Nomination of COSSU, Salvatore, ex-Prefect of Siracusa, by Italian Government as Secretary General of Refugees Commissionership

1. This matter is a little involved and I am therefore stating the facts in detail. I attach, as an appendix, the report of Region I in his connection. *cc 16*

2. It is obvious he was one of the earlier arrests in the operational days and I do not feel that there is anything serious in his re-employment. He was previously nominated as Secretary General to the High Commissioner for Sardinia, but this carried with it a higher grade than that of Prefect and this was resisted, since it was, in fact, a virtual promotion. (Please see letter on this point sent under the signature of the Deputy Chief Commissioner, No. 7)

4. The post they are now proposing to appoint him is one of a lower grade than that of Prefect, as the Minister has stated in his letter.

5. On behalf of the Italian Government, I would state that they are in very short supply of trained administrative officers, and I strongly recommend for your approval that I should inform the Italian Government that ex-Prefect COSSU should be allowed to fill the post of Secretary General to the Refugee Commissionership.

of provisions that he be selected from among

1. The above named who is a career Prefect reported to this Headquarters on 10 February 1944, on arrival from North Africa where he had been interned.

2. He first entered the Italian Government service in 1914 and had held various appointments in Italy prior to becoming Prefect of Siracusa on 1 September 1942. He was arrested in Siracusa by the F.S.S. on 19 July 1943 and removed to North Africa on the same day.

Later it was reviewed by the Civilian Internees Review Board on 10 October 1943 and release was recommended. An inquiry by A.P.H.Q. through No. 1 District followed on 17 December 1943 and in consequence of these recommendations a release notice was issued on 25 January: par 2 of which states -

"He was released because he is of more value to the Allied Cause as a civilian than as a prisoner of war".

4. On arrival at this Headquarters and having reported, Dott. Cossu was given an introductory letter, addressed to the S.C.A.O. of Siracusa (Major A.S. Giles), stating that he was returning to Siracusa and remain there pending any instructions which may be received.

SUBJECT: High Commissioner for Territories - Junta Consultiva

TO : HQ, Region VI

1. I refer to your inquiry about the High Commissioner's Junta Consultiva when you were in my office on the afternoon of 17 April.
2. I have since traced an existing Royal Decree-Law dated 16 March, 1944, no. 30, which makes provisions for the Junta Consultiva.
3. Provisions in the Decree related to the Junta are as follows:
 - a. It consists of 5 members.
 - b. They will be appointed by Decree of the Prime Minister on the advice of the Council of Ministers.
 - c. Their salaries will be fixed by Decree of the prime minister.
 - d. The High Commissioner will preside over the Junta and minutes will be kept.
4. No specific powers are conferred on the Junta. It appears to be purely consultative. Moreover, nothing is said about the qualifications for membership to the Junta.
5. The Ministry of Interior has informed me that it has not yet taken any steps toward appointing the members of the Junta.

High Commissioner of Sardinia.

TO : His Excellency, Dott. Phillipson, Under Secretary of State.

Your Excellency,

- 1 Reference your letter dated 18 March 1944, No 2111.
- 2 Our letter ACC/42/INT of 20 February 1944 stipulated that Dr. Salvatore Cossu's service should not be that of a Prefect.

3 It is regretted that the Allied Control Commission cannot agree to the appointment of Dott. Cossu as Secretary-General to the High Commissioner of Sardinia since such an appointment would be contrary to the intention and spirit of the stipulation referred to in para 2. Since we did not feel that he should be appointed a Prefect, it follows that we cannot accept his appointment to a position which Decree No 21 dated 27 January 1944 stipulates shall be filled by a person holding the rank of Prefect.

CONTROLLOS A L E R N O

Col D. decreto-legge 27 gennaio 1944 n.21 è stato istituito, com'è noto, l'Alto Commissariato per la Sardegna e si è, fra l'altro, disposto che l'Alto Commissario nell'esercizio delle sue funzioni sia coadiuvato da un Segretario generale da scegliersi tra i Prefetti del Regno.

Sarebbe intenzione del Governo Italiano di conferire tale carica di Segretario generale al Prefetto di II classe Comm. Dott. Salvatore Cossu, nativo di Calangianus (Sassari), già Prefetto di Siracusa ed attualmente a disposizione.

Si pregherebbe di volere esprimere in proposito un cortese parere di giudicamento.
