REPORT NO. 167

SUBJECT : Note of interview with Dott. Pietro BACHI - Prefetto Ragioniere for
LA SPEZIA - on 14th July 1945

TO : Director, Local Government Sub Commission

FROM : Captain W.I. GUNNINGHAM

1. I had to wait some time before I could see the Prefect and during our interview his telephone kept ringing. He apologised for the frequent interruptions and explained that he had a general strike of workers on his hands. The Prefect appears to be a strong man and he dealt quickly and decisively with the queries raised by the persons who kept telephoning him.

2. Vice Prefect Vicario Dott. Giovanni D'ALESSANDRO is a career Vice Prefect and is very helpful. He was a C.I.E. nominee for the position and is not liable to be epurated.

3. Vice Prefect Inspector Dott. Romano FERRARO is a career official and is very efficient. The Prefect is going to give all the work in connection with the preparation of the electoral lists to him and would like another Vice Prefect Inspector for the ordinary duties. I said it would be very difficult to get another career official.

4. Other officials. There is one Consigliere and one primo Segretario who is acting as a Consigliere. The Prefect had been in Rome recently and had asked the Ministry for some more career officials to make up his establishment.

5. Deputazione Provinciale was established and was functioning very well.

6. Giunta Comunale had been established in all Communes except two. There were Giunta of a sort there but the Prefect was not satisfied and was getting other nominations.

7. G.P.A. had been formed and was meeting.

8. Sindaco had been appointed by his Deserve in all Communes.

9. Segretario Comunale. There are 20 career officials for 52 Communes. Non career officials are in 10 Communes while two Communes are being looked after by the career Segretario of the neighboring commune. The Prefect said that examinations had been held recently for Segretario and the papers returned to Rome. He hadn't received the results yet. He had given the oral portion of the examination himself and had picked out the 10 best answers and appointed them temporarily pending the official results. About 20 persons had sat for the examinations.

10. Preparation of Electoral Lists. The forms have arrived and been distributed to all communes. He was giving the matter particular attention as he thought it of prime importance. He had set up an electoral office in the Prefecture and if he found any commune setting back in the way he would send an official.

Interview his telephone kept ringing. He apologized for the interruption and explained that he had a general strike of workers on his hands. The Prefect appears to be a strong man and he dealt quickly and decisively with the queries raised by the persons who kept telephoning him.

2. Vice Prefect Vicario Dott. Giovanni D'ALBANO is a career Vice Prefect and is very helpful. He was a C.I.N. nominee for the position and is not liable to be epurated.

9. Segretario Comunale. There are 20 career officials for 32 Communes. The Prefect said that examinations had been held recently for Segretario and the papers returned to Rome. He hadn't received the results yet. He had set up an electoral office in the Prefecture and if he found any communes getting behind in the work he would send an official out to assist. The Casellario Giudiziale had been destroyed by arson about a month ago.
11. Epurazione. The Provincial Commission was functioning.
12. The Prefect had been to Rome recently to get a new quorum and was worried because he had not arrived yet. The present quorum was very unpopular and could not function efficiently on that account.

1. The PC has a rather poor opinion of the Prefect Regente, who was a C.L.N. nominee and who is still too much involved with them at present. There was a general strike on and PC. considered that the Prefect had probably assisted in organizing it. The Prefect Regente is better known as Pietro RIGHI. He is a member of the Socialist Party. I collected Forms A and B. They are attached to the file copy of this report. Regional and Provincial HQs already have copies.

9. C.L.N. - As usual had tried to take executive action at first but their position had been made clear to them by the PC. They now only offered advice to him but they brought a lot of pressure to bear on the Prefect and were working underground.

10. Preparation of electoral lists. The forms had arrived and were distributed. The Prefect had been told that 15th July was the date to commence the preparation of the lists. The Legal Officer had not yet received the Decree. He was going to Regional Hq. Genoa on 15th July and would ask the Regional Legal Officer for it.
