1. The enclosed letter, AR/GA/126-2, of 10 April, from the PG Arezzo has been forwarded by the Ministry of the Interior to this Sub Commission. You will notice the indorsement in ink made in your HQ.

2. We think it possible that the writer of this indorsement may have considered that by addressing it to the Minister of the Interior the correspondence would ordinarily pass through this HQ. In fact, however, the letter went direct to the Ministry and they themselves forwarded it to this Sub Commission.

Now that Arezzo has passed to the jurisdiction of the Italian Government, this is entirely a matter for them and they are being so informed.

Div.Gab.N.690/2 7 April 1945
Subject: First counsellor of the
Prefettura Ferro Dr.Salvatore

Provincial Commissioner dell'Ordine

A R E Z Z O

In a letter of 5 Dec 44 N° 1269 my predecessor informed your Ill.ma of the desire expressed by the first Counsellor of the Prefecture, Dr.Ferro Salvatore, to be transferred to Catania, in which province his relations live.

The aforesaid functionary now renews this request, so that his aspirations may be granted, as he is here in distressed circumstances, having lost all his household goods through the war.

Dr. Ferro informs me moreover that after the death of his father, which occurred a short time ago, the necessity for his transfer to Catania is still more urgent, so that he may take possession of his father's house, and thus have the possibility of settling his family in a convenient manner.

Considering the excellent precedent service of Dr.Ferri, which makes worth while every benevolent consideration, I declare my favorable opinion for his transfer to Catania, but ask at the same time that he be substituted here by another functionary of the same grade.

I ask therefore that you be kind enough to request the Ministry of the Interior to take the necessary measures, favoring me with a reply so that I may inform Dr.Ferro.

Ref. RVIII/68A/83 of 20 February 1945.

It appears that the director of Local Sub Commission is not aware that the paper "La falce" is an illegal document. Its publication has not been authorized; our police have been investigating the matter for some time and it is believed to have been published in Florence. It should thus be treated in the same way as an anonymous letter i.e. disregarded, for it is obvious, that should its contents be considered to be anything but ~~scurelous~~ scuttilous, its origin would be published.

However in view of the A.C. inquiry notes on the officials concerned are attached.

Valenti and Stocchi are minor functionaries in the lowest grade. Stocchi, Valenti and Cappelli are at present under examination by the epuration delegates. Cappellis' case was referred to the Ministry on 24 February with a recommendation for his transfer. Reports on Gatteschi and Mussini are being prepared.

It will be seen that much of the newspaper article is incorrect further the fact that the epuration delegates are now in session means that this protracted investigation has been carried out on a matter which is "subjudice".

You will no doubt agree that letters from the Ministry, of this kind, passed thru AMG channels savours of the methods of the past regime whereby official organisation was subject to "back door" rumours. It seems particularly objectionable when dealing with administration under AMG and when an official epuration commission is actually in session.

OGGETTO: Foglio clandestino "La Falce"

It seems that the clandistine paper"La Falce",has been distributed in thisa city by comunists and to people inclined towards comunism.
It is to be excluded that this paper has been printed in a printing house of this city,because they are under control of this office.
In relation to the names included in a copy of the a/m paper,we comunicate the following:

I)- MUSSINI Doctor Claudio,of Cesare,born in Turin on 3/2/I908,councillor of Prefettura.He lives in this city since 5/I/36,coming from Rome.During the time he has been in this city he has always kept a regular conduct and it is notwa ascertained that he was a leader or had any work with the past P.N.F.or the Fascist Republican Party. During the Republican period he was Commissario.Prefettizio of Capolona Commune,but it seems that he has not collaborated with the Nazi Fascists.

2)- GATTESCHI Doctor Silvano,Ist secretary of the Prefettura.He lives in Arezzo from I/I2/43,coming from Bolzano.During the time he has been in this town he has kept a good conduct generally,and it is not ascertained that he had anything to do with the past P.N.F. Regime or in the Fascist Republican Party,neither that he collaborated with the Nazi-Fascists;only the public voice indicates him as a person sympathizing with them. He was called for duty with the Army from I5/I/43 to 27/7/43,and sent as a lieutenant to a Battery of Milizia XXXX Controaerea(Anti-Aircraft Milizia).

He was 'Capo Gabinetto'for the Prefects Bruno Rao Torres and Melchiorri,but it results that he was being used only for normal administration work,while,for political work,there were the private secretariesNicchiarelli and Guerri. After the 8/9/43,CAPPELLI had the office of Commissario Prefettizio of Pratovecchio and Stia Communes and we do not know what activity he did there.

Sul di lui conto in Arezzo,i pareri sono discordi.Alcuni lo definiscono funzionario volenteroso e ossequiente agli ordini e ai desideri dei propri superiori.Altri invece nella sua particolare attività professionale passata,vi scorgono una manifestazione di zelo e attaccamento al regime nazi-fascista.

Qui ha sempre tenuto buona condotta morale,civile e politica,non ha dato luogo a rimarchi sul suo comportamento in genere,all'infuori del fatto che al principio dell'attuale guerra,in qualche discussione avuta soprattutto nell'ambiente della Prefettura,sosteneva la causa dell'asse,senza però compiere opera fattiva da poter essere definito collaboratore nazi-fascista.

Benchè inscritto al p.n.f. non ha mai svolto attività in favore di esso. Varie volte,anzi,ha biasimato la politica del fascismo e l'azione personale dei suoi esponenti.

Non si conosce il motivo del provvedimento,ma si vuole che debba ricer=

Comunque ad Arezzo ha tenuto buona condotta in genere e nulla è emerso
a suo carico.
Era iscritto al p.n.f.,ma verso lo stesso tenne contegno passivo.
Non risulta sia stato ufficiale della m.v.s.n.,nè che dal complesso

LEGIONE TERRITORIALE DEI CC.RR. DI FIRENZE-GRUPPO DI AREZZO
N°11/27 di prot. div. Riservato Arezzo, 5 Febbraio 1945 XXIII
OGGETTO: Maculano ed altre Informazioni

1)- CAPPELLI Amedeo, of Francesco and Bolliti Rosina, born in Castro= villari on 21.4.1912, lives in Arezzo. He is Vice Secretary at the Regia Prefettura since July 1943. He came to Arezzo from Perugia. During the Fascist Republican Period, for a short time he was Com= missario Prefettizio of Stia and Capolona Communes. He was also Regent C.Capo Gabinetto of the Arezzo Prefettura. Opinions about him in Arezzo are discordant, some are that he is a willing and obsequious functionary, others are that in his past professional activity he showed a particular zealous nazi-fascist attachment. He was a member of the P.N.F. (Fascist National Party), It does not result of him being a member of the P.F.R. (Fascist Republican party). There is nothing to say on his moral and civil conduct. He has always conducted a decorous and reserved life.

2)- MUSSINI Doctor Claudio, of Cesare and Bartolini Angiolina, born in Turin on 3.2.1908, secretary of the R.Prefettura of Arezzo. He lives in Arezzo, Via Guglielmo, Marconi n°.33, since the beginning of 1936. He came to Arezzo from Rome. In Arezzo, he has always kept a good moral, civil and political conduct. Sometimes, at the beginning of this war, he had several arguments with other employees of the Pre= fettura, defending the Axis cause, without doing anything else that could class him as a nazi-fascist collaborator. Although a member of the P.N.F., he never did any active work in favor of the Party, on the contrary, he sometimes blamed Fascist politics and the per= sonal actions of its esponents.

3)- GATTESCHI Silvano, of Adolfo and Gatteschi Giuseppina, born in Pisa on 22/2/1910. He lives in Arezzo, Via Ghibellina n°.1. He was transferred as Secretary, to the R.Prefettura of Arezzo during the Republican Period. We do not know the motive of this transfer, but we think the cause of it was that he had contrary sentiments to the Nazi-Fascists. In Arezzo he has always kept good conduct in general, and we can find no fault about him. He was a member of the P.N.F., but towards that Party, he was always passive and re= served. It does not result that he is an Officer of the M.V.S.N. (Voluntary Milizia National Security), and, by his past action, we cannot state of him as a Nazi-Fascist collaborator.

4)- STOCCHI Umberto, of Giovan Battista and Milani Saobata, born in Arezzo on 18/4/1906. He lives in Arezzo, Via Ricasoli n°.2, employed at this R. Prefettura. Although he wa one of the first members iN=

4)- STOCCHI Umberto,of Giovan Battista and Milani Sabbata,born in Arezzo on I8/4/I906.He lives in Arezzo,Via Ricasoli nº.2,employed at this R. Prefettura.Although he was one of the first members in= scribed inthe P.N.F.,and "Marcia su Roma"(March on Rome),it re= sults that he demonstrated always small interest in the institu= tions of the suppressed Regime,never participating to the various manifestations of the Fascist Party.During the Nazi-Fascist domi= nation,he completely withdrew from every activity,and it does not result that he had anything to do with the Fascist Republican Par= ty,of which he was not a member.

5)-VALENTI Angelo of Angelo and Bruschi Emma,born in Arezzo on 3/IO/I9I2.He lives in Arezzo,~~Via~~ Corso Vittorio Emanuele,4I,em= ployed at the Prefettura.Since a young man he revealed his great enthusiasm for the Fascist Party.He is a member of the Fascist Republican Party,and maintained his enthusiasm for the new situa= tion created by the ~~fas~~ Nazi-Fascist domination. Valenti is not charged of specific actions of sedition or actions of sectary.

