Sgt. Nic - Please ring up Dr. Gen. Peronelli and Parenti (or whoever is acting in his place) what about the nomination requested in p. 10.

① Told Dr. Parenti to please reply to our letter of 8/14/45 July, and to proceed to the nomination of a U.P. for Roripa as requested therein. He promised to let me know something by Tele-Rome in a few days.

② Dr. Parenti then spoke of the case of Comigliere Dr. Romanelli, which is the subject of a Ministry's letter forwarded to us in the last few days. In it our Spk is asked to decide whether Dr. Romanelli is to be confirmed in his position having regard to the fact he belonged in the past to the Cabinet of the Marxist-Republican Dictator. According to Dr. Parenti, the aforesaid letter of the Ministry to us should be disregarded, because since it was sent, the Prefect of Roripa has been in Rome and expressed his opinion to the Minister's Chief of Personnel that Dr. Romanelli is not as he came.

① Told Dr. Parenti to please reply to our letter of 8/11/45 July 10, and to proceed to the nomination of a V.P. for Rorizo as requested therein. He promised to let me know something by tele-
phone in a few days.

② Dr. Parenti then spoke of the case of Conigliaro Dr. Romanelli, which is the subject of a Ministry's letter forwarded to us in the last few days. In it our Spk is asked to decide whether Dr. Romanelli is to be confirmed in his position having regard to the fact he belonged in the past to the Cabinet of the former Republican Prefecture. According to Dr. Parenti the aforesaid letter of the Ministry to us should be disregarded, because since it was sent, the Prefect of Rorizo has been in Rome and expressed his opinion to the Ministry's Chief of Personnel that Dr. Romanelli must hold his present position as his connection with the former Republican Prefecture has been of long duration.

(3) Ref. folio 12. Our Radio file shows that besides a Prefect, V.P. and V.P.I's there are 4 councillors.

Telephone conv. Antonio Parenti M. Toluca -

1 Dec. 1945 -

Dr. Parenti proposes to send to the Prefecture of Rorizo a candidate Dr. A. A. (first secretary) who is now at P. A. He added that Rorizo needs a councillor and Dr. A. A. will be sent there as such. Dr. A. A. is disappointed with the situation and he has no such change as Rorizo will be a permanent one for A. A.

P.T.O.

because often if it stops at Palermo he will find
the way of getting out all operation trouble and
end up by running smooth in the Prefecture he
will share. This cannot be helped and therefore,
Parenti said, and it would be the right thing to
prevent the official by transferring him to Reggio -

Direzione Gen. Affari Generali e Personale

R O M A

Con riferimento al foglio n. 5000/1 del 23/11/1945, relativo all'oggetto, mi permetto pregare codesto Ministero perchè si compiacca revocare il trasferimento del Consigliere dott. ROBERTO VALENTI da Padova a Rovigo, con il foglio stesso disposto, per i seguenti motivi:

1°) il consigliere VALENTI è un ottimo funzionario, del quale questa Prefettura non può assolutamente privarsi nel momento attuale, dato anche che altri funzionari sono stati allontanati dall'ufficio per incompatibilità politica;

2°) il dott. VALENTI è affetto, come è noto a codesto Ministero, di "claudicatis intermittens" ed ha bisogno di continue cure. Egli qualora fosse trasferito a Rovigo, dovrebbe recarsi da solo in tale nuova sede, dato che il proprio figlio, con il quale convive a Padova, è impiegato presso l'Ospedale Civile di Padova e non avrebbe quindi la possibilità di avere un'assistenza familiare;

Con riferimento al foglio n. 5000/1 del 22/11/1945, relativo all'oggetto, mi permetto pregare codesto Ministero perchè si compiacca revocare il trasferimento del Consigliere dott. ROBERTO VALENTI da Padova a Rovigo, con il foglio stesso disposto, per i seguenti motivi:

1°) il consigliere VALENTI è un ottimo funzionario, del quale questa Prefettura non può assolutamente privarsi nel momento attuale, dato anche che altri funzionari sono stati allontanati dall'ufficio per incompatibilità politica;

2°) il dott. VALENTI è affetto, come è noto a codesto Ministero, di "claudicatio intermittens" ed ha bisogno di continue cure. Egli qualora fosse trasferito a Novigo, dovrebbe recarsi da solo in tale nuova sede, dato che il proprio figlio, con il quale convive a Padova, è impiegato presso l'ospedale Civile di Padova e non avrebbe quindi la possibilità di avere un'assistenza familiare;

3°) in Padova è vacante il posto di Vice Prefetto Ispettore, in quanto il titolare è stato sospeso dal servizio per motivi politici; il dott. VALENTI potrebbe perciò esercitare le funzioni che gli si intendono affidare in questa provincia, come del resto di fatto avviene saltuariamente.

Si confida nel benevolo accoglimento della presente proposta.

14 November 1945 /

VENETIAN REGION MONTHLY REPORT FOR NOVEMBER 1945

2. LOCAL GOVERNMENT -

As was reported last month, it was found necessary to make a change in the Prefect of Rovigo. An experienced career Prefect Dott. Soldaini has taken office and his introduction has taken place without serious comment. It is an advantage that Dott. Soldaini is from Toscana and served for some time at Rovigo Prefettura in the earlier day of his career. Several of the present political Prefects have expressed to the writer their intention of resigning from the cares of office when AMG support is withdrawn. If the Italian Government can supply career Prefects of calibre there should be no great difficulty in introducing these into the Provinces of Veneto.

Preparation for the election are well forward except in the province of Bolzano where special problems have complicated the issue. In this case however, steps were taken in October to clarify the issue.
