Directa.

1. The I.G. have been asked to provide a
 Prefect & P.P. for Pescara and Perutti knows the
 particular difficulties of that Province. They have in
 fact nominated Giannini while this has been conveyed
 to R.C. Reg. V.

2. In answer to your query, I personally
 would not be prepared to send Rocco A. to Pescara.
 His record reports do not suggest he could
 undertake a 'clean-up' there.

SUBJECT: Dr. Nino ROCCA, Prefect of LECCE

TO : His Excellency, the Minister of the Interior.

Your Excellency,

1. I refer to your letter No. 2695 Gab. dated 12th August.

2. Dr. ROCCA would be acceptable to the Allied Control Commission as Prefect of a province under Regional control in Military Government Territory but rather than a province under Army control near the front line. If occasion arises he could be proposed for such a province in order to release another Prefect for a more northerly seat.