6)- MACULANI Doctor Mariano of Venanzio and Larua Angela Verrone, born in Rome on I7/9/I906, councillor of the Prefettura. Was appointed commissario, prefettizio (Prefect Commissar) of Arezzo Commune by the then Prefect Ristagno a few days after the 25th July I943, substituting for in that time the Podestà (Mayor) BUCCI Varrone, lawyer and 'squadrista'. Maculani remained in this office until I5/2/44, when he was substituted by the 'squadrista' Geri Athos, Director of the Ufficio Metrico. At that same date he was also nominated head clerk of the Prices Vigilance Commission, with office at the Prefettura, in locality "Godiola". It seems that in this office he was attacked many times by the population, because it was known that, together with the help of various agents, amongst them three communal agents, members of the Fascist Repuolican Party, he distributed among these employees all goods or articles sequestered by these same agents (eggs, sugar, cigarettes and other things).

It seems that he is a member of the Fascist Republican Party, but we cannot affirm it positively.

2. I have now received the following report from P.C. Arezzo on Dott.Maccari:

" MACCARI on 17 Sep 43, caused an appeal to be published in "La Nazione" calling upon the people to collaborate with the German troops. A translated copy of this notice is attached.

1. Reference your PP/139 of 12th March, the fact is that the reasons advanced by ANTONUCCI against his transfer to AREZZO could just as well be offered by quite 80% or 90% of Italian officials transferred to another province. In view of the disorganized and undisciplined condition of the Italian Civil Service and the extreme scarcity of personnel, excuses of purely personal grounds such as those advanced by ANTONUCCI simply cannot be considered. If they were, the Italian administrative machine would very soon come to a full stop.

2. I expect at any moment to receive from the Ministry for transmission to the Prefect through you, a telegram peremptorily directing ANTONUCCI to obey orders.

The person above mentioned appeared before me and pleaded as follows:

1. I am far from being willing to refuse to obey orders but, if I insist, it is because my situation is realy the one emerging from my first statement.

2. I therefore take the liberty to appeal to the sense of humanity and justice leading all actions of the Allied Authorities, which I beg to keep in mind that what has been stated by me is not a mere excuse bound to avoid an undesired transfer, but a pure description of my moral, economical and material conditions.

3. Since it sounds to me as this transfer being suggested by some authority "in loco", I have to insist that both my moral and political past is absolutely "clean" a thing, this, that can be ascertained at any time whether desired.

1502

4. But, even to say nothing of moral detriment; what makes this transfer a real disaster to me, is my economical situation.- As said on my first statement, top material and moral proofs have been afforded to me by the war. In fact, I have got my house and households destroyed and my wife lost dead by bombings.- My step-father, mother-in-law and a three years old baby are my family burdens.- I cannot leave them in Pistoia because my salary does not allow me to keep them here while staying in Arezzo, nor can I bring them over there due to the impossibility of finding out a possible accomodation.- If I have to get out of here, Florence would then do much better since my mother-in-law has a small flat over there, where we could set up our home again".-

I have no interest in the matter & only advance the

" It would be interesting to know the sociological attitude of the P.W.B., representative, and to whom he spoke at BUCINE. In the absence of that knowledge I disagree with him.

Certainly the Sindaco of BUCINE is quite devoid of brilliancy, but so far I have had no reason to consider him ~~mfx~~ inefficient.

Ostensibly apolitico, certainly he tends towards sympathy with the Right. But then, so does BUCINE as a Commune on the whole. Where the tendency of a Commune is to the Left, it may be advisable to have a Communist Sindaco as at S.GIOVANNI and CAVRIGLIA (in default of apoliticos, who however, are usually Liberals masquarading under a "cache-sexe" of anonymity). But not at BUCINE.

In the past the Sindaco had considerable trouble with a former jail bird of the Left. One of my predecessors refused to have him in the Giunta, the next - and I think rightly, put him there, and there has been no outward discord since. I will watch for any manifestations of the Sindaco's unpopularity, but so far my impressions are that few Sindacos are popular at times such as these, and that in mingling inadvertently with the population of BUCINE, I find them singularly contented, and that in many respects, it is my model Commune."

The Commissario Prefettizio has addressed the following appeal to the population:

"Citizens,

The German troops who have arrived in Arezzo are here to collaborate together the Italian authorities in the preserving of public order.

It is therefore necessary that your co-operation with the same be perfect, and that a prudent behaviour regarding the Germen troops be kept, avoiding every and any incident, which could have grievous consequences.

Al Governatore Militare Alleato per la Provincia di Arezzo

The Consigliere di Prefettura MACULANI Dr.Mariano, who was Commissario Prefettizio of Arezzo Commune when the German troops entered the city, published a manifesto which he was not duty bound to do, but which was warm, enthusiastic and servile, and which was offensive to the feelings of the people. As head of the Price Control Office instituted by the Republican Government he pursued a none too clear course of action. We have reason to believe, in spite of his statement to the contrary in his scheda, that he was a member of the Republican Party.

For the above reasons, his continuance as a member of the Prefettura is not to be tolerated, and consequently we ask authorisation to suspend him until such time as the National Government can examine his position in detail.

Subject: Consigliere di Prefettura MACULANI Dr. Mario.

To : Questore Comandante RR.CC.

As you already know, the Consigliere di Prefettura MACULANI Dott. Mario has for some time been suspended from this Prefecture. The reasons for his suspension would have been as follows:

1. To have published, when the Germans troops arrived in town, a notice not strictly within the scope of his duties as a Commissario Prefettizio for Arezzo Commune, notice which by its tone, would have been offensive to the citizens feelings.
2. Because as Commissario Prefettizio in the Commune and as head of the office of the price control and refugees, he would have collaborated with the Germans.
3. Because as head of the office of price control he would have distributed to the office staff a part of goods which had been requisitioned by the agents of the ration control (eggs, sugar, cigarettes and other) as well as having tollerated in the above mentioned office, in which were working also a large member of young ladies an insufficiently correct behaviour.
4. Because he would have been a member of the Republican Fascist party.

Dott. Maculani has strongly denied in all the meetings he has had with me all the above mentioned accusations refusing his membership of the fascist rep.party; denying the fact of his collaboration with the Germans (by collaboration is not meant the simple contact which the authorities and citizens had to keep with them during the period of the German domination) declaring that the notice which he had published as Commissario Prefettizio had been asked for by the Prefect of that time, and that it did not contain anything in the spirit or the letter that could in the last offend the feelings of the population or establish manifestation of servility, declaring that he never gave any authorisation for his office staff to extract for their own benefit requisitioned goods, and that in his office the behaviour has always been correct.

Dott. Macualni has also shown me the attached note on the course of action he pursued Commissario Prefettizio of the Commune and as head of the price control office and refugees from which results elements in contradiction to the accusations against him and is, instead, in his favor. As the positive of this official must be regolarised, please report to me on the real foundation of the accusations about him, after inquiries which I would like made by you personnally, and send me all the news and information so that I can give just judgement on the moral and political character of this official and on his activity when in that position.

I should also like to know what are the evaluations and judgments about them in the different political circles of the city.

Div.Gab.No 01611
Risposta alla lettera 24 Dec 44, Div.Gab.No657
Subject: MACULANI Dr Mariano, Consigliere di Prefettura.

Reference your a/m note I have the honour to inform your Excellency that Dr Mariano Maculani has been in Arezzo from June 1943 having come from Rome, and it doesn't seem that he has been squadrista or antemarcia, also it doesn't seem that he was a member of the fascist republican party. This last question was referred to someone who was interested in Maculani, to a Romoli Romolo previously employed in the Ufficio Tesseramente of the fascist federation. He has declared that he seems to remember reading between the other requests presented to the fascist federations for a membership of the republican fascist party also a request of Maculani. But Romoli has not been able to precise such a fact and in the list of the membership of the republican fascist party, that are in this office, the name of Maculani does not appear.

Maculani appointed Commissario Prefettizio of the Commune in September 1943, effectively did have a notice published when the German's troops arrived in the city, that made a bad impression in the population above all in the part where Maculani was menacing "to adopt restrictive measures indicated against the disturbers", measures, which were not in the power of a Commissario Prefettizio.

Still it does not seem that during that period, he collaborated in the true sense of the word with the Germans, it is indicated rather that what he said is partly true, that is falsifying identity-cards in order to permit young men to escape from the authorities.
(Among others, the Capt of the CC.RR., Dott. Camerino).

Dott. Maculani was relieved of his charge of Commissario Prefettizio in Feb 44 later, that is in March he was appointed chief of the Price Control Office and Office for Refugees, while has not been possible to ascertain it Dott. Maculani distributed among his staff, during that period, the good confiscated by the agents of the rationing control however. The other accusation that he was employed many young women maintaining in his office, which is well known to the public, frivolous, infact incorrect, behaviour, is instead true.

Maculani, then, is accused of having appropriated sommes of money which were in his possession as head of the refugees office, when the city was liberated by Allied troops. Although the files may have been burned by the German troops, I still maintain that an enquiry by the Prefettura may determine whether or not such accusation is true. The former politics of Maculani could be requested of the Questura in Rome, especially on the matter reported by Maculani himself ament his transference from Rome because of his brothers' arrest for political reasons.

Div.Gab.No657 cont'd

It has not been possible to ascertain anything in regard to the other matters presented by Maculani in order to justify his actions, because nothing is charged against him by the members of the various parties in Arezzo - no matter how clearly they make it understood that an eventual resumption of service in Arezzo by Maculani would be distasteful.

In conclusion, I maintain that if the information from Rome is not to the contrary, Dr Maculani may return to service in some other province.

