3. S. is not an Interim official: + he is 3 grades too low
for Prefect. I do not think he is a "big enough" man or
sufficiently experienced for a Prefecture like ANCONA
4. Points for your consideration:—
 - (a) S. would of course be appointed Prefetto Reggente
 - (b) Ital. Govt. must be consulted especially as S. is one
of their own officials.
 - (c) Cable is addressed Reg. V for action — to you only for
information.
 - (d) It will take over a week to get S. from Potenza to Rome
 - (e) PC only: writes S. out of his ~~personal~~ personal knowledge
as former PC Potenza. We probably have better men in
the Post.
5. Submitted that (a) action by Reg. V in cable be awaited: ^{EO 2}
(b) meanwhile, consult Ital. Govt. to-day;
(c) review position further when news of RC + Govt. comes.

Feb. 9 Director:

1. The position about VP's for Arizona has become a little confused.
2. When I surveyed the province on 7, 8 and 9 October (see report at fo. 50B) I found:--

	(a) a VPV--TASINI--a non-career man whom they proposed to retain: (b) No VPI, but Cons. NICCOLINI acting. The Prefect asked for a VPI and I agreed he needed one. It is to be remembered that Gen. FIECHE had at that time only been in office about ten days. 3. We pressed the Ministry for a VPI and on 25 November they proposed Cons. SANTORO--see fo. 54. Satisfactory screening report received 25 December--see fo. 69--and the Ministry requested to bring him up from Salerno--fo. 70. 4. He reported to us on 1 February, but I had to send him back to Salerno to get his luggage, as noted at fo. 88. He is to report here again on 12 or 13 February and then be sent down. 5. In the meantime, Gen. FIECHE's secretary saw Major Temple on 23 December and suggested that VPV TASINI ought to be removed as he belonged to the Action Party which was not now in the Government--see fo. 66--and we sent a copy of the note of interview to RC as at fo. 67. 6. Then, suddenly, on 28 January, RC says they have urgent need in Ancona of a VPV--fo. 86--to which we replied asking what about TASINI--fo. 87. 7. See now telephone conversation recorded at fo. 95, para 1. They have shifted TASINI over to VPI, and therefore want a VPV instead of a VPI. 8. I don't think myself that there is any connection between the point raised by Gen. FIECHE's secretary about TASINI's position and his transfer to VPI: but there may be. In any case, I should say a non-career politician is better as VPI than VPV. 9. I see nothing for it but to see the Minister at once, cancel SANTORO's nomination and ask them to lay on a VPV.	54 69 70 88 66 67 86 87 95 892

1. I do not like the proposed action in sending Cons. SANTORO back. I think we shall have the Italian Government firing the same arrows at us as we have been firing at them if we do this, and, therefore, I propose that SANTORO when he reports should go forward to Ancona as a Vice Prefect.

2. Draft letter to the RC, copy to RC, in which you set out the

	confusion that has arisen as explained in your very clear minute 40, and state that the alteration of the appointment of TASINI from VFV to VFI, of which we have only been informed by a telephone conversation, has caused us a considerable amount of confusion. The confusion that is arising in Italian Government nominated postings is made considerably more difficult by shifts of this nature. 3. Having accepted the nomination of Cons. SANTORO, I propose, therefore, that the Regional Commission should see his way to appoint Cons. SANTORO as a VFV rather than as VFI, for which post he was originally intended, and he is sent forward on that understanding. Gen. PICCHI's secretary, when in Rome, raised a point in connection with TASINI's politics in that he was a member of the Action Party and, therefore, would "work against the Government". I sent you a copy of this interview by my letter "AC/4/1/57/LG" of 23 December 1944. I should be very grateful for your comments in this connection. I agree with the viewpoint that a career official should be in the VFV post and that a non-career official is most unsuitable in that particular post. We know from previous correspondence with RS Sicilia in other cases that he has no officers in Caltanissetta province and is unable to screen in these cases. Moreover, even if it were possible by special measures (which do not seem worthwhile) to screen LIZZI locally at present, any such action will be impossible if and when AC officers are withdrawn from Sicily. 1. Please see fo. 104 nominating Rag. Cape LIZZI, now at Caltanissetta, for the same appointment at Ancona.

2. A difficulty arises about screening this official. We know from previous correspondence with RC Sicily in other cases that he has no officers in Caltanissetta province and is unable to screen in these cases. Moreover, even if it were possible by special measures (which do not seem worthwhile) to screen LIZZI locally at present, any such action will be impossible if and when AG officers are withdrawn from Sicily. The following seem to be the alternatives:

(a) To bring LIZZI up to Rome and have him screened here by Security Branch. I doubt if screening in this way will be as effective as screening in the locality where the man works and is known. Furthermore, if this procedure is adopted in future cases, it will place a very heavy burden on Security Branch. Moreover, if he proves unsatisfactory, we should have wasted considerable time and transport.

(b) To send LIZZI forward to Ancona and have him screened on arrival. Such screening is likely to be even less effective and to be even greater waste of time and transport should the man be unsatisfactory.

(c) To insist that the Ministry of the Interior certify LIZZI to have passed operation. They should state either that:

MINUTE SHEET NO. 13

(Minute No. 43 - continued)

(i) his case has been considered by the Epuration Commission and that the judgment is "no case for sanctions"; *and time to appeal by the HC has expired, or*

(ii) that the judgment of the Commission is "censure" only; or

(iii) that the official has been considered by the High Commissioner who considers there is no case to submit to the Epuration Commission.

3. I recommend alternative (c). It fits in with the policy of making the Italian Govt. responsible for defascism. The only objection to it that I can see is that it will add further to the delays we are already experiencing in getting these officials forward. On the other hand, by insisting on this "epuration certificate", we have an added reason for putting pressure on the Italian Govt. to get on with epuration quickly.

