1. Please refer to letter from RC & MG of 10 June 44 (page 1 with attachments thereto) and letter from Min. of Int. (page 2) and minutes 1 and 2.
2. Apparently QUATTROMINI was suspended by the Min. of Int. pending the decision of the Defascistization Committee. At the insistence of the Prov. Comm. he was retained in service. The Defascist. Committee seems to have cleared QUATTROMINI and this decision has the support of the Prefect and the P.C. Now the Min. of Int. wants its original suspension of QUATTROMINI enforced for equitable reasons (another employee in the Prefecture having been removed for lesser reasons).
3. It should be kept in mind that a minor official is involved.
4. (a) Can the Min. of Int. override a decision of the Defascistization Committee (see the inquiry in last sentence of letter 12 June)?
 (b) What should be the position of
 (1) Interior Sub-Commission
 (2) Allied Control Commission
 (c) What should be our reply to the Min. of Int.?

To Int.

The Ministry of the Interior should be asked to supply their reasons for wanting to dismiss this man and under what civil service regulation they propose to do so. It should be made clear to them that he cannot be dismissed under the Defascistization decree as the Provincial Commission has found no reason for doing so & the action of the Ministry in relation to another official is wholly irrelevant. SUBJECT : Suspension of QUATTROMINI Angelo, Prefecture of Matera.
TO : His Excellency, Minister of Interior.

Your Excellency:

1. I have received your letter of the 12th June, 1944,
Ref: 3/34123.

2. It appears clear that no dismissal can be effected under the Defascistization Decree, in view of the fact that the Provincial Commission that dealt with the case has found no reason for doing so.

3. The case of Dr. Zevio Garzia and the action taken thereon does not appear to be relevant to this matter.

4. Having regard to the facts of this particular case, and in view of my paragraph 2, I shall be glad if you will supply me with your reasons for choosing this official for dismissal. ~~Is~~ there any Civil Service or other administrative regulation under which you desire to enforce his suspension?

Main Office of General Affairs

Salerno, 12th. June, 1944

File No. 3/34123

TO: THE A.C.C.

INTERIOR SUB-COMMISSION

SALERNO

Subject: Suspension from the grado and stipend of the employee of the Prefecture of Matera, QUATTROMINI ANGELO.

The Prefecture of Matera has informed us that, in adherence to a desire of the local representative of the A.C.C., it has kept in service the employee Quattromini Angelo, an ex-squadrista. This Ministry, with telegram 3/34123.1 of 18th. May last, had ordered the suspension from the grado and stipend of this employee while awaiting the defascistization decision on him.

Since the A.M.G., with a provision of 5th. January last, removed from office the Councilman of that same Prefecture, Dr. Zevio Garzia whose qualification as an "antemarcia fascist" is not included among those that are subject to the sanctions prescribed by R.D.L. of 28th. December, 1943, No. 29/B on the defascistization of the public Administrations, this Ministry deems it advisable, for obvious equitable reasons, that the provision issued for the suspension from the grado and stipend of the employee Quattromini be fully enforced.

We therefore should like to ask the Commission to kindly inform us whether anything impedes this provision from being re-enforced.

Applicato della Prefettura di
Matera QUATTROMINI Angelo-Sospen-
sione dal grado e dallo stipendio.

La Prefettura di Matera ha fatto conoscere che, per aderire ad un desiderio espresso dal locale rappresentante della Commissione Alleata di Controllo, ha trattenuto in servizio l'applicato QUATTROMINI Angelo, ex squadrista, del quale questo Ministero, con telegramma 3/34123. I del 18 maggio u.s., aveva disposta la sospensione dal grado e dallo stipendio, in attesa del giudizio di defascistizzazione nei suoi confronti.

Poiché, con provvedimento del 5 gennaio u.s., l'A.M.G. esonerava dall'ufficio il Dott. Zevio Garzia, Consigliere di quella stessa Prefettura, la cui qualifica di "fascista antemarcia" non è compresa tra quelle passibili delle sanzioni previste dal R.D.L. 28 Dicembre 1943 n. 29/B sulla defascistizzazione della pubbliche Amministrazioni, questo Ministero ritiene opportuno, per ovvie ragioni equitative, che abbia pieno corso il disposto provvedimento di sospensione dal grado e dallo stipendio dell'applicato Quattromini.

Si prega, pertanto, codesta On.le Commissione di far cortesemente conoscere se nulla osti a che tale provvedimento venga riconfermato.

Subject: Sig. Quattromini Angelantonio

1. Several days ago, the above named, received a telegram from the Minister of Interior stating that because he was a squadrista, his services, as a clerk in the Prefectura, would no longer be required.
2. The Prefect has pointed out to us that Mr. Quattromini was never an ardent Fascist and that he had always rendered honest service in the interest of the public.
3. We suggest that this case be referred to the Defascistization Committee and that each member submit individual recommendations.
4. As per attached recommendations by the Committee, it can be seen that all four members attest to the Prefect's opinion of Mr. Quattromini. 6037
5. In view of the fact, this office recommends that the matter be taken up with the Ministry for reconsideration.