Your Excellency:

1. I regret again having to trouble you in this matter, as much correspondence has passed and many conversations have taken place spread over a lengthy period in our joint endeavors to strengthen the above provincial administration by the appointment of adequate officials. The position, however, is as follows.

2. On 16 January last, agreement was reached between us that Dott. ANTONUCCI, then at Pistoia, should be appointed to the post and this decision was conveyed to him with a view to his movement to his new appointment.

3. The necessary instruction was given by the Provincial Commissioner of Pistoia (through the Prefect) and Dott. ANTONUCCI appealed against the decision in a letter, of which I enclose a copy. I requested AMG to notify ANTONUCCI that the arrangement had been made with your Ministry and that in view of the acute shortage at Arezzo, he should be requested to proceed there as ordered.

4. Dott. ANTONUCCI was again notified on two occasions (20/2/45 and 26/2/45) to move from Uzzano, but failed to do so. He addressed a further appeal to AMG Pistoia, copy of which I also enclose.

5. In the result, the position still remains vacant and not unnaturally the Provincial Commissioner and the Prefect are complaining of the long delay which causes the administration to suffer accordingly.

6. In view of all the circumstances, I have no alternative but again to ask for Your Excellency's assistance in the matter. I shall be glad to know if your Ministry's original order to Dott. ANTONUCCI is to stand and, if so, what intimation is to be conveyed to him with a view to securing his transfer to Arezzo.

Al Commissario Provinciale

Solamente ieri sera mi é stato possibile dare comunicazione al Viceprefetto Dr. Antonucci -che trovavasi ad Uzzano per le funzioni di Commissario Prefettizio in quel Comune - del contenuto della lettera AC/4/1/LG del Q.G. delle Commissione Alleata -sottocommissione agli Interni-.

Il Dottor Antonucci, pur dichiarandosi pronto a raggiungere la residenza di Arezzo, mi ha presentato l'unito esposto in cui chiede il riesame della sua posizione.

Informo che, in data odierna, ho sollevato il detto funzionario da ogni attività presso questa Prefettura.

TO : To the Provincial Governer of AMG - PISTOIA

Referring to the verbal notification by H.E. the Prefect that the A.M.G. insists for my destination to the Prefecture of Arezzo, I wish to point out that, as a disciplined official, it is far from my mind not to obey to such order.

/me

I only wish that, before giving the relative order you point out to the AMG HQ. that the reasons raised by me for remaining in Pistoia are not pretexto, as sometimes other officials might have done, but a real economic and familiar situation which can be checked at any time, and in consequence you examine the possibility of posting to that Prefettura another official who finds himself in better conditions than I.

I also point out that I have been the first, amongkst all the V.P. of this Prefettura, to report after the liberation to the local AMG and this circumnstance might be taken into consideration to keep me in Pistoia. Moreover I have also carried out the duties of Commissario Prefettizio of the Commune of Uzzano and I was member of the board of the Charitable institutions. I confirm also my great wish to be sent, better than to Arezzo, to the Prefettura of Florence, where my serious familiar situation could find a more adequate arrangement.

Anyhow, pointing out again my patriotic merits which might give me a good recommendation, I repeat that I am quite prepared merely for a reason of discipline, but with a great sacrifice, to proceed to Arezzo, provided they guarantee the total reimbursement of all the expenses I will have to meet during the transfer (porters, etc,) and the granting of the complete allowance of mission for an indefinite period, as I am unable for my economical position and only with my pay to maintain my family in Pistoia and myself in Arezzo where it is extremely difficult to find any accomodation.

Moreover I have to hand over the office of the Commune of Uzzano where I left suspended some bills of the hotel and reataurant, I have to arrange serious personal and familiar matters, to denounce heavy war damages, clear my political position with regards to epuration. For all that, I ask to be granted a convenient period of time before proceeding to Arezzo, in the case I receive the written order of leaving immediately. Repeating my statement of discipline to any orders I might receive from the AMG towards which I have a deep feeling of gratefulness for the liberation of our adored country, and also from the Italian Government, I trust that this request of mine be interpreted not in the sense of resistence to an order, but as a prayer that my particular serious conditions, familiar and economical, be examined again, together with my health condition and my patriotic activity, (I recall amongst other things, that I have lost, for the cause of war, my mother, my wife and

III/mo Signor GOVERNATORE PROVINCIALE DELL'A.M.G.

PISTOIA

In relazione alla verbale comunicazione di S.E. il Prefetto che la Commissione Militare Alleata insiste per la mia destinazione alla Prefettura di Arezzo, mi pregio far presente che, quale disciplinato funzionario, è lungi dal mio intendimento di non ottemperare alla richiesta.

Pregherei solo, prima di impartirmi l'ordine relativo, di far presente al Comando di detta Commissione che le ragioni addotte per invocare la mia conservazione alla sede di Pistoia non sono pretesti, come altri funzionari possono avere addotti, ma reali situazioni economiche e di famiglia in qualsiasi momento accertabili e documentabili e, di conseguenza, di esaminare la possibilità di destinare a detta sede altro funzionario che si trovi in condizioni più favorevoli delle mie.

Al riguardo mi permetto di mettere in rilievo che sono stato il primo, tra tutti i Vice Prefetti in servizio presso questa Prefettura, a presentarmi, dopo la liberazione, al Governo Militare Alleato locale e che, pertanto, tale circostanza potrebbe essere presa in considerazione per conservarmi in questa sede, dove non solo ho avuto l'incarico di Commissario Prefettizio del Comune di Uzzano ma ho anche espletato sin quì le funzioni di addetto alla Divisione Opere Pie, a preferenza di altri colleghi della stessa Prefettura che si trovano in condizioni economiche e familieri più favorevoli delle mie e che dal lato politico non hanno certamente maggiori benemerenze del sottoscritto.

Confermo anche la mia viva aspirazione ad essere destinato, a preferenza di quella di Arezzo, alla Prefettura di Firenze, dove la mia grave situazione familiare potrebbe trovare una adeguata sistemazione.

Comunque, nonostante confermi le indubbie benemerenze patriottiche acquisite che possono segnalarmi per una benevola considerazione, ripeto di essere, solo per atto di disciplina, disposto a raggiungere, pur con gravissimo mio sacrificio, la sede di Arezzo, purché, oltre a fornirmi i mezzi di trasporto in un primo tempo personali e in un secondo tempo per la famiglia, mi vengano almeno garantiti il rimborso delle spese tutte di trasferimento (facchinaggio ecc.), e la concessione dell'indennità intera di missione a tempo indeterminato, non avendo

Al riguardo mi permetto di mettere in rilievo che sono stato il primo, tra tutti i Vice Prefetti in servizio presso questa Prefettura, a presentarmi, dopo la liberazione, al Governo Militare Alleato locale e che, pertanto, tale circostanza potrebbe essere presa in considerazione per conservarmi in questa sede, dove non solo ho avuto l'incarico di Commissario Prefettizio del Comune di Uzzano ma ho anche espletato sin quì le funzioni di addetto alla Divisione Opere Pie, a preferenza di altri colleghi della stessa Prefettura che si trovano in condizioni economiche e familiari più favorevoli delle mie e che dal lato politico non hanno certamente maggiori benemerenze del sottoscritto.

1487

Dovendo, infine, provvedere alle consegne del Commissariato del Comune di Uzzano, dove ho lasciato pure in sospeso i conti dell'albergo e della trattoria, alla sistemazione, prima di partire, di gravi interessi personali e familiari, alla denuncia dei notevoli danni di guerre subiti, e alla mia chiarificazione politica agli effetti della purazione, prego vivamente di concedermi, in ogni caso, una congrua

proroga al raggiungimento della residenza di Arezzo, nell'ipotesi che mi venga impartito l'ordine scritto di raggiungere senz'altro tale sede.

Rinnovando la dichiarazione di ossequio e di disciplina agli ordini che mi verranno impartiti dal Governo Militare Alleato, verso cui nutro sentimenti di particolare simpatia e riconoscenza per la liberazione della nostra adorata Patria, e da quello Italiano, e fiducioso pertanto che la presente esposizione venga interpretata nel senso non di resistenza ad un ordine, ma di subordinata preghiera per un benevolo possibile riesame delle mie particolari gravi condizioni economiche e di famiglia, ed anche attualmente di salute per ragioni di servizio e di attività patriottica (ricordo, tra l'altro, di essere rimasto, per causa della guerra, privo della madre, della moglie e di tutto l'arredamento di casa e con a carico il patrigno, la suocera ed una tenera bambina), mi onoro esprimere i sensi della mia più profonda gratitudine e devozione.

SUBJECT : Italian Officials for AREZZO - Province 27 February 1945

TO : HQ. TOSCANA Region

1. I refer to your letter RVIII/68/1A/194 dated 22nd February 1945 on the above subject.

2. There appears to be some confusion as to the number of Vice Prefects required. No Prefecture can have more than a Vice Prefect Vicario and a Vice Prefect Inspector. Arezzo already has PERCHERI as Vice Prefect Vicario and should soon have APPENDINI as Vice Prefect Inspector. This will complete the staff so far as Vice Prefects are required.

3. The Ministry of Interior have advised that two Consiglieri will have to suffice for all but the largest and most important Prefectures. Dott. PIRRO is already in service. The second Consigliere upon whom I had agreed with the Ministry has taken the usual course of going sick : I hope to send another as soon as possible.

4. As regard the request for two Ragionieri, please let me have further details of the Ragioniere who has left due to illness and I will take the matter up with the Ministry.