4. May we have your instructions, please.

Where officials have held positions in Southern Italy since the Allied Occupation, a certificate as in 2(c) of Minute 43 would be the best practicable way of screening them. 2. Lt. Col. Elmes had spoken to the V.P. about Picche's replacement. The V.P. was interested since Ancona Commune is AMG altho the Province is not. The V.P. indicated a desire to approach the govt. and suggest a strong man to succeed Picche. 886
3. Obviously employment of Picche in the north is out of the question. Does the V.P. want us to take up his replacement at Ancona or shall we let the matter ride?

1. Thank you for your letter AO/L/53 dated 15 June 1945 and enclosure.
2. The Ministry's letter of 29 August 1944 is, of course, very far from being a direct order to MOLLO to go to UDINE as he was stated to have alleged.
3. However, the proposal to transfer MOLLO to BOLOGNA has been dropped in view of the obvious impossibility of getting him back from UDINE within a reasonable time and we do not propose to pursue the matter further in this Headquarters.

SUBJECT: Monthly local government return for April.

TO : FC Ancona.

1. Reference your AMC/A/53 of 4 May, and enclosed return for April, the comment as to Prefetto Reggente Gen. PICHES has been noted with interest. Lt. Col. Elwes, when he was in Rome about the middle of May, mentioned to the Deputy Director of this Sub Commission the possibility of Gen. PICHES desiring either to serve in a northern province or to retire. The matter was left that Lt. Col. Elwes would ascertain whether this was in fact the General's desire. If so, he would write this HQ accordingly, whereupon the question of replacing him would be taken up with the Italian Government with a view to a strong and capable successor being appointed. Would you please let this HQ know what is the present position.
2. The absence of any Vice-Prefect Inspector has been noted. The filling of this post was under discussion with the Italian Government during April, the position being that the candidate they had nominated was not satisfactory to this HQ and they had been asked to nominate another one. At the time when the province ceased to be under AMG, this second nomination had not been received.
3. The Italian Government have been asked whether they intend to proceed with the filling of this appointment and they have replied that they consider the staff at the Prefecture adequate and that they do not intend to send a Vice-Prefect Inspector. They are, of course, very short of qualified personnel; and now that the province is under Italian control, the filling of this appointment is a matter which must be left to them.
4. These inquiries as to the post of Vice-Prefect Inspector have delayed the acknowledgment of your report.

Major Ralph R. Temple

1. The Secretary of Gen. PISCHE, Prefect of Anzosa, visited this office, bearing a note containing Easter greetings from the General to Col. Spicer. I informed him that the Colonel was in the hospital.
2. He then asked me what the position was regarding a substitution of PISCHE by some other person. I said I knew nothing about it, whereupon he told me that there were rumors among the people that a substitution was in the offing. I informed him that this was the first I had heard about it either officially or unofficially; that we knew nothing more.
3. The Secretary then told me that PISCHE had heard unofficially that his epuration case had been disposed of favourably. He stated, however, that the General had been put on the retirement list as a General in the Carabinieri, but that this had nothing to do with epuration. It was solely the result of the cutting down in the strength of the CC.RR.

DATE : 21 March 1945

1. Reference your AC/4/1/57/LG dated 7 March 1945.
2. The Prefect of Ancona states that he is perfectly ready to have NIOCCOLINI reverted to his former position of Consigliere but has asked for another V.P.I.
3. It is pointed out that as NIOCCOLINI has not been officially appointed V.P.I., the arrival of a new V.P.I. would merely straighten this matter out, and no official action would be necessary to revert NIOCCOLINI.
4. It is the Prefect's request that NIOCCOLINI should not retire at the moment.

SUBJECT :- Vice Prefect for Ancona.

REF :- HW/11/2/8.

DATE :- 2 March 1945.

1. Reference your AC/4/1/57/16, dated 19 February 1945.
2. It is understood from the P.C. Ancona that while the Prefect was in Rome, Vice Prefect TASTI resigned, and his resignation has been accepted.
3. The present position is that SARTORI is the V.P. Vicario, and RICCIONI is the V.P. Ispettore.
4. It is desired that RICCIONI be replaced as soon as possible. He is in bad health, and his age (in the region of 65) is such that an improvement is very unlikely. Apart from this, there is nothing against him.
5. The P.C. Ancona expresses his appreciation for the services of SARTORI.
6. The arrival of a new Capo Regioniere in Ancona would be greatly welcomed by the P.C.

Ragioniere Capo MINUTOLI Gennaro

1. An officer of the Local Government Sub Commission visited the Prefectures of Ancona and Pesaro on 7, 8 and 9 October 1944. It was ascertained that there was urgent need for a Rag. Capo to rule the Ragioneria of Ancona. Particular emphasis was placed on this both by the Prefect and by the Provincial Finance Officer of AMG. On the return of the inspecting officer, a copy of his report indicating the need for a Rag. Capo was sent to the Ministry on 25 October, and the Ministry were asked to advise the best way of meeting the situation.
2. On 17 November, the Ministry proposed the transfer of Rag. Capo MINUTOLI from Cosenza to Ancona. The Sub Commission replied on 30 November agreeing to the proposal. The Ministry were requested to direct MINUTOLI to come to Rome and report to this office.
3. The Ministry telegraphed to the Prefect of Cosenza accordingly on 16 December and sent a copy to the Local Government Sub Commission. Nothing more was heard about him, so the Direction General of Personnel was telephoned on 24 December and asked why MINUTOLI had not arrived. The reply was that a second telegram ordering him to report immediately to the Ministry had been sent 5 or 6 days after. In fact, the Sub Commission subsequently received from the Ministry a copy of a telegram dated 11 January 1945, addressed to the Prefect of Cosenza, ordering MINUTOLI to Rome immediately and threatening sanctions. The Ministry telegraphed the Prefect again on (it is believed) 24 January, stating that as the Medico Provinciale had declared MINUTOLI satisfactory for service, he was to be given 5 days to come to Rome under penalty of sanctions.
4. Nothing more was heard on the matter, so the Ministry were again telephoned on 3 February. The Director General of Personnel then explained that MINUTOLI had pleaded sickness--that he had been examined by the Medico Provinciale who did not consider him too ill to go--and that MINUTOLI had appealed against the report of the Medico Provinciale and asked for a second examination. On that, a letter (AC/4/1/57/1G) was written to the Ministry pointing out the seriousness of these delays. On the same day, the Under Secretary of State telegraphed the Prefect of Cosenza to subject MINUTOLI urgently to an examination by Army doctors of the local Military hospital. 832
5. We are now awaiting the results of this examination.
6. It is understood that before MINUTOLI ever pleaded sickness, he first pleaded that he had no money to pay the expenses of coming to Rome. It is also understood that it was only after the Ministry had made provision for the payment of these expenses that he alleged sickness.
7. In the meantime, Ancona is still in urgent need of a Rag. Capo. It is over three months since this fact was reported to the Ministry, and over two months since the Ministry were requested to bring MINUTOLI up from Cosenza for the purpose.

