APPENDIX VII

VIETNAM DOCUMENTS

1. Persons interviewed: -- Lt Col. WILLIAM (A) -- FC
 Lt. COL. M. H. -- MLO
 Major (Colonel) L. H. -- Prefect Regent
 Capt. L. H. -- V. (Career)

2. Date: -- 6 July 1965

3. All AMBULI were confirmed by verbal order of 10 at a meeting of AMBULI held in the first few days after the establishment of AMB. When such a verbal confirmation is perfectly valid, of course, AM agreed that a written record was required, as evidence. He said he would have a written confirmation all AMBULI on 10 and bring back to the verbal confirmation.

4. All 119 Companies have registered Councils. Some 15 joined the P.S.P. and will have to go, in the course of examination. The Prefect thinks he can arrange to provide by combining companies or bringing in non-organizers.

5. The electoral material arrived 5 July: the instructions for the AMBULI were sent out immediately. All the forms and etc. will be distributed by 15 July.

6. The DISTRICTS AMBULI are not yet been appointed: the Prefect has not yet received the AMB's nominations. Consequently there are no elected members of the AMB. I advised the immediate constitution of the Deputations.

7. Some documents -- less than 10 -- have had their population registers destroyed. Vietnam Ambulidie was hit by bomb but the envelope was saved.

8. There is one Tribunal with seat at Vietnam. Its judicial records were destroyed by bombing. The AMB has already requested copies from the Cassellarie Centrale. The AMB speaks highly of the Tribunal del Regno.

9. The Province has 8 Mandamenti: Prefect also functioning in all.

10. The Prefect Regent (Colonel) is no longer belongs to the AMB. In the matter of electoral lists and local government the Vice Prefect Vicario did most of the talking and he is clearly quite "in" with it all.

11. A Commission is moving as Vice Prefect Inspector. He is said there is plenty of transport available in the Province (mainly captured German material, I gather) and the Prefect intended to see that the Vice Prefect Inspector had a car.

12. The Prefecture was adequately staffed, no vacancies were indicated.

13.

3. All SIMBONI were confirmed by verbal order of 10 at a meeting of Simbani held in the first few days after the establishment of SIM. When such a verbal confirmation is perfectly valid, of course, 10 agreed that a written record was required, as evidence. He said he would have in order and confirming all Simbani on bloc and dating back to the verbal confirmation.
4. All 129 Comanches have Secretari Generali. About 15 joined the P.M.P. and will have to go, in the course of operation. The Prefect thinks he can manage to provide by combining comanches or bringing in non comancheros.
5. The electoral material arrived 5 July: the instructions for the Simbani were sent out immediately. All the forms and etc. will be distributed by 15 July.
6. The REPUBLICAN MOVEMENT has not yet been appointed: the Prefect has not yet received the CIP's nomination. Consequently there are no elected members of the CIP. I advised the immediate constitution of the Department.
7. Some Comanches - less than 10 - have had their population registers destroyed. Vicencia Larralde was hit by 10 but the registers were saved.
8. There is one Tribunal with seat at Vicencia. Its judicial records were destroyed by burning. The 10 has already requested copies from the Castellano Contrabando. The P.D. appears highly of the President del Regio.
9. The Prefect has 3 Mandamientos: history are flourishing in all.
10. The Prefect Regent (other party) no longer belongs to the CIP. In the matter of electoral lists and local government the Vice Prefect Vicario did most of the talking and he is clearly quite "in it" with it all.
11. A Comanchero is acting as Vice Prefect Inspector. The 10 said there is plenty of transport available in the province (mainly captured German material, I gather) and the Prefect promised to see that the Vice Prefect Inspector had a car.
12. The Prefecture seems adequately staffed, the vicinias were indicated.