5. Ragioniere FANTANELLI was given leave by the Prefect to go to Sicily in December last. The Ministry of Interior have sent a telegram to the Prefect of Palermo on 25th January requesting him to order FANTANELLI to return immediately otherwise sanctions will be taken against him. The Prefect was unwise to grant leave when his Prefecture was so short of staff.

6. Paragraphs 4 and 5 of your letter regarding MACULANI and a Segretario are noted. Please avoid calling for a Segretario unless absolutely necessary.

1. With reference to your letter AC/4/1/63/LG dated 15 February 1945, Dott. Luigi GUERRIERO has been interviewed by me with the Prefect of NUORO.

2. He is now serving as one of the Secretaries in the Prefettura and has been there for over a year. His home is in PISA and he is not a Sard. The Prefect reports well of his work and recommends him for advancement. He is a young man and apparently there is some gossip about his private life. He made a good impression at the interview and I would recommend him for a vacancy on the Mainland, in particular at PISA instead of AREZZO if that should be practicable.

102

Vice Prefect Inspector - ANTONUCCI. The present position is explained in your AC/4/1/63/IG undated, received 18 Feb 45, addressed to AMG, Fifth Army copy to this HQ. A Vice Prefect Inspector is still required.

Vice Prefects - 2 requested under this HQ, RVIII/68/1A/90 dated 2 Jan 45. PC, AREZZO now informs however that one (1) will suffice.

Consiglieri - 2 requested under RVIII/68/1A/90 dated 2 Jan 45, and both are still required.

Ragionieri - 2 at present required for which no previous written application has been submitted to your HQ. The application is now necessary owing to the fact that one has left due to illness and is not expected to return and the second has gone to SICILY for reasons unknown to the Capo Gabinetto. 3. In the opinion of the PC, AREZZO, the officials referred to above as being still required, are absolutely necessary to the proper functioning of the Prefecture.

It has been pointed out that in Arezzo the second number of the periodical " The Syckle" (La Falce) , organ of the communist party, has been divulgated.

In this number, apart from the articles which talk of the various future aspirations of the poorer classes, charges are brought against the fascist past of some of the officials of the Royal Prefecture.

As the charges,as you can see in the enclosed copy of the article which appeared in the above-mentioned periodical, refers to responsabilities of a political order of personnel depending of the Ministry, we ask the Commission to kindly see that investigations be made to specify the position of the officials, against whom the chatges are made, so that this Administration can decide what action to take in their regards.

We see that dott Maculani , Consigliere, has been suspende from office ; of his fascist and repubblican fascist merits we will talk later. What instead the pubblic would like to know , is why the epuration of dott. Maculani has not been preceded by that of the following gentlemen, also Prefedture employees, who's fascist service, given before the 25th of July and after the 8th of September, seems worthy of more consideration than that of dott. Maculani : Dott. CAPELLI, Vice Secretary, Chief of Cabinet of the two repubblican Prefects Rao and Melchiorri, ,Prefectural Commissioner after the 8th of September 1943, of the Communes of Stia and Pratovecchio, very dilgent collaborator of the nazi-fascist Authorities , with which he used to remain , to his risk and peril, even during the air raids. Following the specific orders of the, of the Head of of the Province, he gave special care to the ~~Relative~~ enquires relative to the activities of the Patriots, not failing to arrest them as soon as they were discovered. He carried out these actions with such rapidity and so zealously that even the German Authorities were amazed .

Head of an office with a political carackter, such as that of the Cabinet, he always kept up closely cordial relations with all the exponents of the repubblican party and of the german army forces, in appearance and in reality.

Overcharged with work, he gave proof of endurance by carrying out his work even in the night.

GATTESCHI Dott. Silvano, First Secretary, officer of the M.S.N. from 1938 or 1939, excellent collaborator of the nazi-fascists. He was bitterly worried not to be able to be constantly with them because of an illness which prevented him.

His unrelenting activity given to the social italian repubblic has made him worthy of the actual office of censor of the press. Bravo Catone !

MUSSINI dott. Claudio - Prefectural Commissioner during the repubblican period of the Comune of Capolona, shellow political figure , but active collaborator. Sticchi, ante-marcia, tipical exemple of a collaborator.

VALENTI, Sciarpa Littorio, tipe of man to be apreciated for his qualities of " yes" man.

The Arm of bmmovable faith and silent abnegation, Costantino Nigra.

And Costantino Nigra was not only ..... (a man of his day?) but above all a prophet.

If he could , he would be very happy to know that the well-deserving Arm, apart from some exceptions, served fascism with the same faitfulness with which it served the piemontese Kings, it distinguished itself during the 45 days of Badoglio, it covered itself with glory in the undaunted days of the Hitler-Mussolini

It is a pity that Nigra in his ode forgot to mention the R. Guardia di Sicurezza and Finanza. Ah but I had already forgotten in those times they did not exist.

E Costantino Nigra non fu soltanto un pompista ma sopratutto un pro=
feta.

Se lo potesse, egli sarebbe ben lieto di sapere che l'Arma benemerita salvo alcune eccezioni, con la stessa fedeltà con la quale aveva ser=vito i Re piemontesi, servì il fascismo, si distinse nei 45 giorni Ba=dogliani, si coprì di glo ia negli intrepidi giorni della repubblica spciale italiana del triunvitato Hitler-Mussolini-Farinacci, seppe con encomiabile spirito di abnegazione, darsi alla macchia per ben cinque giorni, trasformandosi in provetta partigiana, man mano che le truppe liberatrici bussavano alla porta di ogni città e di ogni villaggio.ove essa aveva sede, ed infine, passata la guerra e giunti gli Alleati, si è posta con zelo ed atta camento superiori ad ogni elogio, al loro ser=vizio.

Peccato che il Nigra nella sua ode trascurasse la R.Guardia di Pubblica Sicurezza e quella di Finanza. Ma già ci eravamo dimenticati, a quei tempitempi esse non esistevano.

PISTOIA

Referring to the communication made to me by H. E. the Prefect, that the Command of the Allied Commission wishes to appoint me at the Prefecture of Arezzo, I point out that I would very much like to comply if circumstances had not arisen in the meantime which renders my departure from Pistoia impossible for the moment.

(I) Infact I have been informed that Arezzo, office that I pointed out in a precedent statement of mine only amongst others and at the very end, is one of the most destroyed towns, and therefore it is very difficult to find a house, especially furnished, as I would need, having had my house nearly completely destroyed by an air-raid. And also to get a furnished house I would have to make such expenses, that living only on my pay, it would be impossible for me to meet them: these expenses were eliminated because of a favourable arrangment.

(II) At present I could not bring my family to Arezzo as it is composed by the old step-father, a mother in law with bad health and a child of three years recovering from a bronchitis. Now the terrible damages that I have suffered because of the destruction of my house, the german plunderings, the enormous expenses of the evacuation, the lost wages due to reprisals made against me as being antifascist, by the pseudo republican government, do not allow me absolutly to make two households.

(III) On the other hand the discomforts of the evacuation, the perils endured, the pains suffered because of german terrorism, the sorrows suffered (loss of mother and wife for war reasons) all reasons of a patriotic and service character, which have affected in a temporary way, including also the bad alimentation, my health conditions, which excludes, in the case that my family should join me in the new office, my living in an hotel or a pension.

Because of my past as an antifascist and patriot, known also in the local official circles and which can be confirmed by them, I ask the large comprehension of Your Excellency so that the Allied Commission be requested that I be confirmed in my actual office, at least temporarily, as my services are also needed.

I ask you however to keep in view that in the case that circumstances oblige me being transferred, the only Prefecture apart from this one that is possible for me is that of Florence, where my mother in law has a house that my family could live in if they joined me.

PISTOIA

In relazione alla comunicazione fattami da S.E.il Prefetto che il Comando della Commissione Alleata desidera destinarmi alla Prefettura di Arezzo, mi onoro far presente che ben volentieri aderirei a tale aspirazione se frattanto non fossero sopravvenute circostanze che mi pongono nella assoluta necessità di non potermi allontanare per il momento da Pistoia.

1°) Infatti sono stato informato che Arezzo, sede da me indicata in un precedente esposto solo fra altre e per ultimo, è una fra le città più sinistrate, per cui è difficilissimo trovarvi una abitazione, specie ammobiliata, come occorrerebbe per me che ho subito il sinistro quasi completo della casa di abitazione in seguito ad incursione aerea. Comunque dovrei andare incontro per un quartiere ammobiliato a spese enormi che, vivendo del solo provento dello stipendio, non potrei sostenere, spese potute eliminare a Pistoia in seguito ad una favorevole combinazione.

2°) Al presente non potrei portare poi ad Arezzo la famiglia, composta del vecchio patrigno, della suocera ossionevole di salute e di una bambina di tre anni e mezzo, convalescente da una bronchite. Ora i danni ingentissimi subiti per la distruzione della casa, e le depredazioni tedesche, le spese enormi sostenute per lo sfollamento, i mancati proventi dovuti a rappresaglia nei miei confronti, quale antifascista, del sedicente governo repubblicano non mi consentono in modo assoluto di potere formare due focolari.

3°) D'altra parte i disagi dello sfollamento, i pericoli subiti, i patemi di animo per il terrorismo tedesco, i dolori sofferti (perdita della madre e della moglie per cause di guerra), tutte ragioni di indole patriottica e di servizio, hanno inciso in via transitoria, unitamente alla scarsa alimentazione, sulle mie condizioni di salute, che escludono, nell'impossibilità che la famiglia mi possa subito raggiungere nella nuova sede, che possa fare vita di albergo o di pensione.

