HEADQUARTERS ALLIED COMMISSION

A.P.O. 394

Office of the Executive Commissioner

Ref: 400/64/83.

25 October 1953.

My dear D'Agremon Lyonel:

The Allied Commission will be pleased to facilitate the visit to Italy of representatives of important Belgian interests referred to in your letter of 19 October (No. 4831).

Free entry into Italy is now permitted subject to possession of proper travel authorization by Allied Force Headquarters. The procedure for obtaining such permission is as follows:

- (a) The interested persons file applications to enter Italy with the American or British consulate or embassy or military authorities at the point of origin. Alternatively, application may be made at Hq. United States Forces European Theatre, in Paris, if this is more convenient.
- (b) Simultaneously the Belgian Embassy in Rome submits to Allied Commission a request setting forth the names and passport numbers of the prospective travellers and the purpose of the visits.
- (c) Allied Commission forwards the request, with its endorsement, to Allied Force Headquarters which notifies the authorities at the point of origin of its decision.
- (d) Permits are issued at the point of origin.

The procedure set forth above has been in operation for some time and is, I am informed, generally understood by the appropriate offices of the various embassies. As I explained to M. Beaupre I very much hope to obtain a modification of this procedure.

I should be pointed out to all travellers that food, accommodation and travel in Italy are the responsibility of the individual, and as you know, present not inconsiderable difficulties.

M. S. LUSH

Brigadier,
Executive Commissioner.

E. G. d'Agremon Lyonel,
Belgian Charge d'Affaires,
Belgian Embassy,

- e. War correspondents accredited to AFHQ.
- f. Merchant seamen serving in Allied or Allied-operated merchant ships.
- g. Merchant seamen, other than Italians, leaving Italy to join ships elsewhere.
- h. "Persons already in possession of Joint Chief of Staff Permits or Allied Force Permits, provided that these documents are not indorsed 'for single journey only'".

3. A person not included in paragraph 2 (of whatever nationality) wishing to leave Italian territory (including Sicily and Sardinia) must obtain application forms for Military Travel Authorization from the nearest Civil Affairs Officer or such other officer or agency as may be deputed. Two copies of the application form will be completed. They will be typewritten, or written in block capitals where no typewriter is available. The applicant must furnish, where photographic facilities exist, two full face and two profile photographs of passport size, which will be affixed to the two copies of the application form as indicated in the spaces provided. Where the applicants cannot provide photographs, right thumb prints will be made on the application form, in the presence of the Civil Affairs officer.

4. In the case of applications for Italian diplomatic and consular officers and special economic or political missions, application forms should be forwarded in duplicate by the Political Section, The Allied Commission (ALCOM), to G-2 (CI) Section, AFHQ direct. Photographs will not be required, and the applications will not be subject to local screening unless G-2 (CI) Section specifically requests it.

5. The Civil Affairs officer or appropriate Section of ALCOM will satisfy himself as to the identity of the applicant and as to the reasons for his proposed journey, and will note in the first few lines of the "Remarks" section of the application form any information available locally concerning the applicant, and any comments of his own. He will also consult the local (British) Field Security Section, or (American) Counter-Intelligence Corps Detachment, regarding each application. If the applicant is in any way suspect or unsatisfactory as regards security, Field Security or CIC will submit a written interrogation report direct to G-2 (CI) Section, AFHQ noting the reference of the report on the MTA application form. Otherwise, they will indorse the Military Travel Authorization application forms "Nothing known against". The Civil Affairs Officer or appropriate section of ALCOM will then fill in the items "Counter signature of Civil Affairs Officer and Office Stamp" and "Region and Province", but will leave the remaining spaces blank. The terms of this paragraph will not apply to applications under paragraph 4 supra.

GEG-0, dtd 7 November 1944 (Cont'd)

6. Both copies of the application form will then be forwarded by Civil Affairs Officer through HQ ALCOM to G-2 (CI) AFHQ.

7. G-2 (CI) AFHQ after consideration of the applications, will return one copy of the application form to the appropriate section of ALCOM with the decision as to grant or refusal, and where the application is granted will forward together with the form the appropriate Military Travel Authorization for transmission to the applicant.

8. Civil Affairs officers will on no account communicate to persons whose applications have been refused the grounds for such refusal; nor will they attempt to indicate, in view of the detailed research which will be necessary in many cases, the time which may elapse before applications are decided.

9. It should be made known to intending travellers that the Military Travel Authorization is merely an authorization to leave Italian territory and, with the exception of French North Africa, it does not authorize their entry to the country of destination, whose visa requirements must be complied with. In the case of travellers from Italy to North Africa, a French entry visa is not required by holders of Military Travel Authorizations.

10. In the case of travellers from Italy to the United States, other than United States nationals, and of travellers to British territory, other than British nationals, Civil Affairs officers will satisfy themselves as to whether the applicant holds a passport bearing an entry visa for the United States or British territory respectively, and will note this fact in the remarks section. Applications will not be forwarded in any case in which an entry visa has been refused, whatever may be the country of destination.

11. This instruction does not apply to Allied-organized parties of refugees, or repatriates, leaving occupied Italy, Sicily and Sardinia. In the case of such refugees a nominal roll with appropriate biographical data will be submitted by the Displaced Persons Sub-Commission to G-2 (CI) AFHQ who will issue a block Military Travel Authorization if approved.

12. Except in the case of refugees, and repatriates of British and United States nationality, Military Travel Authorizations will not be issued except for journeys which benefit the war effort.

13. In cases where the appropriate section of ALCOM considers that the travel of an applicant is urgent, application may be made to G-2 (CI) AFHQ by telegram or telephone; and in the event of a favorable reply, he may authorize the applicant to proceed without being in possession of a Military Travel Authorization. G-2 (CI) AFHQ will in such cases warn the Security Control at the Italian port of exit, and (if necessary) the North African port of entry. In such cases the application form will none-the-less be forwarded to G-2 (CI) AFHQ to complete their records.

14. The Security Controls at Italian sea and airports are instructed to forbid the exit from Italy of any passenger who presents himself without a Military Travel Authorization, unless he produces documentary evidence that