1. Thank you for your ES/TM/2/3 of 9 February 1945.
2. When Ancona province was surveyed by Major Williams of this Sub Commission at the beginning of October last, TASINI was the Vice Prefect Vicario. The functions of Vice Prefect Inspector were being discharged by the Cons. NICCOLINI. The Prefect stated that he was too old for the job and that he would like a Vice Prefect Inspector sent down. Copy of Major Williams' report to this effect was sent on 25 October to SCAG 8 (who controlled the province at the time) with copy for the PO.
3. Since the survey of October last, I have been acting on the assumption that it is a Vice Prefect Inspector that is needed. After much trouble with the Italian Government, I have secured a satisfactory nomination—Dr. SANTORO—who has been cleared by Security and has reported here today in order to be sent down to your HQ. He will leave by courier on 14 or 15 February.
4. The Prefect called on me yesterday afternoon. He stated categorically that TASINI was and still is Vice Prefect Vicario. He showed signs of a desire to get rid of TASINI altogether without, however, making his reasons clear. And I am not satisfied that TASINI's political affiliations are unconnected with General FISCONE's attitude. As to this, please see para 3 of the note of interview enclosed with my letter of 23 December. The Prefect did let drop the phrase that TASINI acted as the "informant" between the Prefettura and the CLN.
5. If this means that TASINI is disclosing confidential matters to the CLN, it is, of course, serious. But the Prefect must not be allowed to get TASINI out merely because he belongs to a particular party, provided Vice Prefect's actual behaviour is correct. 828
6. The PO and the Prefect may, as they wish, either (a) retain TASINI as Vice Prefect Vicario and give SANTORO the inspective functions; or (b) give SANTORO the vicarious functions and the inspective ones to TASINI. The latter course has something to commend it, as a non-career official is usually of more use as Inspector. However, the matter is entirely one for local decision. Please let me know what is settled.
7. Copy in duplicate of my record card as to SANTORO herewith. ✓

8. As regards para 2 of your letter of above reference, I have just heard from the Ministry that Mag. Cape MINUTOLI has been medically examined by Italian Army doctors, upon whose report it is considered that MINUTOLI's illness is a fact. The Ministry are going to make another nomination.

SUBJECT: Rag. Cape for Ancona.

5 February 1945

TO : His Excellency the Minister of the Interior.

Your Excellency:

1. I wrote to the Ministry on 25 October 1944, drawing attention to certain vacancies in the staff of the Prefecture at Ancona, one of the most important of which was a Rag. Cape. For this appointment, the Ministry on 17 November nominated MINUTOLI, Cesareo, Rag. Cape 1^o classe, now serving in the Prefecture of Cosenza. This proposal was accepted by me on 30 November and the Ministry was asked to arrange for MINUTOLI to come to Rome and report to this Sub Commission. He has not yet done so.
2. I wrote to the Ministry again on 23 December to point out that MINUTOLI had not yet reported; and further inquiry was made by telephone on 2 January 1945, to which the reply made was that a telegram had been sent ordering him to report.
3. The Ministry were good enough to send a copy of what appears to be a second telegram to the Prefect of Cosenza about MINUTOLI dated 11 January 1945, from which it appears that MINUTOLI pleaded illness and that the Ministry had ordered an examination by the Medico Provinciale. My officer made a further inquiry by telephone on 3 February and was told that MINUTOLI did not accept the opinion of the Medico Provinciale and had applied for another examination.
4. Your Excellency will observe that it is now over two months since I requested MINUTOLI to report to Rome, and that it is over four months since the urgent need of a Rag. Cape was brought to the Ministry's notice. I spoke to H. E. MOLE, the Under Secretary of State, on the afternoon of Saturday, 3 February, pointing out how seriously these delays and excuses are interfering with our joint task of reorganizing efficient administration in recently liberated provinces. I must ask the Ministry to deal with this case with the utmost possible expedition.

SUBJECT: Note of Interview - VPI for Ancona.

DATE : 1 February 1945. *L.*

PRESENT: Dott. Gabriele SANTORO, VPI
Major C. G. R. Williams
T. CAETANI, interpreting.