Per il mio passato di patriota e di antifascista, conosciuto anche nell'ambiente ufficiale locale e da questo confermabile,

Comunque dovrei rinunciare incontro per un quartiere ammobiliato a spese enormi che, vivendo del solo provento dello stipendio, non potrei sostenere, spese potute eliminare a Pistoia in seguito ad una favorevole combinazione.

2°) Al presente non potrei portare poi ad effetto la famiglia, composta del vecchio patrigno, della suocera cagionevole di salute e di una bambina di tre anni e mezzo, convalescente da una bronchite. Ora i danni ingentissimi subiti per la distruzione della casa, e le depredazioni tedesche, le spese enormi sostenute per lo sfollamento, i mancati proventi dovuti a rappresaglia nei miei confronti, quale antifascista, del sedicente governo repubblicano non mi consentono in modo assoluto di potere formare due focolari.

Per il mio passato di patriota e di antifascista, conosciuto anche nell'ambiente ufficiale locale e da questo confermabile, invoco pertanto dalla larga comprensione della S.V. Ill/ma che venga proposta al Comando della Commissione Alleata la mia conferma, almeno transitoria, nella attuale sede, dove mi consta che vi è possibilità di utilizzazione della mia opera.

Prego comunque tenere presente che, ove circostanze potessero eventualmente imporre la mia destinazione ad altra sede, l'unica sede diversa dalla attuale per me possibile al presente è quella di Firenze, dove mia suocera dispone ancora di una casa di abitazione e dove la famiglia potrebbe più facilmente raggiungermi in seguito.

Con viva riconoscenza per la benevola comprensione in cui verranno tenute presenti le gravi ragioni familiari ed economiche da me esposte e che reclamano che venga ancora mantenuto in questa sede, mi onoro rassegnarmi della S.V. Ill/ma

SUBJECT : MORRICA dott. Manlio - Consigliere.

The Prefect of Pisa informed us some time ago that he had set free the Consigliere dott, Manlio MORRICA because he was in no condition to give service as a result of an acute attack of a duodenal ulcer which he had caught in the war.

As Dott, Morrica is in Rome, as soon as he has recivered the Ministry proposes sending him to Arezzo, taking into consideration the fact that he is no more needed at the Prefecture of Pisa.

We will later designate the names of another Consigliere or Secretary for the Prefecture of Arezzo as soon as thie will be possible. We ask the Commission to kindly let us know if they have nothing in the contrery.

OGGETTO : MORRICA Dr. Manlio - Consigliere -

Il Prefetto di Pisa informo' tempo addietro di aver messo in liberta' il Consigliere Dr. Manlio MORRICA perche' impossibilitato a prestare servizio, in dipendenza di una improvvisa acutizzazione di un'ulcera duodenale, dal medesimo contratta in guerra.

Poiche' il Dr. Morrica, in atto a Roma, appena ristabilito, e d'altra parte, la sua opera non sembra necessaria a Pisa, questo Ministero, proporrebbe di destinarlo alla Prefettura di Arezzo.

Con riserva di designare i nominativi di un altro Consigliere e di un Segretario, per la Prefettura di Arezzo, appena ve ne sara' la possibilita', si prega codesta On. Commissione di far conoscere se nulla osti al riguardo.

SUBJECT : Recent Inspection Tour of the Chief of Staff

TO : DCOS, Civil Affairs Section, Hq. AC.

The following notes and abservations were made during the Chief of Staff's recent tour of inspection (Jan. 17-23) of AMG Fifth Army, Northern provinces of Toscana Region, and Perugia area. They are submitted to you for information and such action as may be appropriate.

.....

- IV -

At Pistoia, 19 Jan. 45

a) Prefect. - The Prefect is a career man appointed by the Ministry of Interior and the Local Government Sub Commission, by name, AIES. The local people and Captain Dunn would have liked a local man who was a member of the CLNAI without politics. No change at present but Local Government Sub Commission should watch.

- V -

At Lucca, 19 Jan. 45

a) Prefect. - Saw Captain Valentine recently from Sardinia, Acting Provincial Commissioner, with the Executive Officer, an American lieutenant, and the Supply and Public Safety Officers. Here, as opposed to Pistoia, they have the President of the CLNAI as Prefect. He is a Christian Democrat and politically innocuous but administratively incompetent. They would like to have a career man appointed; Prefect's name is CARALIGNINAI. It might be possible to bring the career Prefect from Pistoia and so please all parties.

b) Epuration Committee - The epuration Committee is headed by a Communist who seems to be working well. The senior judge appears to be under investigation and is in a concentration camp.

a) Prefect - The Prefect, a career man, is satisfactory. However, he is short two vice-prefects and two consiglieri. The carabinieri are far from satisfactory. They are all living at home and it is felt that they should be interchanged with the other provinces so that the carabinieri will be operating as units independent of personal connections with the commune and accordingly billeted, etc., at their own caserme.

TO : RC Tuscan Region.

1. I refer to your monthly report for December, Part II, para 2, which states:

> "In Arezzo the new Prefect is busy reorganising the administration. He is handicapped by the lack of trained officials; both Vice Prefects, two Consiglieri and five civil servants are short on establishment..."

2. When the province of Arezzo was surveyed by Captain Lewis and Captain Cunningham of this Sub Commission on 4 and 5 January, the only shortages which were mentioned were VPV and VPI, 2 Consiglieri and one Segretario.

3. The present position is as follows:

VPV	PERONCINI is at Ascoli. PC Ascoli has arranged transport and will send him to Arezzo when weather conditions permit.
VPI	ANTONUCCI is at Pistoia. AMG 5 Army have been asked to send him to Arezzo.
Consiglieri & Segretario	This request has been transmitted to the Ministry of Interior and they are being pressed for a reply.

4. Please let me have further particulars regarding the five civil servants stated to be short on establishment, and whether their presence is absolutely necessary in Arezzo to the proper functioning of the Prefecture. There is a very serious shortage of Italian local government officials and it is doubtful if any Prefecture in Italy has its full establishment at present. Upon receipt of this additional information, I will take the matter up with the Ministry of Interior.

5. A copy of this letter is attached for the RC Arezzo.

NOTES AS TO OFFICIALS REQUIRED AT AREZZO.

1. The Monthly report for December of Toscana Region (dated 7 Jan. 1945) states in Part II para 2:

"In AREZZO the new Prefect is busy reorganizing the administration. He is handicapped by the lack of trained officials; both Vice Prefects, two Consiglieri and five civil servants are short on establishment..."

2. The position is as follows :-

3. V.P.Vicario :- PERONGINI agreed with Italian Government and screened. He is at Ascoli. He will leave for Arezzo as soon as weather permits. PG Ascoli has arranged transport and will report his departure.

4. V.P.Ispettore:- ANTONUCCI agreed with Italian Government and screened. He is at Pistoia. AMG 5 Army have been asked to send him to Arezzo.

5. Consiglieri :- No request for any officials of this grade was made until 2 January; the request reached this S/C on 7 January. This matter was also discussed when 2 officers of this S/C surveyed Perugia Province on 4 and 5th January. The officers making the survey reported that a Segretario was desired in addition to 2 Consiglieri. The request was transmitted to the Minister of Interior immediately these officers returned; and the Ministry were remirded of it as recently as 22nd January.

6. Five civil servants :- These vacancies have not previously been brought to the attention of the S/C; they were not mentioned during the survey on 4 and 5 January. It is suggested that the RC be asked for further particulars of this.

SUBJECT : AREZZO

TO : Col. R.G.B. SPICER

FROM : Capt. W.V.M. LEWIS and Capt. W. I. CUNNINGHAM

The following points were raised by Lt.Col. G. W. Quinn Smith at our interview on 5th January 1945. They do not come within the functions of the Local Government Sub-Commission.

1. Capo della Milizia Forestale - This official is in prison. He should be replaced as soon as possible as the Province of Arezzo is largely wooded and the position is important.

2. Genio Civile - Should be replaced. He is not suitable for a Province in such a damaged state as Arezzo. He would be quite good in a more peaceful province. He is not a live wire. Is old and not able to get around.

3. Special rations for Allied Nationals - In Florence Allied civilian Nationals get a supplemental ration through Displaced Person or some other source. There is no such provision in Arezzo. There appears to be a population qualification and the population of Arezzo is not large enough to qualify.

4. Carabinieri - No clothing or boots. Police administration is bad. Police do nothing to enforce the law. They just ignore everything. They should be shifted round between Communes if it is not possible to replace them completely. They have been too long in the one Commune and would work better in a locality where they would be strangers.

5. Transport - Only two lorries able to run. About 25 others which could run if any tires could be supplied. Germans removed most of the transport.

In the first days of December 1944, a leave of absence for a month was granted to the Accountant of this Prefecture, Signor Ferrantelli Italo, who was to go to Sicily where his family is residing and whom he had not seen since August 1942.

Since the above official seems to have expressed the intention of not returning to this office, and since he did not report at the end of his leave, I am reporting the case to the Ministry in order that he may be admonished to resume his service as soon as possible, in view of the well-known shortage of personnel of Group B in this Prefecture.

REPORT NO.

