered before messages of lower precedence. Do Not Use for Administrative Traffic.
URGENT	MOST IMMEDIATE	O	Contents refer to combat, actual or imminent and require immediat transmission before all other messages. Reserve for use in su Emergency by authorized Officers.

b. Only Commanders of separate commands or their specifically designated authorities are authorized use of MOST IMMEDIATE (Br) or URGENT (Am) precedence. Unusual isolated examples may be queried to Signal Officer for necessary authorization. It is emphasized that the precedence "URGENT" is an American classification comparable to British "MOST IMMEDIATE".

Declassified E.O. 12356 Section 3.3/NND No. 785015

Message Precedence, 23 Oct 46, Cont'd

2. Signal Officer, this Command, has been instructed to bring to personal attention of Commanding Officer, any future violations.

3. Due to present acute shortage of personnel, signals can onl be processed efficiently if justifiable precedences are affixed to outgoing messages. In no instance will unwarranted precedence be gi en to compensate for administrative delays.

4. It is the direct responsibility of Commanding Officer, each Unit, to bring this letter to the personal attention of all Officers and other ranks involved in the handling or processing of outgoing signals.

5. Violations affected by units not under direct control of this Headquarters, will be forwarded to AFHQ, MTOUSA or GHQ CMF for necessary action.