1. On 29 December 1944, we approved the nomination of Dott. SANTORO (Consigliere acting as VPI, Salerno) for transfer to Ancona as VPI--see No. 70 on file.
2. On 10 January 1945, the Ministry telegraphed the Prefect of Salerno for SANTORO to come to Rome to report to us.
3. On 26 January, I rang up CAMERA and asked that a stern telegram be sent to SANTORO ordering him up here at once--see minute No. 30.
4. Dott. SANTORO called at the office this morning.
5. He explained that when the Ministry's telegram of 10 January arrived, he was acting as Commissario Prefettizio of Sarno, working on Mondays to Fridays, and coming back to Salerno week-ends. The Prefect did not inform him of the telegram, but instead wrote to the Ministry protesting against losing his VPI, and the Ministry replied insisting. When the Ministry sent their second telegram at my request, threatening penalties, the Prefect sent this on to SANTORO at Sarno by post: there appears to be no telegraphic communication with Sarno.
6. As soon as SANTORO got the telegram, he came up at once to Naples direct from Sarno, without stopping at Salerno, and from Naples up to Rome.
7. Thus he only has with him a small suitcase, and we shall have to let him go back to Salerno to get ready for a permanent change of station.
8. He mentioned that he had a wife and five children in Salerno, which he would not be able to take to Ancona, but would leave where they are now. He added that this was one of the reasons why the Prefect did not want him to go.
9. Dott. SANTORO at no time expressed any unwillingness to go to Ancona; neither did he himself advance as a reason for not going the fact that he has a family.
10. He thinks he can be back here by Monday or Tuesday week, the 12th or 13th of February. I instructed him to go back to Salerno and get back and report here on the 13th at the latest. In the meantime, I would have preliminary arrangements made for his transfer.

I have visited Dott. Bello Domenico on Nov. 1943 and found him sick of typhlites and chronic colytes; these infections were afterwards ascertained with X-Ray examinations by Dr. Italo Marzi.

On April 1944 the u/m was affected by a stroke of angina pectoris.

For these reasons I think necessary for Dott. Bello a manner of life absolutely healthy as well as a continuous and particular assistance, which may be obtained only among his relatives.

TO : RC Abruzzi-Marche Region (with copy for PC Ancona).

1. I refer to your RC/514/17 of 29 December 1944.
2. The memorandum by the Prefect referred to in your letter was not in fact enclosed with it.
3. However, it is the policy here (to which the Italian Government have agreed) that transfers of Italian officials in Military Government Territory will not normally be approved except on grounds of administrative necessity. We have been compelled to make this rule owing to the rapid increase in recent months of applications from or in respect of officials of all grades for transfers, for such reasons as attending to their private affairs, or rejoining their families. If applications such as these were entertained, it would be almost impossible to deal with them, in view of the limited personnel of the Commission--both in the provinces as well as this Hq--and, above all, in view of our very limited transport.
4. I observe however that Dr. MOLLO bases his request on health reasons. While we do have to discourage even applications on these grounds, if the case is really genuine and serious I should not feel disposed to refuse it.
5. When forwarding the memorandum by the Prefect referred to in para. 2 above, I shall be glad of any further observations you may care to make in the light of the above.

SUBJECT: Note of Interview - Secretary of Gen. PISONE, Prefetto Regione of Ancona.

DATE : 25 December 1944.

1. The Secretary of Gen. PISONE came in to see Col. Spicer, bearing a letter of Christmas Greetings. Since the Colonel was engaged at the moment, I spoke to the Secretary and after having read the letter of salutations, the Secretary said that Gen. PISONE desired to bring to our notice certain matters dealing with the administration of the Province.
2. He pointed out that they still were without a Capo Regioniere and that one was needed very badly because the Accountant in charge was confusing matters very much. I informed him that a Capo Regioniere had already been nominated by the Government and accepted by the Allied Commission. His name was MINUTOLI, presently at Cosenza. Directions already have been sent to the Ministry asking that MINUTOLI present himself at our office immediately so that travel arrangements could be made to send him to Ancona. The Government will again be reminded to expedite this arrangement.
3. The Secretary of Gen. PISONE then referred to the fact that the present Vice Prefetto Vicario TASINI, a non-career official nominated by the GIN of which he was a member, and who had been agreed upon by the Prefect and the Provincial Commissioner should be changed. The basis for this request was that TASINI was a member of the Action Party which was not represented in the present National Government, and that consequently he would work against the Government. I informed the Secretary that any request of that sort would first have to come from the Regional Commissioner, who of course would be consulted by the Provincial Commissioner. I further told the Secretary that our records indicated that PISONE was content with TASINI and had told Capt. Williams that when the latter surveyed the province in October. Furthermore, I indicated that his membership in a party which was not represented in the Government did not seem to me sufficiently important to warrant removal if the man were otherwise competent, cooperative and loyal to the Prefect and did not interfere with the good administration of the province. I instructed the Secretary to have the Prefect discuss the matter with the present Provincial Commissioner and if the latter so saw fit, he would correspond with us through the Regional Commission on the matter.
4. I further informed the Secretary that we were negotiating with the Italian Government on the problem of sending additional Segretari and Regionieri to the province; particularly, we had asked the Ministry whether such officials could be spared for the province.
5. I concluded the interview by returning the salutations of Col. Spicer and assuring the Secretary that we were doing and would continue to do all we could to see to it that there was an adequate administrative set-up for the province of Ancona.

PROMEMORIA PER IL SIG MAGG. BAXTER

Il MAGG ROESTI, provincial finance officer di Ancona, prega il
Sig MAGG Baxter di volersi interessare presso il Ministero
dell'Interno, per ottenere il pronto invio ad Ancona di un ot-
timo marchigiano Capo per la Prefettura di quella città, in
rapposizione dell'attuale Agente Rag Crescenzi che non
sarebbe adatto per il posto conferitogli.
Il MAGG Roesti ha già scritto in proposito nel mese di
Agosto u.s. e il Prefetto di Ancona avrebbe sollecitato il
provvedimento nel mese di settembre u.s.
Si ritiene ora necessaria la sostituzione nell'interesse
dei servizi e per avere sul posto un elemento giovane e
fattivo.

MEMORANDUM

MAJOR ROESTI Provincial Finance Officer of Ancona begs Major Baxter to solicit the Ministry of Interior to send at once to Ancona a very good Ragioniere Capo Prefettura, in substitution of the present acting Ragioniere Crescenzi, who is not fit for that post.

