To the Ministry of Air Force
Management of Military Personnel and schools = Sec. 9 - Uff. Not.
Rome.

This Presidency has previously asked this Ministry the issue of an death certificate or the copy of the ascertaining of the decease of the a/m airman belonging to the airport N° 32- P.M. 3200 (Zara) who died in an air raid in the second fortnight of October 1943 in the hospital for militaries in Zara.

Since this Presidency has forwarded the request thru Italian Red Cross in via Puglie, as results from note dated 26 April of successive year N° 9/0363/C481/DPM of this Ministry, please to provide for the request itself, since the Red Cross never gave any answer. For this purpose it is pointed out that in case it wouldn't be possible to compile the the death certificate, a statement of displacing or any equivalent document which would enable the mother to make arrangements for getting a pension.

We duly communicate that the dispositions in vigour in this territory do not permit the concession of assistance if the position of the kinsman is not proved with documents issued from military authorities.

ROMA

Since I h ave lost all my certificates of citizenship in consequence of the war, I have to apply to this Minister asking that new documents of citizenship be issued on my name, in order to be able to demonstrate my nationality.

I have obtained a document testifying the Italian nationality of my father, Giuseppe Scala, born in Verbovo ( Commune of Vipacco) - Venezia Giulia.
He got the Italian citizenship in 1919, according to the Treaty of St. Germain para 70 - 71 an d of course I got the Italian citizenship too, for at that time I was a minor . In Jugoslavia, where we lived after the Great War, we have always been considered as Italians.

After my father/s death, I remained in Zagabria ( Jugoslavia), because I owned there a property an d was employed in a commercial Society.

In May 1945, I had to move in consequence of the approaching of Tito 's troops and then I settled in Carinzia, where I still live as a refugee.

In order to be able to return to Italy, and expecially since we are expecting a decision about the Venezia Giulia, I would need a document testifying my Italian citizenship. Iwould need as well that the same document be issued for my mother Barbara Betti Scala, who married my father im 1911 and is now living with me.

Hereby attached you find my certificate of Babtism proving what about said.

To the Ministry in ROME

With reference to the a/m letter we inform you that from the documents of this ~~Prefettura~~ Presidency it results that Dr. Rossi Amedeo , Secretary &c;, and Chief of the Commune of S. Maria di Sala ( Venezia) and of the Commune of Idria, has been deported by Partisans in the first days of September 1943 and since this date no news have been received from him.

It is the general conviction that Dr. Rossi has been killed, so there is no evidence and no possibility to make inquiries about the circumstances of his disappearence, beeing the commune of Idria in zone B/ of V.G. that is occupied by Jugo- troops.
