SUBJECT: Preparation of Electoral Lists

8 October 1945

TO : RC. LIGURIA (with copy and 2 enclosures
for PG. GENOA)

1. We are sending you herewith a letter in Italian from the Ministry of the Interior to the Prefect of Genoa reference 15635/Z/6520 dated 24 Sept. Copies in English are enclosed for your information.

2. May this letter please be passed the Prefect of Genoa. It is suggested that PC Genoa point out to the Prefect that the Allied Commission, as well as the Ministry, take a serious view of the delay in the preparation of electoral lists and particularly of the failure on the part of the Prefect to request the necessary extension of the time limit.

RALPH R. TEMPLE,
Major,
Director,
Local Government Sub Commission.

REPORT NO. 156

SUBJECT: Survey of Genova Province - 23 June 1945

Persons interviewed:

Lt. Col. Matteo, Provincial Commissioner
Captain Malin, Staff Officer
AVV. MARTINO Enrico, Prefect

TO : Director, Local Government Sub Commission

FROM : Major Ralph R. Temple, Deputy Director, Local Government S/C

1. I outlined the problems involved in the compilation of electoral lists. The Prefect, AVV. MARTINO Enrico, member of the Liberal Party and designee of the CLN, was characterized by the Provincial Commissioner as a very good administrator. He had been acting in the underground movement and was highly respected. He had courage enough to defend the Carabinieri on one occasion after he had taken office. He is a young man and impressed me with his eagerness and fresh point of view. The IC said there is no trouble with the CLN now; that they quit issuing Decrees after AMG was in the province 5 days. Relations between the CLN and AMG are good. The CLN is very cooperative.

2. Public order in the province is good. Some partisans have been absorbed into the various police services. Outlaw bands are diminishing. There is still some trouble with these bands, which are operating under the guise of being partisans.

3. The political complexion of the province is Liberal--perhaps a little to the right of that. Coal is the key to the solution of all the problems.

4. The Deputazione Provinciale has not been formed yet. Not all the names of the nominees for that body have been received as yet. However, it is hoped that the Deputation will be selected within the week. The Vice Prefect situation is as follows:

AVV. PIERVITO Vittorio - designated by the CLN as Vice Prefect "Politico" - non-career
BILIANI Ledovico - Vice Prefect Vicario - career
MERCANTE Francesco - Vice Prefect Inspector - career
Comaiglieri with functions of VPI

The rest of the Prefettura is well staffed with trained officials.

5. In all of the Communes, Sindaci and Giunta Comunale have been appointed. In the case of the Giunte, they have been reduced to the legal size. There are Segretari Comuni in almost all communes.

6. The four members of the CPA naturally have not been selected, since the Deputazione Provinciale has not been created as yet.

1. I outlined the problems involved in the compilation of electoral lists. The Prefect, Avv. MARTINO Burice, member of the Liberal Party and designee of the CIM, was characterized by the Provincial Commissioner as a very good administrator. He had been acting in the underground movement and was highly respected. He had courage enough to defend the Carabinieri on one occasion after he had taken office. He is a young man and impressed me with his eagerness and fresh point of view. The IC said there is no trouble with the CIM now; that they quit issuing Decrees after AMG was in the province 5 days. Avv. PERNUSIO Vittorio - designated by the CIM as Vice Prefect "Politico" - non-career
 RUIZZI Lodovico - Vice Prefect Vicario - career
 PERRANIS Francesco - Vice Prefect Inspector - career
 Consiglieri with functions of VPI

The rest of the Prefettura is well staffed with trained officials.

5. In all of the Communes, Sindaci and Giunta Comunale have been appointed. In the case of the Giunta, they have been reduced to the legal size. There are Segretari Comunali in almost all communes.

6. The four members of the CPA naturally have not been selected, since the Deputazione Provinciale has not been created as yet.

7. Forms showing the provincial situation were left to be completed and have recently been received by this Sub Commission. Requests for several Secretaries and Class "C" employees have been forwarded to the Ministry of the Interior for any necessary action.