Major Roesti has already written in the month of August and Prefect of Ancona has solicited the order of substitution in the month of September.

It is necessary in the interest of the service to have a young and active Official on the spot.

from Finance S/C

By hand.

A/Di.

I told Finance that their approach was unusual but that as the matter was already in hand we would consider this memorandum an extra reason for hurrying the appointment of a Rag. Capo Prefettura. I have met Major Roesti who speaks Italian fluently and is likely to be entirely correct in any statement about Italian ^{financial} officials that he may make.

Your Excellency,

1. I refer to your letter 5102 dated 17 November and to this office letter AGO/4/1/57/LG of the 25th October and enclosed report.

2. I do not feel that an efficient prefectural staff will be obtained by filling all three positions of accountant and leaving the positions of other classes of official vacant.

3. It is considered that the appointment of a Vice-Prefetto Ispettore and of a Ragioniere capo are of immediate importance and we will reply as soon as possible about the employment of MINUTOLI, Gennaro in the latter capacity.

4. In the meantime, will you please send me a nomination for Vice-Prefetto Ispettore together with your suggestions as to which other posts should and can be filled.

SUBJECT : Survey of ANCONA and PESARO provinces

TO : Col. R. G. S. BRIDGES

FROM : Capt. C. G. F. WILLIAMS

1. I visited ANCONA and Urbino (the temporary provincial capital of Pesaro province) on October 7, 8 and 9, 1944. I interviewed:

Lt. Col. H. H. Nichols, PO Ancona and Pesaro
 Gen. di Div. Giuseppe Piacchi Prefect Regent of Ancona
 Gen. di Div. Emilio Janni, Acting PO of Ancona
 Capt. Bolteri, PO Pesaro province
 R. di Mario De Goyazeta, Prefect of Pesaro

2. In both provinces, the GIK has established the elements of local government before the arrival of AMG; Giunta Comunale had been established in all communes. These are being revived, the names of the Assessori obtained, the Sindaci interviewed and the appointments confirmed or otherwise. In ANCONA, about one-half of 42 communes have been legally established in this way; in Pesaro, 20-21 out of 53.

3. The Deputazione Provinciale has been appointed in both provinces. In ANCONA, it met on 6 October and appointed the civilian members of the GFA; in Pesaro it had not yet met.

4. The great obstacles in the way of organizing local government are the lack of communications and accommodation.

5. German demolitions and mining have been more thorough and widespread than ever before in Italy. Particularly is this true in the west of Pesaro province which is practically cut off. With the onset of winter this problem is likely to increase.

6. As to accommodation, both provincial capitals are heavily damaged and crowded with troops. ANCONA has to house HQ 61 I. of C Area and Naval personnel. The PO tried establishing the provincial administration in Osimo and Jesi, but found it essential to be in Ancona. The Prefecture and AMG are now crowded into the Provincia Building, both the Palazzo del Governo and the Palazzo del Comune being in ruins. In Pesaro, several thousand inhabitants are about to be evacuated to make more room for troops. There is a PO in the town, but the Prefecture and the AMG offices are established in the Collegio a Sanvito Raffaele at Urbino, which is not a good communications centre for the province even in normal times.

747

- 2 -

7. Considering these difficulties and the short time in which AMG has been established in these two provinces, very good progress has been made with the reorganization of local government.

8. A firm line has been taken with the CLN from the start. That of ANCONA calls itself the "OGL of the Marche" and signaled the arrival of the PG by presenting him with a somewhat detailed and definite programme of what he ought to do. That for Senaro has its headquarters in that town which makes it more difficult to control from Urbino. In both cases, however, it has been made clear from the start that the Government is AMG and that the organs of administration are the Prefettura and local bodies recognized by law, and that the CLN is a purely political body which may submit its views if it likes, but which has no authority.

9. The Patriots are causing some trouble. They have not surrendered all their arms and there have been one or two shooting cases. The problem still is to find them occupation.

10. Both Prefects are short of staff; the position is set out in full in Appendices A and B.

11. I took the opportunity to discuss with the Prefect the question of a new Commissario for the Opera Laica Lauretana - see our file AGC/1/5/3/LG; a note on this is set forth in appendix C.

APPENDIX "A"

OFFICIALS AT ANCONA PRISON

1. VET--CASINI, AVV. Cesare.

Not a career official but a lawyer in private practice in Ancona. He was appointed by the GIL along with their Prefect MONTI. The PC confirmed CASINI in office but not MONTI.

CASINI is a pleasant, intelligent man of about 40; he got his diploma as advocate in 1924. He appears to be very useful on the political side and his legal training is, of course, of some help in the administrative technicalities. The Prefect, Gen. FICCHI, is quite content with him.

2. VET--MONTI, Mario - Consigliere I- classe (F. VPI

I did not see MONTI but the Prefect says he is really too old for the job. He would like another VPI sent down, with both the Prefect and the VPI non-career men, a good VPI is certainly needed, I think.

3. Consiglieri:--

- | | | |
|---------------------|------------------------|---|
| (a) GIARDINA, Gino | 1 ^a classe. | A good and loyal man but impeded by very bad sight. |
| (b) MOLLO, Domenico | 1 ^a classe. | The Capo Gabinetto. The Prefect thinks very highly of him. MOLLO is not in very good health however, and has put in a request to be transferred to a more southerly province. |
| (c) MONTI, Mario | 2 ^a classe. | Is politically compromised and should be sent to another province. |
| (d) RICOTELLI, Tito | 2 ^a classe. | Well thought of by the Prefect. |
| (e) SCIACCA | 2 ^a classe. | Politically compromised and already suspended by AN. |

Having lost SCIACCA and on the assumption that MOLLO and MONTI will be transferred, the Prefect asks for 3 new Consiglieri to replace them. He particularly asked for GIL, Dr. Mario (believed to be at present a Consigliere in the Dir. Gen. Pubblica Sanita at the Ministry) to act either as his VPI or his Capo Gabinetto.

