SUBJECT: Movement of Prefect

TO : His Excellency the Minister of Interior

Your Excellency:

1. Thank you for your letter of the 22nd July enclosing a list of proposed appointments and transfers of Prefects which it is understood is submitted to the Allied Control Commission for their approval in accordance with the arrangements made between us for that purpose.

2. It is observed that the list accompanying your letter varies slightly from the list Excellency Berruti handed to Lieutenant Lewis on the 21st July. These alterations have been noted. Kindly notify me of the Council's views regarding Spaciale in due course.

3. With regard to Li Voti, it will be recalled that he was removed from office on account of his Fascist record and active anti-Ally behavior. I would particularly refer Your Excellency to the letter of the then Minister of Interior dated 16 May, a copy of which I am enclosing, from which I clearly understood that the Ministry had no intention of employing Li Voti.

4. Perhaps I would Your Excellency may wish to reconsider the matter in the light of all the circumstances of the case including the previous correspondence and I shall be glad if you will state whether it is desired to proceed with the application for Li Voti and if so the reasons for so doing.

5. Subject to 3 and 4 above, the nominations are being considered by the Allied Control Commission and I hope to convey an early decision to you to enable these appointments to be filled as soon as possible.

Cabinet

Rome, 22nd July 44

To :
ACC - Interior Sub-Commission

Subject : movement of prefects

We forward you a copy of the plan of the movement of Prefects approved by the Council of Ministers in its last meeting. In it are set out the following variations in comparison with the other copy consigned by hand to Capt. Lewis :

1) - Dr. GIUSEPPE COZZA instead of Dott. Rodolfo Biancorosso

2) - Dr. ROSARIO BARTOLINI eliminated; whose position must be examined by the Council of Ministers at the next meeting.

Among the Prefects at disposal who are holding office, are included the Prefects Dr. Renato Ruscicci and Dr. Salvatore Cossu, concerning whom the A.C.C. has reserved the right to make known its decision; naturally the above mentioned Prefects would be used only following the approval of the A.C.C.

As before, among the Prefects disposal who are holding office, is included the Prefect Dr. Francesco Vicedomini, who has also been indicated to the ACC for the office of Prefect for Florence. He would be used in the ministry should one of the Prefects indicated be chosen as Prefect for Florence.

And lastly we inform you that to the Prefect Dr. Giuseppe Livoti would be assigned operations of Inspection.

HEADQUARTERS REGION VII

ALLIED CONTROL COMMISSION

24 JUL 1944

File Ref RVII/R/136 Date: 20 July 44.

SUBJECT: Office of Prefect at Cosenza.

TO: Interior Sub-Commission,
Headquarters,
Allied Control Commission.

HEADQUARTERS
24 JUL 1944
A.C.C.

1. It is manifest that the present unsatisfactory state of affairs in the administration of Cosenza province will continue so long as there is no Prefect.

2. The Vice-Prefect is a good administrator, rather colourless and unlikely to be a success as Prefect here; although he might do well in such a post elsewhere. He has been in Cosenza for so long that he knows everybody, and lets himself be swayed by the various parties, though he himself has no politics. Granted that he is in an awkward position, nevertheless it is doubtful whether he would do any better were he made Prefect, because having refrained from decisive action while Vice-Prefect, he would find it beyond his capabilities to do so now; at least that is the opinion that I have formed.

3. It is essential that an appointment be made in the very near future. I do not know the situation regarding career men; but can hold out little hope of finding a suitable candidate from the general public in Calabria. It would not be advisable to select anyone with pronounced political views. Two of the best known Cosenza men are Ministers and one, at any rate, interests himself greatly in local affairs to the embarassment of any holder of the office of Prefect. If it would be hard to find the right man among the professionals, or if a private individual is preferred, efforts will be made to find one. In any case it is requested that steps be taken to fill this vacancy as soon as possible.

Note. This letter has crossed ours to Reg VII dated 23rd July. See P. 25. pgw

SUBJECT: Region VII report on Calabria dated 11 July RVII/90/1 to Executive Commissioner.

TO : Vice President, Administrative Section.

1. In accordance with your Memo of 20 July covering the above, I have to report as follows:

(1) Para 10 of Report - Civilian Duress

This Sub-Commission had no previous knowledge of the occurrence. A letter was addressed yesterday to the Minister of the Interior as ordered. His Excellency Berruti, Chief of Cabinet, was verbally informed of the matter and told that the above letter had been sent. He did not know the facts but undertook to ascertain the position and give an early written reply to the enquiry.

(11) Prefect of Cosenza

The attention of His Excellency Berruti was drawn to the long delay in the filling of this vacancy. He explained that a large number of appointments, transfers, etc of Prefects had been under consideration by the Council of Ministers. The Council has now finally decided upon its recommendations and at the interview Berruti handed over a complete list for ACC's approval. (This list gives effect to various arrangements made with and suggestions made by Interior Sub-Commissions) The list includes the nomination of Dott. MERAGLIA Costantino for this specific appointment which will be speedily made immediately ACC's approval is given. HQ. Region VII has been notified accordingly.

1. Reference your report dated 11th July RV/11/90/1 and in particular the Prefect of Cosenza, I write to inform you that yesterday I asked the Ministry when they proposed to fill this long outstanding vacancy.

2. Apparently the Council of Ministers has recently been considering a number of appointments removals and transfers of Prefects.

3. This list is now complete and was handed to me yesterday for ACC's approval.

4. It recommends the appointment of Dottore Costantino MORMILE as Prefect of Cosenza.

5. He is a career official and I am making the necessary enquiries. If satisfactory, approval will be given without delay with a view to the Government arranging for him to assume office as soon as possible.

1. Reference No. 1. This matter has been dealt with in considerable detail. Region I cabled several proposed amendments, see No. 9. Region II cabled advising strongly against proposal affecting NICOLI, Giuseppe. I have discussed the whole of Region I's amended proposals with the Minister personally and he is emphatically against them. He further stated that he did not understand why such suggestions should come from Region I and he felt he was more competent to detail appointments than the Region.

2. The Minister met us fully in regard to No. 5 as at No. 12, NICOLI, and says that he will not promote him and will make another nomination in this regard. I recommend strongly that the proposals of the Minister in regard to 1, 2, 3, 4, 6, 7, and 8 as at No. 12 should be approved but that in view of my personal discussion with Sgr. Aldisio, another nomination be submitted by him to fill the prefecture of COSENZA vice NICOLI.

Confirm LANGO for Trapani Mozzi for Sardinia. For Ragusa Palumbo considered too old prefer Intorella present mayor of Comiso well recommended by Provincial Commissioner noted anti Fascist and political. For Syracuse recommended Cipriano Cipriani recently transferred from Messina to Ragusa. Vice Prefect also urgently wanted for Siracusa. Suggest that Vecca de Dominocis might be suitable for Caltanissetta.