SUBJECT: Survey of Arezzo Province

TO : Col. R. G. B. Spicer

FROM : Capt. W. V. M. Lewis and Capt. W. I. Cunningham

1. We visited Arezzo on Thursday and Friday the 4th and 5th January 1945 and interviewed:

Lt. Col. G. W. Quinn-Smith	-	Provincial Commissioner
Capt. R. J. Connelly	-	Administrative Officer
Dott. Elmo BRACALI	-	Prefect of Arezzo

2. Arezzo is the poorest and most damaged province of the region. It was fought over heavily. Communications are very bad and all the bridges are gone. They are being repaired. One Commune has had to be handed over to Pesaro because it could not be reached from Arezzo. Arezzo is now an Area HQ and Railhead and very overcrowded. Administration is very difficult owing to lack of transport and communications.

3. The CLN were very active and very Communist. The PC did not think that they represented a majority of the people as most of the population is agricultural. He had to suppress the local CLN for interfering in the administration. They had issued orders to Sindaci that decisions of Giunte Comunali should be submitted to them before becoming effective. They had also given orders to certain communes to send foodstuffs direct to Florence, and had threatened various Sindaci who did not carry out their orders. The PC had warned the CLN that they would be allowed to exist so long as they did not interfere with the administration but that any further interference would have serious reperoussions. The CLN were not helpful to the administration and were only seeking power.

4. The Prefect Dr. Elmo BRACALI has impressed the PC very favourably. He knows the administration thoroughly but is very handicapped by lack of the necessary officials in the Prefettura. He is working very hard but is having to spend far too much time on miror details. He requires a VPV, a VPI, 2 Consiglieri and a 1° Segretario urgently to enable him to set up his administration properly. The position regarding PERONGINI, VPV, and PES, VPI, was explained and we promised to hasten the supply of the officials he required.

5. A GPA of sorts is functioning but lacks civilian members. There is no Deputazione Provinciale yet but names have been submitted and are being considered.

6. [illegible] is being enforced. Many Sindaci were wrongly appointed

They had also given orders to certain communes to send foodstuffs direct to Florence, and had threatened various Sindaci who did not carry out their orders. 5. A GPA of sorts is functioning but lacks civilian members. There is no Deputazione Provinciale yet but names have been submitted and are being considered.

6. R.D.L. 111 is being enforced. Many Sindaci were wrongly appointed by CLN and AMG spearhead officers (e.g. Priests). The Prefect is checking the position in all communes and having the appointments made properly according to law.

7. There are Giunte Comunali in all Communes and they are functioning well. In many Communes it was found that CLN had appointed a Giunta composed entirely of CLN personnal. This position has now been rectified and representation given to all classes. In many cases it was necessary to increase the permitted number of members in order to give proper representation. About 50% of the Giunte were over strength.

8. Appointments of Sindaci by CLN and AMG spearhead officers were being revised. Several Sindaci had been dismissed as they were rabid politicians and more interested in their party than working for the good of the Commune. They had been replaced by business men who were good workers. It required a lot of persuasion to make a good man accept the position of Sindaco as it is a full

Declassified E.O. 12356 Section 3.3/NND No. 785021

time job under present conditions, and in addition he is subject to attacks by CLN. However, the PC considers that Sindaci should not be paid. His chief value is prestige and if he is paid the prestige has gone.

9. There is a shortage of Segretari Comunali as most of these had fled. New men are being appointed where possible and in the meantime existing Segretari are "doubling up" and functioning for two or more Communes.

10. The PC has six CAO's distributed through the Province administering small groups of Communes and the administration of the province is very good considering the lack of transport and communications.

11. Requirements are:

(a) VPV Dott. PERONGINI has been ordered to report to this HQ without further delay.

(b) VPI Dott. PES was nominated by Ministry but was not approved by Security.
Dott. ANTONUCCI has now been nominated and screening requested of Security.

(c) 2 Consiglieri)
(d) 1 Segretario) These are new demands and they are being passed on to the Ministry.

TO : RC Abruzzi-Marche Region (with copy for RC Ascoli)

1. I refer to your letter R5/714/2/6 of 31 December 1944, forwarding copy of the Prefect's letter to the RC of 18 December, in which he states that the above-mentioned Consigliere (in accordance with the RC's instructions) would assume the functions of Vice Prefect Inspector as of 20 December, and inquired whether Dott. DI GIACOMO was entitled to receive the salary appropriate to his new functions.

2. It is a well established principle, fully agreed and understood with the Italian Government, that where AMG appoint an Italian Official to exercise the duties of a higher office, he is entitled to receive the salary and allowances appropriate to his new office. Will you please, therefore, cause the Prefect to be informed that Dott. DI GIACOMO is to receive the salary and emoluments of Vice Prefect Inspector as from 20 December.

3. I refer also to your R5/714/2/6 of 31 December as to the former Vice Prefect Inspector, Dott. PERONGINI.

4. Dott. PERONGINI's statements as set forth in para 2 of your letter are certainly not correct. It is true that he called at this office and also at the Ministry and asked to be sent to a province in the south. It is not true that this proposal has been accepted. On the contrary, the orders for his transfer to Arezzo stand.

5. I have no doubt at all that Dott. PERONGINI is doing his best to evade compliance with these orders and I shall be grateful if you will take whatever measures may be necessary to ensure that he does go to Arezzo at once.

NOTE: The above was dictated before receipt of your R5/714/2/6 of 1 January, from which I observe you have taken the action desired in respect of PERONGINI.

1. Ref your AC/4/1/66/LG dated 29 Nov 44, on 5 Sep 44 this HQ instructed P.C. Ascoli-Macerata to order Dott Perongini to proceed to Arezzo without delay.

2. P.C.Ascoli-Macerata has forwarded a further letter referring to the previous correspondence regarding transfer of this official to Arezzo, in which it is stated that Perongini has discussed with both the Ministry and Local Government Sub-Commission (Capt Williams) the possibility of being sent to a Province in the South, also stating that it appears that both offices concerned agreed to this course, subject to the approval of the other.

3. Will you please state if this is correct, as no alternative instructions have yet been received by this HQ.

4. It is also reported that Dott Perongini has now ceased to perform the duties of Vice-Prefect Inspector, and it will be appreciated if you will give a ruling in this case as soon as possible.

SUBJECT : Prefecture of Arezzo.

The Vice Preiect Inspector dr. Leopoldo PERONGINI destinated as Vicario to the Prefettura of Arezzo, according to our proposal and your approval with letter ACC. 4/1/63/LG. dated 26 october 1944, has asked, instead to Arezzo, to be sent to a Prefettura of Southern Italy where he might be able to find an easier accomodation.

This Ministry, also according to the principle established by the A.C. in the matter of transfers, does not think to give his consent, for the motives pointed out by the Prefect.

We ask therefore the A.C. to notify Vice Prefect Perongini, through the Prefettura of Ascoli Piceno, that for the time being his destination to Arezzo cannot be cancelled, and that moreover the needs of service request his immediate arrival.

For the Inspective duties in that Prefettura, we propose, instead of Dr. Stefano PES, Dott. Italo Antonucci of the same grade, who was serving in the Pistoia Prefettura and presently "a disposizione".

Waiting for the decision of the AC. with regards to this proposal, we enclose a short biographical note on that Official.

TO: Provincial Commissioner, ASG, Ascoli-Piceno

Reference xx letter of the 2nd current, regarding my transfer to the prefecture of Arezzo, I beg to have it considered that family motives, principally the fact that one of my daughters is still suffering from the after-effects of pleurisy and therefore cannot stand the hardships of residence in a high climate, particularly in the winter season. I therefore am impelled to ask the intervention of Your Honor that I shall be sent to a place in southern Italy instead of to Arezzo.

Let me point out that I have assurances from the chief of personnel of the Interior Ministry that as soon as he had word that the Red has no objection he will send me to a place in the south, choosing another functionary for Arezzo.

I thank you very much and beg you to accept the expression of my most sincere homage.

Ill.mo Sig. Commissario provinciale

del Governo Militare Alleato

Ascoli Piceno

Nel riferirmi alla lettera 2 corrente, concernente il mio trasferimento alla Prefettura di Arezzo, prego di voler considerare che motivi di famiglia e, principalmente, la circostanza che una delle mie figliole è ancora sofferente di esiti di pleurite e che pertanto non potrebbe affrontare, specie nella stagione invernale, i disagi di una residenza dal clima rigido, mi inducono a chiedere l'alto intervento della S.V. Ill.ma perchè, invece che ad Arezzo, io possa essere destinato in una sede dell'Italia meridionale.

Mi permetto far presente che, come da assicurazione verbale avuta dal Capo del personale al Ministero dell'Interno, questi, appena avrà avuta comunicazione del nulla osta del Comando Militare Alleato, mentre provvederà a destinare ad Arezzo altro adatto funzionario, invierà me in una sede del mezzogiorno.

Ringrazio vivamente e prego di accogliere le espressioni dei miei riguardosi omaggi.

TO : P.C. AREZZO PROVINCE.

1. By letter AC/4/1/63/LG dated 19 Nov 44 from the Local Government Sub-Commission, AC, subject: "Prefect of Arezzo", the Director of that Sub-Commission says that he would see the Ministry of the Interior on 20 Nov 44 relative to the Prefect from the Pool to replace Comm. GUIDOTTO MORI, the present Prefetto Reggente of Arezzo. The Director of the Sub-Commission thinks it wise, and I concur with him, to effect Mori's removal in a way that will not brand him as a fascist nor indicate that he has been put out of office by the CLN.

2. It is suggested that at some suitable opportunity, such as the installation of the new Prefect, it could be indicated that we value highly the services which Comm. Guidotto Mori has rendered to the Province and to Italy during his term of office.

3. It is believed that the accusations of fascism against Mori are ~~more~~ theoretical or academic and that there is little cause to doubt the integrity of Mori's anti-fascism.