4. Secretari:--

- | | | |
|--------------------|---------------------------|--------------------------|
| (a) CONSILI, Guido | 1 ^o Segretario | Committed by the Prefect |
|--------------------|---------------------------|--------------------------|

5. Consiglieri:--

- (a) GIARDINA, Gino 1st classe. A good and loyal man but impeded by very bad sight.
- (b) MULLO, Domenico 1^a classe. The Capo Cabinetto. The Prefect thinks very highly of him. MULLO is not in very good health however, and has put in a request to be transferred to a more southerly province.
- (c) MONTANILI, Amario 2^a classe. Is politically compromised and should be sent to another province. Well thought of by the Prefect.
- (d) RUOTIVILLI, Tito 2^a classe. Politically compromised and already suspended by AG.
- (e) SCIACCA 2^a classe.

Having lost SCIACCA and on the assumption that MULLO and MONTANILI will be transferred, the Prefect asks for 3 new Consiglieri to replace them. He particularly asked for GALA, Mr. Mario (believed to be at present a Consigliere in the Dir. Gen. Pubblica Sanita at the Ministry) to act either as his 1st or 2nd or 3rd his Capo Cabinetto.

4. Segretari:--

- (a) CORRELLI, Guido 1^o Segretario Committed by the Prefect
- (b) FRAGALA, Adonardo Segretario Avventizio Both these are private residents of Ancona. They have law degrees but are not career officials. They are very useful men but only to a limited extent.
- (c) MONTESANTI, Giovanni "

The Prefect asks for 3 Segretari to replace these and bring his establishment up to his needs.

5. Regionieria:--

- (a) CHESUMELI, Eduardo--1^o Rag. Acting as Head of the Regionieria, but not, in the Prefect's opinion, up to the work and the responsibility. The former Capo Regioniere has been suspended and charges of financial irregularity are pending.

- (b) PICOI --1^o Rag. Politically compromised and should be transferred.

The Prefect asks for a Capo Regioniere and 2 new 1st Regionieri. The Capo Regioniere is urgently needed: the Provincial Finance Officer emphasized this strongly to me.

- 2 -

6. Summary of the Prefect's demands is as follows:

1 VPI
3 Consiglieri
3 Segretari
1 Ragionieri

10

The VPI and the Capo Ragioniere seem clearly to be required but the advice of the Ministry should be sought on the whole situation.

2. Considering the comparatively short time in which these provinces have been in our hands, and the very special difficulties in the way of communications, etc. that have been encountered, good ~~progress~~ progress has been made with the reorganization of local government.

3. The questions as to Italian Officials outlined in Appendices A and B of the report have been taken up with the Ministry. Otherwise, there are no special points arising out of the survey, to which I need call attention.

The Prefect of Ancona, General Giuseppe Picche, with a letter forwarded together with the above-mentioned note, has requested that the special assignment treatment with a continuous daily allowance of the 3rd grade should be granted to him.

As you already know, as a result of the agreement with this Sub Commission, all Prefects and Prefects Reggenti of the Provinces administrated by the A.M.G. and coming from different residences than the one appointed, have a right to the special assignment treatment with a continuous daily allowance till a whole month after the restitution of the Province to the Italian Administration.

We therefore have nothing in contrary that the request of the General Picche should be granted except on the point of the indemnity that cannot be of grade 3 as Prefects or Prefects Reggenti of new nomination have the assignment of grade 4.

SUBJECT: Prefect ORRU'

TO : Col. R. G. B. SPICER, Director

FROM : Capt. O. G. R. WILLIAMS, Interior S/C

1. In accordance with your instructions I set out below the action taken in this S/C with regard to the above Prefect.
- 26 August 2. During my tour of Chieti Province, 21 - 24 August, the PC Chieti Lt Col. J. W. Holmes, mentioned the former Prefect of Pescara, Dr. ORRU' who was now living in Chieti, and had just been sent up to Rome by the PC to report to the Minister of Interior. On my return I found the Ministry had written in with particulars on him. As by this time ORRU' was back in Chieti, I wrote to RC, Region V on 26 August (File: 4/22, no. 52), sending a copy of the particulars and asking for ORRU' to be screened so that we could know if he could be safely used for a forward province.
- 28 August 3. We wrote again to the RC on 28 August (File: 4/1/76, no. 5) stating that the Government had now recommended ORRU' for Pesaro and that he appeared suitable subject to screening; we told the RC we had him screened and let this S/C know that he was accepted for Pesaro.
- 4 Sept. 4. Then the difficulty about Florence arose and it was decided to send PATERNO' across from Ancona. We wrote to RC, Region V on 4 Sept. (File: 4/1/60 no. 165) setting forth the reasons for this move fully. In para 5 of this letter we suggested (with the approval of the Italian Government) ORRU' to take PATERNO's place at Ancona and we referred to our letters 26 and 28 August.
- 10 Sept. 5. In reply to a signal from 8 Army calling for replacement at Ancona, we cabled (signal 3078, file: 4/1/57, no. 17) stating that the nominee for Ancona was ORRU' - that Region V had full particulars and had been asked to have him screened - that we were awaiting decision by signal from Region V - and that this signal should be repeated to 8 Army for information. A copy of this signal of ours was repeated to Region V.
- 12 Sept. 6. 12 September we cabled again to Region V, copy to 8 Army for info. (signal 3186, file: 4/1/57, no. 18) in the following terms: 733
 " Please dispatch Prefect ORRU' to arrive Ancona Friday 15 Sept. at latest. Most urgent repeat most urgent he arrive that date to replace PATERNO' who leaves same day for Florence. Presume ORRU' satisfactorily screened by now."
- 14 Sept. 7. On this date we cabled again referring to previous signal and asking if ORRU' had left for Ancona (Signal 3256, file: 4/1/57, no. 19).

