FROM: ~~ACC, FOGGIA PROVINCE.~~

Dear *Spicer*

The Prefect of this Province, General Cotronei, has proved a most loyal, intelligent and hard-working colleague during the 6 months we have worked together and at every turn has shown his anxiety to help us.

His family is in ROME and he had heard indirectly that his wife has had mental trouble. He is naturally desperately anxious to have news of them and has asked me to do the best I can to obtain it for him.

Could you possibly ask City Region to make some enquiries when they have a chance and to send the results to me? I enclose General Cotronei's original request.

I am writing to you as Prefects are in your domain.

Yours *Graciani*