4. Unless you have good and serious reasons which would indicate a different course, it is desired that you follow the policy outlined herein in effecting the removal of Comm. Guidotto Mori when the necessary orders for relief and the new appointment have been received by you. If you desire to recommend a different policy please report fully the facts to this Hq.

SUBJECT: Interview--Ministry of Interior

DATE : 20 November 1944 - 11:15 hours

PRESENT: H. E. BERRUTI
Cav. CAMERA
Capt.C.G.R. Williams
Signorina T. Caetani, interpreting.

1. I referred to the Ministry's letter of 23 September (No. 23 on the file) as to the Prefetto Reggente of Arezzo, Comm. GUIDOTTO MORI. I stated we attached little value to the objections of the CLN to him which were based merely on the fact that he was a member of the NFF and was the first Podesta of Arezzo from 1926 to 1930. If everybody who had been a member of the NFF and had held municipal offices under the Regime was now to be eliminated from the administration, there would be very few Italians left in charge. We consider this objection to be a rather unreal one.

2. I informed BERRUTI, however, that the position had now entirely changed because the Prefect himself had tendered his formal resignation on the grounds of age, health, private affairs, etc. We could not keep the Prefetto Reggente in office in these circumstances. Accordingly, we considered it desirable to have a change and appoint a career Prefect. Which of those in the pool did H. E. recommend.

3. BERRUTI thought for a few moments, consulted CAMERA and then suggested BRACALI Elmo.

4. BRACALI is one of the Prefects who have been hiding in the north from the Germans. He turned up in Pistoia in October and came up to Rome and reported to the Ministry. He returned to Pistoia where he is now living.

5. The particulars we have of him are Nos. 45 and 46 on this file. No. 46 can be regarded as a satisfactory screening report.

6. No one in this Sub Commission has ever seen BRACALI. I recommend he be recalled from Pistoia to be interviewed by you.

TO : HQ Tuscan Region.

1. In reply to your letter RVIII/68/1/192 of 15th November, I will see the Ministry of the Interior tomorrow as to a nomination of a career Prefect from the Pool to replace Comm.GUIDOTTO MORI, the present Prefetto Reggente.

2. You will recollect the statement in the Minister of the Interior's letter of 23 September that Comm.GUIDOTTO MORI "has not met with the favour of the local CLN and of "thepopulation, as in the past he joined the Fascist Party and was the first fascist Podesta of the town". This is borne out by the third paragraph of the PC's letter to you AB/ID/126 of 19 October. The language used by the PC however, rather confirms my own feeling that the CLN's objections are based on merely academic and a priori reasoning and that there is no cause to doubt the integrity of GUIDOTTO MORI's anti-fascism.

3. If this view agrees with yours, then I think it important to make it clear to the people of the province that we are making the charge on grounds that are purely personal to the present Prefect and not out of any deference to the views of the CLN. To allow the establishment of the idea that the CLN have successfully run the present Prefect out of office would do no good to the authority of AMG or the maintenance of order. I suggest therefore that some suitable opportunity, such as the installation of the new Prefect - might be taken to make a declaration on this point. It could be indicated at the same time that we value highly the services which Comm. GUIDOTTO-MORI has rendered to the province and to Italy during his term of office.

4. I should like to know what you feel about this aspect of the matter.

To : HQ, Region VIII.

I have received from AMG, LO, 10 Corps a letter (OA/109/124A dated 6 Oct 44) addressed to him from HQ, AMG, 8th Army forwarding translation of a letter from the Ministry of the Interior (dated 23 Sep 44 copy of which is attached).

AMG, LO, has interviewed me concerning this matter and has submitted a verbal reply to AMG, 8th Army. At the same time, as the Province is now under regional control, I forward the following notes which you may decide to send to Colonel Spicer at Rome. The Prefect of Arezzo Guido Guidotti Mori has held the following appointments:

1. Rector of the "Pia Fraternita' dei Laici of Arezzo" from 1 April 1911 to 25 July 1925.

2. Delegate of the Communal Council in the Directive Council of the R.Collegio Convitto Vittorio Emanuele II of Arezzo = from March 15, 1913 to 31 Dec 1915.

3. First Rector of the Pia Fraternita' dei Laici of Arezzo = from 27 June 1923 to 31 Dec 1926.

4. Maire of Arezzo = from 31 Jan 1926 to 31 March 1930.

5. Vice Principal of the Province of Arezzo = from Jan 1940 to 25 Jul 43.

These were outlined in a letter to Regional Public Safety Officer dated Aug 28.

The arrest for defeatism was made at the instance of the then Prefect because Mori tried to build up a reserve of biscuits against an "emergency" which might make baking of bread impossible. There is little doubt that the Prefect is not popular with the Committee of Liberation and certain others, but this appears to be based on anti-fascist principles rather than on subversive acts. I note that his appointment was recommended by the Provincial Commissioner, by the Bishop, the Sindaco, the Procuratore del Regno, the Director of the S.E.P.R.A.L. and another one I believe to be the Chief of the C.L.N.

It is difficult to make an accurate judgement of the Prefect after being here only a week, but from what I have seen I do not recommend his replacement at present. He is a man of 70 and not of great personality. At the same time he appears to be an ex-fascist who is competent and willing to do his best for the State in which he lived 50 years before the rise of Fascism. Should it be necessary a further report will be rendered.

MINISTRY OF INTERIOR

SUBJECT : Prefetto Reggente of Arezzo.

TO : The Allied Control Commission
Interior Sub-Commission.

This Ministry has been informed that the appointment of Comm. Guido Guidotti Mori, as Prefetto Reggente of AREZZO, has not met the favour of the local Committee of Liberazione Nazionale and of the population, as in the past he joined the Fascist Party and was the first fascist Podesta' of the town.

The above mentioned Guidotti has also held the position of Director of "SEPRAL" (Alimentation Office for the Province), and was arrested after 29th July because the Prefect of that period accused him with defeatism. The accusation eventually appeared inconsistent, and therefore Guidotti Mori was liberated.

We felt it our duty to point out this fact.

2. As agreed with you verbally today I have telephoned to the Local Government Sub-Commission, HQ. AC and asked them to prepare a new man for appointment as soon as they hear from you.

TO : P.C. AREZZO Province.

1. I have your letter of the 28 Oct. 44 relative to the appointment of a Prefect for AREZZO Province.

2. If it can be avoided I do not desire to ask the Italian Government, thru the Interior Sub-Commission, to furnish a Prefect. Surely there is someone in AREZZO Province who is capable of performing the duties; who knows the local problems; and has the respect of the local people. With all the demands in prospect for Prefects for populous northern Provinces, the Italian authorities will be loathe to place any of their best men in a less densely populated Province like AREZZO. It would be much better to get a man locally and ask for his appointment as Prefetto Reggente.

3. Will you please consult representatives of all local interests and see if it is possible for you to obtain a candidate for Prefetto Reggente locally, who has a reasonable chance of being able to fill the position satisfactorily.

1. Reference your ACC/4/1/63/IIF dated 25 Sep 44, this matter has now been investigated.

2. Dr. FERRARA was arrested because he falls into the category of officials automatically arrested and held for disposal by the Italian Government. The P.C. did not ask for this case to be considered as one which would affect good administration since he considered him inefficient and lacking in energy.

3. With regard to the aide memoire, Dr. FERRARA was Vice Prefect to CACCIAGUERRA when we entered Arezzo province but was not present when we entered the city. He was not the first official to present himself; he reported for duty later and since, after a short trial proved to be inefficient his arrest followed as a matter of routine.

The above mentioned Guidotti has also held the position of Director of "SEPRAL" (Alimentation office for the Province), and was arrested after 25th of july because the prefect of that period accused him with defeatism. E' stato segnalato a questo Ministero che la nomina del comm. Guido Guidotti-Mori a prefetto reggente di Arezzo non sarebbe stata accolta con favore dal locale Comitato di Liberazione Nazionale e dalla popolazione, perchè egli militò in passato nelle file del partito fascista e fu il primo podestà fascista della città.

Il predetto ha inoltre ricoperto la carica di Direttore della Sepral (ufficio per l'approvvigionamento alimentare della Provincia) e dopo il 25 luglio fu arrestato perchè il prefetto del tempo lo accusò di disfattismo, accusa che risultò inconsistente, ed in conseguenza il Guidotti-Mori fu messo in libertà.

AIDE-MEMOIRE

On 7 September of this year Dr. Francesco FERRARA, former vice-prefect of Arezzo, was seized by Allied Authorities.

We do not know the exact reason for the "arrest"; at any rate, we deem it advisable to point out the following:

1) Dr. Ferrara, in his capacity as Vice-prefect of Arezzo, was nominated Commissioner of that Provincial Administration by Prefect Ristagno during Marshal Badoglio's Government and confirmed by Prefect Soldaini who succeeded Ristagno during the same government.

2) Upon the arrival of the republican fascists Dr. Ferrara was released from said position and replaced by Count Cacciaguerra, a fascist without any ability whatsoever. Dr. Ferrara retained purely administrative functions in the Provincial Administration, which he carried out only in part, due to the complete paralysis of the life of the Province and due, above all, to Ferrara's intention not to collaborate with the fascists.

3) Dr. Ferrara put such an intention in practice by absenting himself from office for more than a month and a half (January-February 1944) and then going desultorily, only to do that minimum amount of work to save him from the prompt reprisals of the local fascist element.