- 2 -

37A

- 21
Sept. 8. On 21 Sept, Lt Zampaglione while conducting the Prefects for Pesaro Forli', had an interview with the PC Ancona, Lt Col H H Nichols about ORRU'. He reported back on 23 Sept. and his report is on file (4/1/57, no.28).
- 23
Sept. 9. In view of this adverse report on ORRU', we cabled (signal 3757) on 23 Sept. at 1530 hours cancelling ORRU's nomination for Ancona and directing he stay in Chieti for the present.
- 23
Sept. 10. A little later on this day, we received our copy of Region V's letter to 3 Army, reference R5/714/2 dated 19 Sept (File : 4/1/57 no. 27). This letter stated that on 15 september PC Chieti had signalled FSS would complete screening within a few days and if satisfactory, he would be sent to Ancona.
- 26
Sept. 11. On this day at about 1600 hours, PC Region V, Lt Col C.E.A. French, rang up Col Spicer and said that ORRU' had already left for Ancona. So we cabled at 1520 hours to Army and Regional and PC Ancona (signal No. 3918-4/1/57- no.93) that ORRU' was to be sent back to Chieti and that General Pische would be sent down as Prefect.
- 27
Sept. 12. Unfortunately, this last mentioned cable went astray. It was repeated on 27 Sept. at 1300 hours to Army, Region, and PC Ancona with the addition that Gen. Pische would arrive at 1400 hours on 28 Sept.
- 28
Sept. 13. On this day, we receive our copy of signal HN/48 from PC Ancona to 3 Army copy to Int. a/c for info (file: 4/1/57 at no. 36) which stated that ORRU' had arrived that day at Ancona and had been ordered to return forthwith in view of our signal at para 11 above.

SUBJECT : - Prefect of ANCONA

TO : - PC Ancona

1. This is to introduce Generale di Divisione PIECHE, the nominee of the Italian Government and their H/Q for the Prefecture of ANCONA.

2.. General PIECHE is travelling direct to ANCONA in his own car. He brings with two Carabinieri - his driver PRO' Pasquale and his personal servant LATTAUDA Mario. As he is going by himself without the escort of an Allied Officer, it has been thought better to have him go straight to Provincial H/Q rather than have him go looking for Army H/Q first. A copy of this letter and the enclosure is however being sent to 3 Army.

3. Copy of our record of the General is enclosed.

4. Although he has served as Prefect of FOGGIA under the Badoglio Government, it was as Prefetto Reggente only; and the General does not hold the substantive rank of Prefect in the Italian civil service. He should therefore be appointed Prefetto Reggente of ANCONA in accordance with the enclosed Form of order.

2. He understood that the Prefect designated for this province, ^{was} ORRU', formerly Prefect of PESCARA and appointed by the first Badoglio Government.

In fact, a deputation formed by the Questore, the Vice Prefect Reggent, and the Chief of Cabinet MULLO, had gone to him in the morning, and told him that the population of ANCONA had remained very displeased on hearing of this appointment.
4. Col Nichols also asked the Police Officer, a British Major, to report what he knew on ORRU's past. The Police Officer, together with his civilian secretary, told me that it was well-known that Prefect ORRU' had deserted his post on 1 September 1943, following the first bad bombardment of the city of PESCARA. He had never gone back to his city, and had always lived in the country. After the occupation of PESCARA by the Allied troops, he waited for one month to pass before reporting, probably because he was very anxious that every danger should be past.
5. It was generally known that he wanted his post of Prefect of PESCARA back, on the other hand, he was very unpopular in all the province, he was considered weak, inexperienced, and not sufficiently wise. On the other hand, the situation of ANCONA being rather serious, especially because of the Communist trend, a strong Prefect is required immediately.
6. Col Nichols stated he had no candidate of his own, but he understood that the Prefects of CHIETI and FROSINONE were excellent men and thinks they may do for the job.
7. Col Nichols appreciates the personality and the work of the Chief of Cabinet MULLO, member of the deputation which contacted him yesterday.

E' STATO ACCERTATO CHE IL 1 Archivista di questa Prefettura Sig. PETTI Francesco attualmente addetto all'Ufficio per il Controllo degli Autoveicoli (U.C.A.), ha dato luogo a diversi rilievi per scorrettezze varie commesse nell'esercizio delle funzioni d'impiegato.

Il comportamento indelicato di detto dipendente e' stato rimarcato anche fuori dall'ambiente degli Uffici per cui il Petti si e' allineato la stima e la fiducia del pubblico.

Allo scopo, quindi, di tutelare la dignita' degli Uffici di questa Prefettura e di garantire il funzionamento regolare dell'U.C.A., Ufficio particolarmente delicato ed importante nella fase iniziale della propria attivita', propongo alla S.V. It has been discovered that the file chief of this Prefecture, Mr. Francesco Petti, at present attached to the Office for Control of Automobiles (U.C.A.), has given cause for several reports of incorrect behavior in the exercise of his duties.

The improper behavior of this employee has been noticed even outside the office and Petti has lost the respect and faith of the public.

For the purpose, therefore, of maintaining the dignity of the officers of this Prefecture and to assure the proper functioning of the U.C.A., an office particularly delicate and important in the first phase of its activity, I propose to you that Petti be at once removed from the Office of Control of Automobiles of Ancona and be transferred to another Prefecture, possibly in some province on the Tyrrhenian side.

SUBJECT: Prefect for Florence

TO : RC, Region V

1. I refer to my signal 2726 of today's date asking you to send the newly appointed Prefect of Ancona, Dr. Giulio PATERNO' across to Florence urgently for which he has now been designated as the Prefect. A fuller explanation than this is only your due seeing that :

- a. you signalated me to send down Dr. PATERNO' for Ancona on 3 August;
- b. owing to unusual transport and screening delays I could not get him to your Headquarters until 22 August;
- c. a bare fortnight after, he is called away for another province.

