SUBJECT: Region VII report on Calabria dated 11 July RV11/90/1 to Executive Commissioner.

TO : Vice President, Administrative Section.

1. In accordance with your Memo of 20 July covering the above, I have to report as follows:

(i) Para 10 of Report - Sindaco Russo

This Sub-Commission had no previous knowledge of the occurrence. A letter was addressed yesterday to the Minister of the Interior as ordered. His Excellency Berruti, Chief of Cabinet, was verbally informed of the matter and told that the above letter had been sent. He did not know the facts but undertook to ascertain the position and give an early written reply to the enquiry.

(ii) Prefect of Cosenza

The attention of His Excellency Berruti was drawn to the long delay in the filling of this vacancy. He explained that a large number of appointments, transfers, etc. of Prefects had been under consideration by the Council of Ministers. The Council has now finally decided upon its recommendations and at the interview Berruti handed over a complete list for ACC's approval. (This list gives effect to various arrangements made with and suggestions made by Interior Sub-Commissions.) The list includes the nomination of Dott. MIRAGLIA Costantino for this specific appointment which will be speedily made immediately ACC's approval is given. RC. Region VII has been notified accordingly.

SUBJECT: Sindaco of Laureana di Borrelle - MUNDO, Avv. Francesco
TO : His Excellency the Minister of the Interior.

Your Excellency:

1. It has been reported to this IC that at the end of April last a most serious incident occurred at the above place during a demonstration in honour of the Festa del Lavoro.
2. It appears that in the course thereof a dispute arose between the organizers of the Festa del Lavoro and the Carabinieri and a vice Brigadier of the CC. IL was stabbed and thereupon shot his assailant.
3. The above-named Sindaco interrupted a speech he was making and threw a hand grenade among the people thereby wounding no less than 22 persons.
4. MUNDO was accordingly arrested and remained in jail until the Procuratore del Re of Catanzaro, who is reported to have been acting on instructions from the Minister of Interior, ordered MUNDO's immediate release.
5. No reference had been made to the Public Safety office in connection with such release and they have no official notification thereof. It is understood that MUNDO is at liberty in Reggio.
6. I am directed to ask Your Excellency whether any such orders for MUNDO's release were in fact given by your Ministry.
