I have no doubt whatever that Intonti is should be styled a Reggente Prefetto. It would be a breach of faith on our part to depart from our understanding with them whether or not an orally given title was adopted, as an or. memo was 4/5 days late.

With the Italian Govt choose to promote him to Grade II. That is a different matter. Please interviewing ^{report} back. L.L.S. R.A.H.W.

2. Consider at this stage, those readily liberated areas of primary importance.

3. Ital. Govt. have nominated a suitable for Zanfranco in Liqueur Lubout; who Lt. Col. Wicks thinks is physically incapable of filling that - Italian do not agree, but feel he is not fit enough for a forward post.

I recommend that Ital. Govt's nomination should be pressed. *[Signature]*

TRANSLATION No. 238

MINISTRY OF THE INTERIOR

ROME, 4 September 1944

File No. 6109

Reply to letter No. 4/1/50 of # July.

SUBJECT: Vice-prefects for the province of Salerno, Avellino and Benevento.TO: A. C.C.
Interior Sub-Commission
ROME

In reference to the situation pointed out in the letter indicated above, we wish to inform you that the vicarious functions on the Prefecture of Benevento and those of inspector in the prefecture of Avellino, are carried out respectively by Vice-Prefect Inspector Dr. Eduardo PAPPACENA, acting ad vice-prefect vicar and by Vice-prefect Inspector Domenico MARINO,

In the pre-fecture of Salerno the vicarious duties are carried out by vice-prefect inspector Dr. MANCINI and those of inspector by the Councillor of 1st class Dr. SANTORO.

At present this Ministry is not able to assign a Vice-Prefect Vicario to the offices of Benevento and Salerno.

However it is not unusual for the higher grade functions to be carried out by officials who belongs to the grade immediately inferior.

Moreover, considering that the official holding the office of Inspector in the Prefecture of Avellino is in very poor conditions of health and for this reason on regular leave of absence, this Ministry will not fail to revise at the earliest possible moment, the situation of this office, in order to have the duties of inspection thoroughly fulfilled.

TO : His Excellency Dr. I. Bonomi, Minister of Interior

Your Excellency:

1. It has been brought to my attention as a result of a recent inspection, that the office of Vice Prefetto Ispettore is vacant in Avellino and Salerno, and the Office of Vice Prefetto Vicario is unfilled in Benevento.
2. I have been informed that in Salerno Province, a First Consigliere, Dott. SANTORO, Gabriele (Grade VII) is acting as Vice-Prefetto Ispettore, and that Dott. MANCINI (Grade VI), who had formally been appointed Vice Prefetto Ispettore is, by arrangement with the Prefect, carrying out the duties of Vice-Prefetto Vicario.
3. The Provincial Commissioner in the three provisions have expressed their opinion that formal appointments to the Offices vacant would be of great value.
4. I would ask you to do your best, to let us know if it is possible to fill these vacancies and if so, to let me have the name and records of the nominees.

TO : His Excellency the Minister of Interior (Rome)

Your Excellency:

1. Attached is copy of a letter from the Acting Regional Commissioner of Region III (Ref: R/4249) dated 4 July 1944.
2. I shall be pleased if Your Excellency will give this matter your attention in due course.
3. Further I would report that one of my responsible officers who recently surveyed Avellino Province reports that he got the definite impression that Comm. INTOSPI was grieved over the fact that he would be styled a Prefetto Reggente. However, it is, of course, a matter for you to decide whether you choose to promote him to Administrative Grade IV in the service of the Minister of Interior and thus make him eligible for the title Prefetto. Otherwise, in my opinion, he should be instructed, in my judgment, with effect from 15th July that his appointment and title is that of Prefetto Reggente, since any other title or appointment would be contrary to the expressed wishes of your Government and against the spirit of our agreement.

1. On the transfer of Commendatore Giovanni Battista Zanframundo, Prefect of the Province of Avellino, to Prasinone, it was decided to ask Commendatore Raffaele Intonti to act as Prefect until other arrangements could be made.

2. Commendatore Intonti, who was at the time President of the Provincial Council, agreed, under pressure, to act as Prefect; indicating at the same time that he had only just retired after 30 years of Magisterial work, and that he wished as soon as possible to be released in order to enjoy the leisure to which he felt himself entitled.

3. The matter is not considered one of urgency, but it is requested that the Italian Government may be approached in order to find a suitable official to fill the post of Prefect of Avellino in due course.