2. The appointment of the new Prefect for Florence is probably the most important administrative appointment the Allied Control Commission has had to handle since the fall of Rome. The Acting Chief Commissioner has concerned himself personally with it. A suitable candidate was found and agreed by all parties; but at the last minute, the office of the High Commissioner for Sanctions Against Fascism brought charges against him. The Italian Government soon found that the charges had no substance and they dropped them; the result was they are compelled to withdraw their recommendation for the candidate in question. The Prime Minister himself stated he could no longer be considered a sound appointment from the point of view of good administration.

3. In the circumstances, the whole field of possible candidates has been surveyed and Dr. PATERNO' has been selected. His name has been agreed upon by the Acting Chief Commissioner, the Prime Minister, and Count Sforza.

4. The operational situation in the city of Florence itself presents a grave problem. In the circumstances the best man available must be got - and it has been decided that this is Dr. PATERNO' - and that he must be got to Florence as quickly as possible.

5. I fully appreciate the inconvenience which this movement will cause in the administration of your region but it cannot be avoided.

6. This leaves you without a Prefect at Ancona and for this office

- 2 -

I suggest (with the approval of the Italian Government) Dr. Gaetano ORDU'. I wrote you as to him on 26 August with biographical particulars and again on 28 August recommending him for Pesaro. It is now suggested however, that he be appointed to Ancona in the place of Dr. PATERNO'; and I will find you another candidate for the Province of Pesaro as soon as I can.

1. Reference your signal M.480 of 22nd August and my signal in reply No.2270 of 25th August.
2. On 26th July a copy of cable HQ from PG Ancona dated 23rd July was received in this Sub-Commission as follows:-

"REPLACEMENT URGENTLY REQUIRED PREFECT ANCONA. NO ONE SO SUITABLE AVAILABLE. PLEASE REQUEST ACC SEND CAP. SANTAMIA AT PRESENT SEDANO MUST PROVIDE POTENZA TO FILL APPOINTMENT. NICHOLS Lt. Col. PROVINCIAL COMMISSIONER ANCONA."

This cable is addressed to AMB Region 5 and AMB 2 RACCOMPS for Action and to this Sub-Commission for information.

3. On the same day - 26 July - I cabled to Region 5 in the following terms:-

"SIGNAL HQ PG ANCONA TO YOU FOR ACTION COM. INTERIOR SUB COMMISSION FOR INFO RECEIVED RE: TODAY PG ITALIAN GOVERNMENT ALREADY NOMINATED FOR PREFECT ANCONA PATRINO CMA DOTTOR GIULIO WHO HAS ALREADY THE RANK OF PREFECT AND OTHERWISE FULLY QUALIFIED PG. BEING SCREENED NOW PG SANTAMIA IS NOT AN INTERIOR OFFICIAL AND IS MUCH TOO LOW IN GRADE PG NOT REPEAT NOT POLICY TO DEPRIVE SOUTHERN AREAS OF COMPETENT OFFICIALS PG IF SECURITY REPORT ON PATRINO SATISFACTORY AND ON YOUR REQUEST CMA WILL SEND HIM YOUR HQ AT ONCE."

4. Signal 399 from AMB Region 5 and addressed to HQ ACC for action was received in this Sub-Commission on 4th August which reads as follows :-

"CONFIDENTIAL FOR INTERIOR SUB-COMMISSION REF YOUR SIGNAL 981 OF 26. SEND PATRINO DOTTOR GIULIO PREFECT DESIGNATE ANCONA THIS HQ BY QUICKEST MEANS."

5. I was not able to send Dr. Paterno at once as requested, as there were unexpected and unusual difficulties in getting his screening completed and in arranging for transport. He was however despatched to HQ Region 5 on 21st August and I understand the Regional Commissioner proposed to send him on to Aquila two days later. He should therefore be at Provincial HQ by now.

6. I understood throughout that the question of a Prefect for this Province was being handled by Region 5. Copies of (a) the biographical notes on Dr. Paterno supplied by the Minister of Interior and (b) his screening report from Security Branch are enclosed for your information.

- 2 -

7. I have seen him myself and consider him to be above the average level of Prefects; in fact, he is probably one of the best men I could send. I am certain he would make a better Prefect than would SANTAMERIA.

SUBJECT: Screening of Prefects
Dr. Giulio Paterno

To : Colonel Young.

In accordance with your instructions I have screened Dr. Giulio Paterno and have found the following

Dr. Paterno was born in Catania in 1883. He began his career in 1910, was appointed Prefect in 1939 and held office at Frosinone, Foggia and Alessandria. In October 1943 the Republican Fascist Government dismissed him.

He is known to be an intelligent, cultivated person and very capable in an administrative capacity. He is honest, of good character, very energetic but sometimes a little too impulsive. However he is well liked by his dependents.

He has not carried any Fascist honours and did not take an active part in the Fascist Party. He is therefore acceptable from a security standpoint.

SUBJECT: Prefects for Ancoli and Ancona

TO : ID, Region V

1. I expect to be able to dispatch the Prefects selected for these two provinces to your HQ on Friday 18 August. I will signal the exact date of departure and ETA.
2. The Prefects will be sent under the command of one of my officers, Captain G. G. R. Williams; and I should like to take the opportunity afforded by his presence in your Region of making a survey of local government in the provinces of AQUILA and CHIETI.
3. For this purpose Capt. Williams would, after reporting to you, see the Provincial Commissioner of AQUILA and, with his consent the Prefect and Vice-Prefects; he would then go on to CHIETI and follow the same procedure there. Full reports of the tour will, of course, be sent to you.
4. Would you be good enough to warn your HQs of Capt. Williams' intended visit?