More than this Dr. Ferrara could not do, if we bear in mind that he, not possessing any income outside that derived from his work, lost his house as a result of bombing and, subsequently, just saved himself

out any ability whatsoever. Dr. Ferrara retained purely administrative functions in the Provincial Administration, which he carried out only in part, due to the complete paralysis of the life of the Province and due, above all, to Ferrara's intention not to collaborate with the fascists.

3) Dr. Ferrara put such an intention in practice by absenting himself from office for more than a month and a half (January-February 1944) and then going desultorily, only to do that minimum amount of work to save him from the prompt reprisals of the local fascist element.

More than this Dr. Ferrara could not do, if we bear in mind that he, not possessing any income outside that derived from his work, lost his house as a result of bombing and, subsequently, just saved himself and his family from the shelling by Germans in the battle area, losing that little personal property that was left, so that he had to revert to the generous hospitality of a Convent.

4) Dr. Ferrara, just escaping death, did not hesitate to cross the front line to come to the Allies and he was the first official of the Prefecture of Arezzo to present himself to the Command of the city to put himself at its disposal, in spite of the moral and physical conditions in which he found himself as a result of the long discomforts and painful experiences he had.

It is requested that the position of said official be re-examined.

OGGETTO Viceprefetto dott. Francesco FERRARA

Con riferimento alla nota 4/1/63 del 4 settembre, relativa al personale della prefettura di Arezzo, si fa presente che è stato segnalato che il viceprefetto dott. Francesco Ferrara è stato fermato per disposizione dell'Autorità Alleata.

Circa il comportamento del dott. Ferrara nel periodo posteriore all'8 settembre 1943, è stato presentato l'unito promemoria che si trasmette a codesta Commissione con preghiera di voler far riesaminare attentamente la posizione del predetto funzionario.

Ove non dovesse risultare grave addebito nei suoi confronti, questo Ministero gradirebbe poterne disporre per le province amministrate dal Governo Italiano.

Si resta in attesa di un cortese sollecito riscontro.

D'ORDINE DEL MINISTRO

1529

PRO-MEMORIA

Il giorno 7 settembre c.m. è stato fermato dall'Autorità Alleata il Dott. Francesco FERRARA, già Viceprefetto di Arezzo.

Si ignorano i motivi precisi del "fermo"; comunque, si ritiene opportuno segnalare quanto segue:

1°) Il Dott. Ferrara, nella sua qualità di Viceprefetto di Arezzo, fu nominato Commissario di quell'Amministrazione Provinciale dal R° Prefetto Ristagno nel periodo del governo del Maresciallo Badoglio e confermato dal Prefetto Soldaini succeduto, nello stesso periodo, al Ristagno.

2°) All'arrivo dei fascisti repubblicani, il Dott. Ferrara fu esonerato dalla carica predetta e sostituito col Conte Cacciaguerra, fascista assolutamente incompetente. Al Dott. Ferrara furono lasciate nell'Amministrazione Provinciale mansioni puramente amministrative, che del resto non ha esercitato se non in minima parte, data la completa paralizzazione della vita della Provincia e data, sopratutto, la intenzione del Ferrara di non collaborare coi fascisti repubblicani.

3°) Il Dott. Ferrara ha attuato tale intenzione restando assente per oltre un mese e mezzo dall'ufficio (gennaio-febbraio I944) e frequentandolo, poi, saltuariamente, solo per quel minimo indispensabile a sottrarlo alle facili rappresaglie dell'elemento fascista locale.

Più di questo il Dott. Ferrara non poteva fare, se si tiene presente che egli, privo assolutamente di mezzi di fortuna estranei all'impiego, ha perduto la sua casa in seguito ai bombardamenti e,

Prefetto Ristagno nel periodo dal 3[illegible]
e confermato dal Prefetto Soldaini succeduto, nello stesso periodo, al Ristagno.

2°) All'arrivo dei fascisti repubblicani, il Dott. Ferrara fu esonerato dalla carica predetta e sostituito col Conte Cacciaguerra, fascista assolutamente incompetente. Al Dott. Ferrara furono lasciate nell'Amministrazione Provinciale mansioni puramente amministrative, che del resto non ha esercitato se non in minima parte, data la completa paralizzazione della vita della Provincia e data, sopratutto, la intenzione del Ferrara di non collaborare coi fascisti repubblicani.

3°) Il Dott. Ferrara ha attuato tale intenzione restando assente per oltre un mese e mezzo dall'ufficio (gennaio-febbraio 1944) e frequentandolo, poi, saltuariamente, solo per qual minimo indispensabile a sottrarlo alle facili rappresaglie dell'elemento fascista locale.

Più di questo il Dott. Ferrara non poteva fare, se si tiene presente che egli, privo assolutamente di mezzi di fortuna estranei all'impiego, ha perduto la sua casa in seguito ai bombardamenti e, successivamente, si è salvato a stento, con i suoi familiari, dal cannoneggiamento tedesco nella zona della battaglia, perdendo ancora quel pochissimo di indumenti personali che gli era in precedenza rimasto, cosicchè ha dovuto ricorrere alla pietosa ospitalità di un Convento.

4°) Il Dott. Ferrara, appena sfuggito alla morte, non ha esitato ad attraversare le linee di combattimento verso gli Alleati ed è stato il primo funzionario della Prefettura di Arezzo a presentarsi al Comando della Città per mettersi a sua disposizione, nonostante le condizioni

SUBJECT: Prefect of AREZZO

TO : The Minister of the Interior

Your Excellency:

1. I refer to Capt Williams' conversation with Dr. Camera on 1 September when Capt Williams stated that both the Vice Prefetto Vicario (Francesco FERRARA) and the Vice Prefetto Ispettore (Filippo DI GIOVANNI) have been dismissed from this province by A.M.G.

2. I have been asked to supply a new Vice Prefetto Vicario and I should be glad to receive as soon as possible Your Excellency's nomination and the usual biographical particulars. Although I have not been specifically asked for a new Vice Prefetto Ispettore, it would be well to be ready to send one. I should be glad, therefore, to receive also the name and particulars of a candidate for this post.

3. Since the interview above-mentioned, further information has been received as to DI GIOVANNI. If the Government should desire to make use of his services as a Vice Prefetto Ispettore in a province under their control it appears to me that the Allied Control Commission could agree to this. From my records, there appears to be vacancies in this office in the provinces of:

FOGGIA
TRAPANI
RAGUSA
CAMPOBASSO
TARANTO

6. I hope to receive further information as to FERRARA in the near future.

SUBJECT: Prefetto Reggente of AREZZO

TO : His Excellency the Minister of the Interior

Your Excellency:

1. The Senior Civil Affairs Officer, 8th Army, strongly recommends the appointment of the under-mentioned to be placed at the head of the Province of AREZZO:

GUIDOTTI MORI, Colonnello Guido

2. The Civil Affairs Officer gave me the following information about him:

"He is well spoken of by all sections of the community, including the church, Local Judicial authorities and the Patriot groups. Colonel GUIDOTTI MORI Guido is a retired Army officer and land owner who was Podesta of AREZZO from 1926 to 1929. Later he was Director of Alimentazione there. He was imprisoned this year by the Republican Government under a false charge. He was inscribed as a member of the P.N.F. but was always anti-fascist, and a strict catholic. He is reported to be democratic minded although probably anti-communist."

3. I should be glad to have your views upon this proposal.

4. Colonel GUIDOTTI MORI will, of course, be appointed Prefetto Reggente.

I said in that case why did not the Prefect of Pisa release him? 2. MICALI replied that the Prefect did not need his services at Pisa any more. MICALI agreed that there is no real pressing need to send anyone down to Pisa to take MORRICA's place. He would order MORRICA to report to us at once so that we could send him down to Arezzo. 3. 4 June 1945

TO : His Excellency the Ministry of the Interior.

Your Excellency:

1. This Sub Commission has been requested by the Regional Commissioner for Toscana Region to transmit the following commendation of Dott. Silvano GATTESCHI by the Provincial Commissioner of Arezzo, to the Ministry of Interior for information and such action as the Ministry may desire to take:—

"The above named has been acting as the censor of the local press for some 8 months. He is also a first Secretary in the Prefectural Administration. Throughout he has performed this difficult and somewhat thankless task with care and industry. Though only given the broad principles of the desired censorship, his efforts have resulted in a cooperative press which has been marked by a moderation which compares favourably with several other newspapers on the boundaries of the province.

"It is considered that the good work of this civil servant over and above his normal duty should be brought to the attention of the Minister of the Italian Government."

Ref. RVIII/62/A/123 25 maggio 45

OGGETTO : Dott. Silvano GATTAGONI

A : H.Q. A.C.

1. Il seguente testo di una lettera, N° Prot. AB/RQ/123 in data 15 maggio 45, ricevuta da F.C. Arezzo, viene trasmessa con la preghiera di inoltrala al Ministero competente, se tale procedura è permessa.

" Il suddetto ha ricoperto la carica di censore della stampa locale per otto mesi. Egli è anche primo segretario dell'Amministrazione della Prefettura. Egli ha contentamente eseguito le sue difficili e piuttosto ingrate mansioni con precisione e solerzia. Sebbene egli fosse stato messo al corrente soltanto dei principi generali che si desideravano seguiti nella censura, le sue fatiche hanno dato i loro frutti in una stampa cooperante che si faceva notare per la sua moderazione rispetto a quella di molti altri giornali della provincia.

Si ritiene che l'ottimo lavoro eseguito da questo impiegato dello Stato, superante di gran lunga le menzionate normalmente aspettategli, dovrebbe essere portato a conoscenza del Ministero competente del Governo Italiano.
